§ 668.4 Payment period.

(a) *Payment periods for an eligible program that measures progress in credit hours and has academic terms.* For a student enrolled in an eligible program that measures progress in credit hours and has academic terms, the payment period is the academic term.

(b) *Payment periods for an eligible program that measures progress in credit hours and does not have academic terms.*

(1) For a student enrolled in an eligible program that is one academic year or less in length—

(i) The first payment period is the period of time in which the student completes half the number of credit hours in the program and half the number of weeks in the program; and

(ii) The second payment period is the period of time in which the student completes the program.

(2) For a student enrolled in an eligible program that is more than one academic year in length—

(i) For the first academic year and any subsequent full academic year—

(A) The first payment period is the period of time in which the student completes half the number of credit hours in the academic year and half the number of weeks in the academic year; and

(B) The second payment period is the period of time in which the student completes the academic year.

(ii) For any remaining portion of an eligible program that is more than one-half an academic year but less than a full academic year in length—

(A) The first payment period is the period of time in which the student completes half the number of credit hours in the remaining portion of the

§ 668.4

34 CFR Ch. VI (7-1-07 Edition)

program and half the number of weeks remaining in the program; and

(B) The second payment period is the period of time in which the student completes the remainder of the program.

(iii) For any remaining portion of an eligible program that is not more than half an academic year, the payment period is the remainder of the program.

(3) For purposes of paragraphs (b)(1) and (b)(2) of this section, if an institution is unable to determine when a student has completed half of the credit hours in a program, academic year, or remainder of a program; the student is considered to begin the second payment period of the program, academic year, or remainder of a program at the later of—

(i) The date, as determined by the institution, on which the student has completed half of the academic coursework in the program, academic year, or remainder of the program; or

(ii) The calendar midpoint between the first and last scheduled days of class of the program, academic year, or remainder of the program.

(c) *Payment periods for an eligible program that measures progress in clock hours.* (1) For a student enrolled in an eligible program that is one academic year or less in length—

(i) The first payment period is the period of time in which the student completes half the number of clock hours in the program; and

(ii) The second payment period is the period of time in which the student completes the program.

(2) For a student enrolled in an eligible program that is more than one academic year in length—

(i) For the first academic year and any subsequent full academic year—

(A) The first payment period is the period of time in which the student completes half the number of clock hours in the academic year; and

(B) The second payment period is the period of time in which the student completes the academic year.

(ii) For any remaining portion of an eligible program that is more than one-half an academic year but less than a full academic year in length—

(A) The first payment period is the period of time in which the student

completes half the number of clock hours in the remaining portion of the program; and

(B) The second payment period is the period of time in which the student completes the remainder of the program.

(iii) For any remaining portion of an eligible program that is not more than one half of an academic year, the payment period is the remainder of the program.

(d) *Number of payment periods.* Notwithstanding paragraphs (b) and (c) of this section, an institution may choose to have more than two payment periods. If an institution so chooses, the regulations in paragraphs (b) and (c) of this section are modified to reflect the increased number of payment periods. For example, if an institution chooses to have three payment periods in an academic year in a program that measures progress in credit hours but does not have academic terms, each payment period must correspond to one-third of the academic year measured in both credit hours and weeks of instruction.

(e) *Re-entry within 180 days.* If a student withdraws from a program described in paragraph (b) or (c) of this section during a payment period and then reenters the same program within 180 days, the student remains in that same payment period when he or she returns and, subject to conditions established by the Secretary or by the FFEL lender or guaranty agency, is eligible to receive any title IV, HEA program funds for which he or she was eligible prior to withdrawal, including funds that were returned by the institution or student under the provisions of § 668.22.

(f) *Re-entry after 180 days or transfer.* (1) Subject to the conditions of paragraph (f)(2) of this section, an institution calculates new payment periods for the remainder of a student's program based on paragraphs (b) through (d) of this section, for a student who withdraws from a program described in paragraph (b) or (c) of this section, and—

(i) Reenters that program after 180 days,

(ii) Transfers into another program at the same institution within any time period, or

(iii) Transfers into a program at another institution within any time period.

(2) For a student described in paragraph (f)(1) of this section—

(i) For the purpose of calculating payment periods only, the length of the program is the number of credit hours and the number of weeks, or the number of clock hours, that the student has remaining in the program he or she enters or reenters; and

(ii) If the remaining hours, and weeks if applicable, constitute one-half of an academic year or less, the remaining hours constitute one payment period.

