Introduction to the Incident Command System – Higher Education
- 4/07 – Present **Licensed Psychologist**
Texas: License # 33322

CLINICAL EXPERIENCE:

- 5/10 – Present **Executive Director, Counseling & Health Services**
Sam Houston State University, Huntsville, Texas

In addition to serving as the primary administrator over the Counseling Center, provide administrative oversight of the Student Health Center, Services for Students with Disabilities, and Wellness Education. Serve as direct supervisor for the directors/coordinators of these areas. Coordinate

strategic planning within the area, including the development of performance indicators and other measures of departmental effectiveness. Advocate for area departments within the larger university system. Lead efforts for resource procurement and allocation. Coordinated a successful referendum effort to construct a new Student Health & Counseling Center. Participated in all phases of development and construction of said facility.

6/08 – 5/10

Director

*Counseling Center & Services for Students with Disabilities
Sam Houston State University, Huntsville, Texas*

Oversee budget and expenditures for the Counseling Center and Services for Students with Disabilities (SSD). Develop departmental policy and procedure. Coordinate and implement clinical and on-call schedules for staff. Ensure compliance with university and center policies and procedures. Consult with clinical staff regarding referral issues and critical incident response. Coordinate hiring for new clinical staff positions. Consult with members of the university regarding students of concern and other issues related to student mental health. Coordinate activities related to requests for client records by outside parties (e.g. subpoenas). Consult with the SSD coordinator regarding the functions of that office as needed. Serve as a liaison between the center and other departments and divisions within the university. Coordinate departmental response to the SACS accreditation initiative. Oversee activities related to the assessment of the effectiveness of center services and other relevant information.

8/07 – 12/07

Practicum Coordinator

Counseling Center: Sam Houston State University, Huntsville, Texas

Assigned to serve as the coordinator of practicum training while the current coordinator was on temporary leave. Conducted interviews for potential practicum students, lead trainee orientation, organized trainees' schedules and managed caseloads. Developed training meeting content and lead said meetings. Added a group supervision component to weekly training meetings which was continued when the current coordinator returned. Coordinated trainees' performance evaluations with their home programs, and consulted with home training directors regarding critical incidents. Conducted a survey of trainee satisfaction with the training program and delivered a report of this feedback to the director and senior clinical staff.

8/05 – 6/08

Psychologist

Counseling Center: Sam Houston State University, Huntsville, Texas

Primary responsibilities include delivering individual, couples, and group therapy to the students of Sam Houston State University. Provide after-

hours crisis consultation and response. Develop and offer a variety of outreach programs and psycho-educational presentations to the university community. Provide training for RA's and RM's on critical incident response. Serve as clinical supervisor for masters and doctoral level graduate students receiving training at the center, and offer didactic presentations during practicum training seminar. Serve on a variety of committees, including Bearkat Learning Community Advisory Board, Stonewall Kats Advisory Board, and the Alcohol Abuse Initiative. Develop new marketing materials targeted towards underserved populations within the university. Assigned administrative duties include the development of a diversity statement for the center, updating and maintaining the center's website, participation in activities related to SACS accreditation, development of client satisfaction and outreach effectiveness surveys, revision of intake paperwork, and serving as the administrator-on-duty in the director's absence.

8/04 – 8/05

Internship

Counseling Center: University of North Carolina at Charlotte, Charlotte, North Carolina

Supervisors: Rebecca MacNair-Semands, Ph.D., Holly Savoy, Ph.D., and David Spano, Ph.D.

Provided individual and group therapy to the students of the University of North Carolina at Charlotte as part of an APA-accredited pre-doctoral internship. Performed weekly intake assessments, provided a variety of outreach programs to the university community, and completed psychological and career assessments. Lead career development and exploration workshops which utilize the Myers-Briggs and Strong Interest Inventory. Supervised a Master's level student clinician and provided on-call crisis services. Consulted with the staff psychiatrist for medication management and evaluation. Participated in weekly training and case conference seminars, as well as biweekly conferences addressing issues related to group therapy and psychological assessment. A strong emphasis on diversity and multiculturalism was placed on all aspects of training. Served on the Faculty/Student Advisory Board for PRIDE, a student-run support and advocacy group for the GLBT student population. Developed and administered a survey to measure student barriers to the utilization of counseling center services and used feed-back to develop new advertising materials.

RESEARCH EXPERIENCE:

1/03 – 5/05

Ph.D. Dissertation Research

Dissertation Title: "You're What?!": Determinants of Parental Satisfaction with Disclosure of Sexual Orientation

Department of Educational Psychology, Texas A&M University

Committee Chair: Dan Brossart, Ph.D.

Compiled research materials and proposed a dissertation that was approved in October of 2003. Original data was collected from a community sample of parents of gay and lesbian children in order to determine which factors most influence a parent's perception of and satisfaction with a child's disclosure of his or her sexual orientation.

- 8/03 – 12/04 **Research on the Assessment and Treatment of Partner Abuse**
Department of Educational Psychology, Texas A&M University
Principal Investigator: David Lawson, Ph.D.
Member of a research team examining the effectiveness of a psycho-educational group therapy program for men on probation for domestic violence offenses. Research activities included implementation of a partner abuse treatment program, and examining outcome results and methodological problems in data collection with this population.
- 1/02 – 12/02 **Research on the Social Interaction of Nursing Home Residents**
Department of Educational Psychology, Texas A&M University
Principal Investigator: Michael Duffy, Ph.D., ABPP
Member of a research team examining the influence of nursing home design on the social interactions of nursing home residents. Research activities included interviewing participants, data interpretation, and group discussion.
- 9/01 – 4/01 **Research on the Mid-Life Loss of Parents**
Department of Educational Psychology, Texas A&M University
Principal Investigator: Donna Davenport, Ph.D.
Member of a research team investigating psychologists' experiences of the death of their parents. Research activities included developing research methodology, interviewing participants, data interpretation, group discussion, and manuscript development.

CONFERENCES ATTENDED:

- '09 – Present *Association of University and College Counseling Center Directors Annual Conference*
-Various locations
Annual meeting of Counseling Center directors with sessions focused on a variety of critical incidents, emerging trends, best practices, and research initiatives.
- 7/08 *Building a Student Intervention Team to Prevent Campus Violence*
-Academic Impressions; Memphis, TN
Examined intervention team models currently being employed at three different institutions, and used this information to conceptualize the structure of an intervention team for SHSU's campus.

'06 – Present *College Counseling in a Multicultural World*
-Texas A&M University Counseling Center; College Station, TX
Annual conference focused on developing aspects of competency and ethical practice related to delivering mental health services to various populations of traditionally underserved or underrepresented populations. Areas of focus have included: Asian-American students, GLBT students, International students, student with Asperger's Syndrome, multi-ethnic students, African-American students, and student veterans.
