Number of Databases Available to SHSU Faculty & Students by Format Over Time

In FY 2006 Newton Gresham Library added a subscription to ProQuest Digital Dissertations which adds over 600,000 theses & dissertations to our collection which have not been accounted for in the above charts as they would skew the collections and distort the presentation of the rest of our collection. Please be aware that our collection is much larger in the e-books area than represented by the chart.