§ 668.5 Written arrangements to provide educational programs.

(a) *Written arrangements between eligible institutions.* If an eligible institution enters into a written arrangement with another eligible institution, or with a consortium of eligible institutions, under which the other eligible institution or consortium provides all or part of the educational program of students enrolled in the former institution, the Secretary considers that educational program to be an eligible program if it otherwise satisfies the requirements of § 668.8.

(b) *Written arrangements for study-abroad.* Under a study abroad program, if an eligible institution enters into a written arrangement with a foreign institution, or an organization acting on behalf of a foreign institution, under which the foreign institution provides part of the educational program of students enrolled in the eligible institution, the Secretary considers that educational program to be an eligible program if it otherwise satisfies the requirements of paragraphs (c)(1) through (c)(3) of this section.

(c) *Written arrangements between an eligible institution and an ineligible institution or organization.* If an eligible institution enters into a written arrangement with an institution or organization that is not an eligible institution under which the ineligible institution

or organization provides part of the educational program of students enrolled in the eligible institution, the Secretary considers that educational program to be an eligible program if—

(1) The ineligible institution or organization has not had its eligibility to participate in the title IV, HEA programs terminated by the Secretary, or has not voluntarily withdrawn from participation in those programs under a termination, show-cause, suspension, or similar type proceeding initiated by the institution's State licensing agency, accrediting agency, guarantor, or by the Secretary;

(2) The educational program otherwise satisfies the requirements of § 668.8; and

(3)(i) The ineligible institution or organization provides not more than 25 percent of the educational program; or

(ii)(A) The ineligible institution or organization provides more than 25 percent but not more than 50 percent of the educational program;

(B) The eligible institution and the ineligible institution or organization are not owned or controlled by the same individual, partnership, or corporation; and

(C) The eligible institution's accrediting agency, or if the institution is a public postsecondary vocational educational institution, the State agency listed in the FEDERAL REGISTER in accordance with 34 CFR part 603, has specifically determined that the institution's arrangement meets the agency's standards for the contracting out of educational services.

(d) *Administration of title IV, HEA programs.* (1) If an institution enters into a written arrangement as described in paragraph (a), (b), or (c) of this section, except as provided in paragraph (d)(2) of this section, the institution at which the student is enrolled as a regular student must determine the student's eligibility for title IV, HEA program funds, and must calculate and disburse those funds to that student.

(2) In the case of a written arrangement between eligible institutions, the institutions may agree in writing to have any eligible institution in the written arrangement make those calculations and disbursements, and the

Secretary does not consider that institution to be a third-party servicer for that arrangement.

(3) The institution that calculates and disburses a student's title IV, HEA program assistance under paragraph (d)(1) or (d)(2) of this section must—

(i) Take into account all the hours in which the student enrolls at each institution that apply to the student's degree or certificate when determining the student's enrollment status and cost of attendance; and (ii) Maintain all records regarding the student's eligibility for and receipt of title IV, HEA program funds.

(3) Subtract from the total obtained under paragraph (f)(2) of this section the number of students who were enrolled in the program at the end of that award year.

(4) Determine the number of regular students who, during that award year, received within 150 percent of the published length of the educational program the degree, certificate, or other recognized educational credential awarded for successfully completing the program.

(5) Divide the number determined under paragraph (f)(4) of this section by the total obtained under paragraph (f)(3) of this section.

(iii) Divide the number of students determined under paragraph (g)(1)(ii) of this section by the total obtained

under paragraph (g)(1)(i) of this section.

(2) An institution shall document that each student described in paragraph (g)(1)(ii) of this section obtained gainful employment in the recognized occupation for which he or she was trained or in a related comparable recognized occupation. § 668.10 Direct assessment programs.

(a)(1) A *direct assessment program* is an instructional program that, in lieu of credit hours or clock hours as a measure of student learning, utilizes direct assessment of student learning, or recognizes the direct assessment of student learning by others. The assessment must be consistent with the accreditation of the institution or program utilizing the results of the assessment.

(2) Direct assessment of student learning means a measure by the institution of what a student knows and can do in terms of the body of knowledge making up the educational program. These measures provide evidence that a student has command of a specific subject, content area, or skill or that the student demonstrates a specific quality such as creativity, analysis or synthesis associated with the subject matter of the program. Examples of direct measures include projects, papers, examinations, presentations, performances, and portfolios.

