A NEW CLASS OF ASSESSMENT

Assessment is far more than administering surveys and holding staff accountable. Assessment is a regular activity that enables departments to learn the academic or social outcomes of their programs and effectively manage resources.

StudentVoice helps guide the assessment curriculum of North America 's most innovative institutions, not by replacing existing efforts or simply supplying technology, but by providing a complementary set of tools and a set of programs that makes assessment practice actionable, effective and non-intrusive.

Member BENEFITS

BUILDING CENTRALIZED ASSESSMENT PROGRAMS

StudentVoice enables campuses to build a centralized, collaborative assessment program that seamlessly ties together student affairs departments.

CREATING ACTIONABLE DATA OUTCOMES

StudentVoice helps turn obstacles into opportunities by providing data that guides informed, meaningful decision making about programs and services.

EASING THE ACCREDITATION PROCESS

StudentVoice eliminates the accreditation frenzy by making assessment a daily activity, indicating regular tests for quality, improvement and self-study.
