

Donald P. Albert
Associate Professor of Geography
Department of Geography and Geology
College of Arts and Sciences

Degrees Earned

PH.D. in Geography, University of North Carolina-Chapel Hill, 1996

M.A. in Geography, Appalachian State University, 1989

B.S. in Geography, Salem State University, 1987

Professional Licensure and Certifications

Peer-Review Publications and Artistic Performances/Exhibitions

Articles

Albert, D.P. Out-of-state licensing of naturopathic physicians, United States, 2005. *The International Journal of Naturopathic Medicine* (accepted).

Albert, D.P., and D Martinez. 2006. Spatial variation in the growth in number of Naturopathic Physicians in the United States and Canada. *The Papers of the Applied Geography Conferences* 29:311-320.

Albert, D.P., and D. Martinez. 2006. The supply of naturopathic physicians in the United States and Canada Continues to increase. *Complementary Health Practice Review* 11(2):120-122.

Albert, D.P., and F.B. Butar. 2005. Estimating the De-designation of single-county HPSAs by counting Naturopathic Physicians as Medical Doctors. *Applied Geography* 25(3): 271-285.

Albert, D.P., and F.B. Butar. 2005. Downward Hierarchical Diffusion of Naturopathic Physicians in Oregon 2000 to 2004. *Northwest Science* 79(1):80-83.

Albert, D.P., and F.B. Butar. 2004. Geography of naturopathy in the United States: Current status. *The Pennsylvania Geographer* 42(2):120-129.

Albert, D.P., and F.B. Butar. 2004. Diffusion of naturopathic state licensing in the United States and Canada. *Complementary Health Practice Review* 9(3):193-207.

Albert, D.P., and F.B. Butar. 2004. Distribution, concentration, and health care implications of naturopathic physicians in the United States. *Complementary Health Practice Review* 9(2):103-117.

Barron, B.C., D.P. Albert, and J. Tiller. 2003. Roads, highways, and interstate: Connecting Huntsville's past and present. *The Social Studies Texan* 19(2):69-70, 72. (accepted via editorial review for inclusion in the peer-reviewed section of this journal)

- Albert, D.P., and F.B. Butar. 2003. Factoring NDs into the HPSA equation: A policy consideration. *Texas Journal of Rural Health* 21(4):44-52.
- Warrick, C., W. Spears, D.P. Albert, B. BakamaNume, and L Roes. 2002. GIS and Rural Cancer Disparities. *Texas Journal of Rural Health* 20(4):25-34.
- Albert, D.P., and F. Butar. 2002. Feasibility of using telephone, association, and licensure directories to examine the geographic distribution of naturopathic physicians in Oregon, Arizona, and Connecticut. *Geography Online* 3(2):1-9.
- Albert D.P., and R. Horner. 2001. Data classification, spatial analysis, and the geographic distribution of mortality from cerebrovascular disease: United States, 1995. *North Carolina Geographer* 9:42-50.