(3) All regulatory requirements in this chapter that refer to credit or clock hours as a measurement apply to direct assessment programs. Because a direct assessment program does not utilize credit or clock hours as a measure of student learning, an institution must establish a methodology to reasonably equate the direct assessment program (or the direct assessment portion of any program, as applicable) to credit or clock hours for the purpose of complying with applicable regulatory requirements. The institution must provide a factual basis satisfactory to the Secretary for its claim that the program or portion of the program is equivalent to a specific number of credit or clock hours.

(i) An academic year in a direct assessment program is a period of instructional time that consists of a minimum of 30 weeks of instructional time during which, for an undergraduate educational program, a full-time student is expected to complete the equivalent of at least 24 semester or trimester credit hours, 36 quarter credit hours or 900 clock hours.

(ii) A payment period in a direct assessment program for which equivalence in credit hours has been established must be determined under the requirements in § 668.4(a) or (b), as applicable, using the academic year determined in accordance with paragraph (a)(3)(i) of this section (or the portion of that academic year comprising or remaining in the program). A payment period in a direct assessment program for which equivalence in clock hours has been established must be determined under the requirements in § 668.4(c), using the academic year determined in accordance with paragraph (a)(3)(i) of this section (or the portion of that academic year comprising or remaining in the program).

(iii) A week of instructional time in a direct assessment program is any seven-day period in which at least one day of educational activity occurs. Educational activity in a direct assessment program includes regularly scheduled learning sessions, faculty-guided independent study, consultations with a faculty mentor, development of an academic action plan addressed to competencies identified by the institution, or, in combination with any of the foregoing, assessments. It does not include credit for “life experience”.

(iv) A full-time student in a direct assessment program is an enrolled student who is carrying a full-time academic workload as determined by the institution under a standard applicable to all students enrolled in the program. However, for an undergraduate student, the institution’s minimum standard must equal or exceed the minimum full-time requirements specified in the definition of *full-time student* in § 668.2 based on the credit or clock hour equivalency established by the institution for the direct assessment program.

(v) A half-time student in a direct assessment program is an enrolled student who is carrying half of the academic workload of a full-time student in that program.

(vi) A three-quarter-time student in a direct assessment program is an enrolled student who is carrying three-quarters of the academic workload of a full-time student in that program.

(b) An institution that offers a direct assessment program must apply to the Secretary to have that program determined to be an eligible program for title IV, HEA program purposes. The institution’s application must provide information satisfactory to the Secretary that includes—

(1) A description of the educational program, including the educational credential offered (degree level or certificate) and the field of study;

(2) A description of how the assessment of student learning is done;

(3) A description of how the direct assessment program is structured, including information about how and when the institution determines on an individual basis what each student enrolled in the program needs to learn;

(4) A description of how the institution assists students in gaining the knowledge needed to pass the assessments;

(5) The number of semester or quarter credit hours, or clock hours, that are equivalent to the amount of student learning being directly assessed for the certificate or degree, as required by paragraph (b)(3) of this section;

(6) The methodology the institution uses to determine the number of credit or clock hours to which the program is equivalent;

(7) The methodology the institution uses to determine the number of credit or clock hours to which the portion of a program an individual student will need to complete is equivalent;

(8) Documentation from the institution’s accrediting agency indicating that the agency has evaluated the institution’s offering of direct assessment program(s) and has included the program(s) in the institution’s grant of accreditation;

(9) Documentation from the accrediting agency or relevant state licensing body indicating agreement with the institution’s claim of the direct assessment program’s equivalence in terms of credit or clock hours; and

(10) Any other information the Secretary may require to determine whether to approve the institution’s application.

(c) To be an eligible program, a direct assessment program must meet

the requirements in § 668.8 including, if applicable, minimum program length and qualitative factors.

(d) Notwithstanding paragraphs (a) through (c) of this section, no program offered by a foreign institution that involves direct assessment will be considered to be an eligible program under § 668.8.

(e) A direct assessment program may use learning resources (e.g., courses or portions of courses) that are provided by entities other than the institution providing the direct assessment program without regard to the limitations on contracting for part of an educational program in § 668.5(c)(3).

