Welcome to Veterans Resource Center (VRC)

Founded in 2009, Veterans Resource Center has become a growing and thriving establishment at Sam Houston State University.

At VRC, our vision and goal is to serve the men and women who have honorably served our country and assist them with their transition into university life at Sam Houston State University, a GI Jobs "Military Friendly School."

On behalf of all SHSU students, faculty and staff, we would like to welcome you to your new university and look forward to assisting you in reaching your academic goals. Your leadership and military experience serve to further enhance the character of our great institution.
