Campus Events

The URS was conceived of and is hosted by the Honors College Student Ambassadors, who believe in the importance of sharing undergraduate research in a multi-disciplinary environment. It was created to:

- Provide a forum for students to present their research to faculty and other students
- Give students the opportunity to practice public speaking to prepare for future conferences
- Give students the chance to network with other students and faculty
- Help students grow as emerging professionals in their fields of study

To achieve these ends, the URS is a congenial, positive, professional environment, and faculty volunteers serve as moderators to provide informal yet constructive feedback to everyone who presents.
