ABOUT US

The Student Advising and Mentoring Center, also known as the SAM Center, offers a wide variety of services for the students of Sam Houston State University. We offer academic advisement and enrichment services to all undergraduate and graduate students. The SAM Center is a resource dedicated to helping students adjust to academic life at Sam Houston State University. Services available include career testing, aid with time management, and study skills.

The center has grown rapidly since we've been open and with new programs being offered, our students are taking more advantage of our resources. With a great faculty and staff, all students are encouraged to look into any of the programs we have available.

The SAM Center is located in Academic Building 4 (AB4) on the second floor, room 210. AB4 is located on the corner of Bowers Blvd. and Ave. I. For a map of the campus please click [HERE](#).