(f) Title IV, HEA program funds may be used only for learning that results from instruction provided, or overseen, by the institution, not for the portion of the program that the student has demonstrated mastery of prior to enrollment in the program or tests of learning that are not associated with educational activities overseen by the institution.

(g) Title IV, HEA program eligibility with respect to direct assessment programs is limited to direct assessment programs approved by the Secretary. Title IV, HEA program funds may not be used for—

(1) the course of study described in § 668.32(a)(1)(ii) and (iii) if offered by direct assessment, or

(2) remedial coursework described in § 668.20 offered by direct assessment. However, remedial instruction that is offered in credit or clock hours in conjunction with a direct assessment program is eligible for title IV, HEA program funds.

(h) The Secretary's approval of a direct assessment program expires on the date that the institution changes one or more aspects of the program described in the institution's application submitted under paragraph (b) of this section. To maintain program eligibility, the institution must obtain prior approval from the Secretary through reapplication under paragraph (b) of this section that sets forth the revisions proposed.

- (1) An emergency action.
- (2) The imposition of a fine.
- (3) The limitation, suspension, or termination of the participation of the institution in a Title IV, HEA program.

§ 668.12 [Reserved]

§ 668.13 Certification procedures.

(a) *Requirements for certification.* (1) The Secretary certifies an institution to participate in the title IV, HEA programs if the institution qualifies as an eligible institution under 34 CFR part 600, meets the standards of this subpart and 34 CFR part 668, subpart L, and satisfies the requirements of paragraph (a)(2) of this section.

(2) Except as provided in paragraph (a)(3) of this section, if an institution wishes to participate for the first time in the title IV, HEA programs or has undergone a change in ownership that results in a change in control as described in 34 CFR 600.31, the institution must require the following individuals to complete title IV, HEA program training provided or approved by the

§ 668.13

34 CFR Ch. VI (7-1-07 Edition)

Secretary no later than 12 months after the institution executes its program participation agreement under § 668.14:

(i) The individual the institution designates under § 668.16(b)(1) as its title IV, HEA program administrator.

(ii) The institution's chief administrator or a high level institutional official the chief administrator designates.

(3)(i) An institution may request the Secretary to waive the training requirement for any individual described in paragraph (a)(2) of this section.

(ii) When the Secretary receives a waiver request under paragraph (a)(3)(i) of this section, the Secretary may grant or deny the waiver, require another institutional official to take the training, or require alternative training.

(b) *Period of participation.* (1) If the Secretary certifies that an institution meets the standards of this subpart, the Secretary also specifies the period for which the institution may participate in a Title IV, HEA program. An institution's period of participation expires six years after the date that the Secretary certifies that the institution meets the standards of this subpart, except that the Secretary may specify a shorter period.

(2) Provided that an institution has submitted an application for a renewal of certification that is materially complete at least 90 days prior to the expiration of its current period of participation, the institution's existing certification will be extended on a month to month basis following the expiration of the institution's period of participation until the end of the month in which the Secretary issues a decision on the application for recertification.

(c) *Provisional certification.* (1) The Secretary may provisionally certify an institution if—

(i) The institution seeks initial participation in a Title IV, HEA program;

(ii) The institution is an eligible institution that has undergone a change in ownership that results in a change in control according to the provisions of 34 CFR part 600;

(iii) The institution is a participating institution—

(A) That is applying for a certification that the institution meets the standards of this subpart;

(B) That the Secretary determines has jeopardized its ability to perform its financial responsibilities by not meeting the factors of financial responsibility under § 668.15 or the standards of administrative capability under § 668.16; and

(C) Whose participation has been limited or suspended under subpart G of this part, or voluntarily enters into provisional certification;

(iv) The institution seeks a renewal of participation in a Title IV, HEA program after the expiration of a prior period of participation in that program; or

(v) The institution is a participating institution that was accredited or preaccredited by a nationally recognized accrediting agency on the day before the Secretary withdrew the Secretary's recognition of that agency according to the provisions contained in 34 CFR part 603.

