

Individual Consultations

Individual Consultations provide personal research assistance to SHSU graduate and undergraduate students, faculty, and staff. Individual Consultations with a Reference Librarian can be scheduled in advance with the individual Librarian, or scheduled through the Reference Desk for a subject specialist Librarian. Call the Reference Desk at (936) 294-1599 OR 1-866-NGL-INFO (toll-free) and a subject specialist will return your call.
