Love Outdoor Recreation? Let us know! Take this survey!

**Outdoor Recreation** at Sam Houston State University is a multifaceted program consisting of five primary components:

**Trips and Workshops** focus on having fun while exploring, experiencing, and learning in a variety of natural environments.

The **Climbing Center** features a 35 foot climbing wall, bouldering island, and all the requisite gear for you to achieve new heights.

**Equipment Rental** allow you to pursue your own adventures, whether it's an afternoon on the river, or a week in the mountains.

**Bearkat Camp** is a spirit and traditions camp for incoming freshmen and transfer students.

**University Camp** is a one of a kind recreation and retreat facility that features cabins, dining facilities, sports fields, boating, ropes courses, biking and hiking trails, a lodge and meeting center.

Our aim is to provide the university community the chance to **live the life less ordinary.**

So jump in, play hard... and **get outside.**