(2) If the Secretary provisionally certifies an institution, the Secretary also specifies the period for which the institution may participate in a Title IV, HEA program. Except as provided in paragraphs (c) (3) and (4) of this section, a provisionally certified institution's period of participation expires—

(i) Not later than the end of the first complete award year following the date on which the Secretary provisionally certified the institution under paragraph (c)(1)(i) of this section;

(ii) Not later than the end of the third complete award year following the date on which the Secretary provisionally certified the institution under paragraphs (c)(1)(ii), (iii), (iv) or (e)(2) of this section; and

(iii) If the Secretary provisionally certified the institution under paragraph (c)(1)(v) of this section, not later than 18 months after the date that the Secretary withdrew recognition from the institutions nationally recognized accrediting agency.

(3) Notwithstanding the maximum periods of participation provided for in paragraph (c)(2) of this section, if the Secretary provisionally certifies an institution, the Secretary may specify a

shorter period of participation for that institution.

(4) For the purposes of this section, "provisional certification" means that the Secretary certifies that an institution has demonstrated to the Secretary's satisfaction that the institution—

(i) Is capable of meeting the standards of this subpart within a specified period; and

(ii) Is able to meet the institution's responsibilities under its program participation agreement, including compliance with any additional conditions specified in the institution's program participation agreement that the Secretary requires the institution to meet in order for the institution to participate under provisional certification.

(d) *Revocation of provisional certification.* (1) If, before the expiration of a provisionally certified institution's period of participation in a Title IV, HEA program, the Secretary determines that the institution is unable to meet its responsibilities under its program participation agreement, the Secretary may revoke the institution's provisional certification for participation in that program.

(2)(i) If the Secretary revokes the provisional certification of an institution under paragraph (d)(1) of this section, the Secretary sends the institution a notice by certified mail, return receipt requested. The Secretary also may transmit the notice by other, more expeditious means, if practical.

(ii) The revocation takes effect on the date that the Secretary mails the notice to the institution.

(iii) The notice states the basis for the revocation, the consequences of the revocation to the institution, and that the institution may request the Secretary to reconsider the revocation. The consequences of a revocation are described in § 668.26.

(3)(i) An institution may request reconsideration of a revocation under this section by submitting to the Secretary, within 20 days of the institution's receipt of the Secretary's notice, written evidence that the revocation is unwarranted. The institution must file the request with the Secretary by hand-delivery, mail, or facsimile transmission.

(ii) The filing date of the request is the date on which the request is—

(A) Hand-delivered;

(B) Mailed; or

(C) Sent by facsimile transmission.

(iii) Documents filed by facsimile transmission must be transmitted to the Secretary in accordance with instructions provided by the Secretary in the notice of revocation. An institution filing by facsimile transmission is responsible for confirming that a complete and legible copy of the document was received by the Secretary.

(iv) The Secretary discourages the use of facsimile transmission for documents longer than five pages.

(4)(i) The designated department official making the decision concerning an institution's request for reconsideration of a revocation is different from, and not subject to supervision by, the official who initiated the revocation of the institution's provisional certification. The deciding official promptly considers an institution's request for reconsideration of a revocation and notifies the institution, by certified mail, return receipt requested, of the final decision. The Secretary also may transmit the notice by other, more expeditious means, if practical.

(ii) If the Secretary determines that the revocation is warranted, the Secretary's notice informs the institution that the institution may apply for reinstatement of participation only after the later of the expiration of—

(A) Eighteen months after the effective date of the revocation; or

(B) A debarment or suspension of the institution under Executive Order (E.O.) 12549 (3 CFR, 1986 comp., p. 189) or the Federal Acquisition Regulations, 48 CFR part 9, subpart 9.4.

(iii) If the Secretary determines that the revocation of the institution's provisional certification is unwarranted, the Secretary's notice informs the institution that the institution's provisional certification is reinstated, effective on the date that the Secretary's original revocation notice was mailed, for a specified period of time.

(5)(i) The mailing date of a notice of revocation or a request for reconsideration of a revocation is the date evidenced on the original receipt of mailing from the U.S. Postal Service.

(ii) The date on which a request for reconsideration of a revocation is submitted is—

(A) If the request was sent by a delivery service other than the U.S. Postal Service, the date evidenced on the original receipt by that service; and

(B) If the request was sent by facsimile transmission, the date that the document is recorded as received by facsimile equipment that receives the transmission.

(a)(1) An institution may participate in any Title IV, HEA program, other than the LEAP and NEISP programs, only if the institution enters into a written program participation agreement with the Secretary, on a form approved by the Secretary. A program participation agreement conditions the initial and continued participation of an eligible institution in any Title IV, HEA program upon compliance with the provisions of this part, the individual program regulations, and any additional conditions specified in the program participation agreement that the Secretary requires the institution to meet.

