Title: Virtual Instruction Series.

Author: Hardenbrook, Joe; McMain, Lynn

URL: http://www.shsu.edu/~lib_www/resources/virtinstruct.html

Description: The Virtual Instruction Series is designed to provide users with an overview on how to search the Library catalog and databases. It consists of short 5-10 minute streaming audio/video presentations that are available to users from on or off campus. Topics discussed in the Virtual Instruction Series include how to access the Library catalog and databases, perform keyword searching, construct search strategies, and acquire information resources such as books and journal articles.

Category: Catalog Tutorial

Audience: Undergraduates, Graduate Students, Distance Learners

Keyword: virtual instruction, streaming audio and video, library research, electronic books, catalog, databases
