Funded External Grants

Summer 2003. National Endowment for the Humanities Summer Institute: Science and Values Institute. Funded five weeks in residence at the University of Pittsburgh to discuss current trends in philosophy of science with other scholars. Attendance at the institute provided the basis for revising the course content and syllabus of PHL 372: Philosophy of Science.

Summer 2002. University of Oklahoma History of Science Department and History of Science Collections Mellon Travel Grant. Funded eight weeks in residence at the History of Science Collections to support manuscript research and revisions for A Historical Dictionary of the Darwin Controversy. The manuscript was published Fall 2005.
