## CAN I ATTEND THIS REVIEW SESSION MORE THAN ONCE?

Because of the demand for a limited number of spaces, we ask that students only participate in one session before taking their exam to allow other students an opportunity to review with us. We also recommend that you attend the session closest to the time you will be taking the actual exam. So, if you are taking the exam in the spring, we recommend taking the prep session in the spring as well.

## DO I HAVE TO ATTEND EVERY NIGHT?

Yes! Our instructors dedicate their time to you and work hard to prepare for each day of the session. Also, keep in mind that there may have been other students who would have come each night, but did not get into the program due to it being full. Please take advantage of all that we are offering with this program, including the time!

## WHERE DO I FIND INFORMATION ON THE EXAM ITSELF? (I.E. REGISTRATION, FEES, SCHEDULE)
