Services

- **Why do you need Services?**

Project CONNECT is a program that is funded by the U.S. Department of Education. Our purpose is to provide services that help students persist towards graduation. It is important that you meet the required amount of services per semester in order to stay in good standing in the program.

- **Why do we offer services?**

We are here to help you through your college experience. We believe when these services are taken advantage of they will help you. We try to offer a variety of services from Advising to Workshops.

- **What services are required to stay in good standing?**

Students in Project CONNECT are given a Student Education Plan (SEP) at the beginning of the year from their Academic Coach. The SEP lists service requirements according to classification. In addition, students must maintain at least a 2.0 GPA to stay in Project CONNECT.
