Journals and Periodicals

The Newton Gresham Library hold many different periodicals to use in your research efforts.

Electronic Journals

Newton Gresham Library users also have access to over 35,000 journals via electronic databases. This link allows you to find journal titles within those databases. To search for specific articles, please use the [Databases and Indexes](#) page.

Print Periodicals

The Newton Gresham Library subscribes to over 3,500 different print periodicals. Current issues can be found on the second floor of the library. Older issues are bound and placed into the main stacks, located on the third and fourth floors. In both cases, periodicals are shelved according to their [Library of Congress Subject Classification](#) call number. To find out if the Newton Gresham Library holds a specific periodical, you can use [SamCat](#) to search for the title, or use the Serials Holding List (orange bound books) at the Reference Desk.
