

Overview of Services for Students

We offer a variety of services to assist you in the successful transition from college to career. We welcome drop-ins but to avoid having to wait for an available staff member, we recommended that you call us at (936) 294-1713 to schedule an appointment!

What Can I Do With My Major?

Visit our [Majors](#) website to get a better understanding of what career opportunities exist within you major.

Career Assessments

It's important to pursue a job/career that "fits". To discover the best jobs/careers for you it is therefore important for you first to identify your skills, interests, personality and work-related values. We offer the **Newly Revised Strong Interest Inventory®** and the **Myers-Briggs Type Indicator®** (MBTI) career assessments at no charge to SHSU students and alumni - call to get a username and password to

take these assessments online and to schedule a time to review the results with a career counselor.

Career Counseling

Not sure of the career direction you want to take? Need some help getting started? Schedule an appointment to meet with a career counselor to review career plans, develop a winning resume, to explore job-search strategies or to address any career-related concerns you may have. Career-counseling services are free and confidential.

Resume/Cover-Letter Writing Assistance

You may schedule an appointment to have your resume critiqued by a member of our professional staff or for your convenience we also offer a "drop-off" service. Just leave your resume at the front desk and we'll call you to pick it up after it's been critiqued!

Mock Interviewing

In order to successfully prepare for future interviews, we recommend that you practice your interviewing techniques! Individual or group mock interviews can be scheduled with a career services professional staff member throughout the year. Interviews are usually 20-30 minutes in duration and by request are video-taped for your review and our constructive feedback afterwards.
