#### **POLICIES**

- 1. **ATTENDANCE:** Students are expected to attend class regularly and be on time for each class. Each student is permitted two absences without penalty. Any absences above two will count as a weight against the student in borderline cases. Any absences above five (total) will result in a course grade reduction as follows: 6 total absences = one letter grade reduction, 7 total absences = two letter grade reduction, 8 total absences = three letter grade reduction, and over 8 total absences = F. Three tardies or leaving class early three times (or a combination of three) count as an absence.
- 2. **LATE WORK REDUCTION:** The grade on late work is reduced 10% (of the total value) for each week late (unless it is excused ahead of time).
- 3. WORK SUBMISSION: Each assignment not submitted will lower the course grade one letter. The last date any late work will be accepted is Wednesday, November 28.
- 4. **WORK FORMAT:** All assignments must be keyed (*typed*).
- 5. **TESTS**: All tests are open book/open notes except as follows:
  - A. Any test taken at a time other than the regularly scheduled time may be an essay test, open note **but not open book**
  - B. All graded exercises up to the test must be completed before a test can be taken. Any test missed as a result of unexcused late work, will be written (not True/False and Multiple Choice), and no notes nor text can be used.
  - C. Using a cell phone during a test will result in a "0" test grade.
- 6. **COMPUTER USE IN CLASS:** Using the computer during the class period for any purpose other than the assigned task will lower the course grade 5 points for each time the computer is misused. (*the computers can be used to take lecture notes.*)
- 7. **WORK ETHICS:** Students are expected to do their own work on all material other than partner or group work. Any individuals submitting another person's work as their own will receive no credit for the work and a possible lowering of their course grade. Any individuals allowing others to copy their work come under the same policy.
- 8. STUDENT ABSENCES ON RELIGIOUS HOLY DAYS: In accordance with University Policy 861001, a student desiring to absent herself/himself from a scheduled class in order to observe (a) religious holy day(s) shall present to each instructor involved a written statement concerning the religious holy day(s). This request must be made in the first fifteen days of the semester or the first seven days of a summer session in which the absence(s) will occur. The instructor will complete a form notifying the student of a reasonable time frame in which the missed assignments and/or examinations are to be completed.
- 9. **STUDENTS WITH DISABILITIES:** It is the policy of Sam Houston State University to adhere to all applicable federal, state, and local laws, regulations, and guidelines with respect to providing reasonable accommodations for students with disabilities. Any student seeking accommodations as a result of a disability(s) must register with Sam Houston State University Services for Students with Disabilities (SSD) at the Counseling Center located in the Lee Drain Annex (*Phone:* 936.294.1720).
- 10. CELL PHONES: Please turn off all cell phones. Cell phone use is not permitted during class, including Text Messaging. Using a cell phone in class will result in a two point reduction of the course grade for each infraction of this policy.
- 11. **LISTENING DEVICES:** Such devices are not permitted during the class time unless specific permission is given by the instructor.
