## GRE / GMAT PREP PROGRAM

Interested in applying to graduate school? The Academic Support Programs of the SAM Center offer GRE/GMAT Test Taking Technique Prep Sessions.

We suggest that you buy one of the study manuals (with accompanying CD) for the GRE or GMAT exam - most bookstores have the latest editions.

### 3 SIMPLE STEPS

- 1. 50 HOURS** (testing companies recommend that students spend at least this much preparation before taking the GRE or GMAT exam)
- 2. REVIEW** (Students need to understand that our program is **NOT** a subject review or a substitute for extensive individual study)
- 3. TAKE EXAM** (Taking the exam shortly after the completion of the prep technique program and the 50 hours of study should help you achieve the best results)

The GRE/GMAT Prep Program is **FREE**, your only cost is the purchase of the study manual. This prep program is offered several times each semester. Class size is limited to 20 students and a participation contract must be signed to be registered.