(2) An institution's program participation agreement applies to each branch campus and other location of the institution that meets the applicable requirements of this part unless otherwise specified by the Secretary.

(b) By entering into a program participation agreement, an institution agrees that—

(1) It will comply with all statutory provisions of or applicable to Title IV of the HEA, all applicable regulatory provisions prescribed under that statutory authority, and all applicable special arrangements, agreements, and limitations entered into under the authority of statutes applicable to Title

IV of the HEA, including the requirement that the institution will use funds it receives under any Title IV, HEA program and any interest or other earnings thereon, solely for the purposes specified in and in accordance with that program;

(4) It will establish and maintain such administrative and fiscal procedures and records as may be necessary to ensure proper and efficient administration of funds received from the Secretary or from students under the Title IV, HEA programs, together with assurances that the institution will provide, upon request and in a timely manner, information relating to the administrative capability and financial responsibility of the institution to—

(i) The Secretary;

(ii) A guaranty agency, as defined in 34 CFR part 682, that guarantees loans made under the Federal Stafford Loan and Federal PLUS programs for attendance at the institution or any of the institution's branch campuses or other locations;

(iv) The State agency that legally authorizes the institution and any branch campus or other location of the institution to provide postsecondary education; and

(v) In the case of a public postsecondary vocational educational institution that is approved by a State agency recognized for the approval of public postsecondary vocational education, that State agency;

(7) It will submit reports to the Secretary and, in the case of an institution participating in the Federal Stafford Loan, Federal PLUS, or the Federal Perkins Loan Program, to holders of loans made to the institution's students under that program at such times and containing such information as the Secretary may reasonably require to carry out the purpose of the Title IV, HEA programs;

(8) It will not provide any statement to any student or certification to any lender in the case of an FFEL Program loan, or origination record to the Secretary in the case of a Direct Loan Program loan that qualifies the student or parent for a loan or loans in excess of the amount that the student or parent is eligible to borrow in accordance with sections 425(a), 428(a)(2), 428(b)(1)(A) and (B), 428B, 428H, and 455(a) of the HEA;

(9) It will comply with the requirements of subpart D of this part concerning institutional and financial assistance information for students and prospective students;

(10) In the case of an institution that advertises job placement rates as a means of attracting students to enroll in the institution, it will make available to prospective students, at or before the time that those students apply for enrollment—

(i) The most recent available data concerning employment statistics, graduation statistics, and any other information necessary to substantiate the truthfulness of the advertisements; and

(ii) Relevant State licensing requirements of the State in which the institution is located for any job for which an educational program offered by the institution is designed to prepare those prospective students;

(11) In the case of an institution participating in the FFEL program, the institution will inform all eligible borrowers, as defined in 34 CFR part 682, enrolled in the institution about the availability and eligibility of those

borrowers for State grant assistance from the State in which the institution is located, and will inform borrowers from another State of the source of further information concerning State grant assistance from that State;

(12) It will provide the certifications described in paragraph (c) of this section;

(13) In the case of an institution whose students receive financial assistance pursuant to section 484(d) of the HEA, the institution will make available to those students a program proven successful in assisting students in obtaining the recognized equivalent of a high school diploma;

(14) It will not deny any form of Federal financial aid to any eligible student solely on the grounds that the student is participating in a program of study abroad approved for credit by the institution;

(15)(i) Except as provided under paragraph (b)(15)(ii) of this section, the institution will use a default management plan approved by the Secretary with regard to its administration of the FFEL or Direct Loan programs, or both for at least the first two years of its participation in those programs, if the institution—

(A) Is participating in the FFEL or Direct Loan programs for the first time; or

(B) Is an institution that has undergone a change of ownership that results in a change in control and is participating in the FFEL or Direct Loan programs.

(ii) The institution does not have to use an approved default management plan if—

(A) The institution, including its main campus and any branch campus, does not have a cohort default rate in excess of 10 percent; and

(B) The owner of the institution does not own and has not owned any other institution that had a cohort default rate in excess of 10 percent while that owner owned the institution.

(16) [Reserved]

(17) The Secretary, guaranty agencies and lenders as defined in 34 CFR part 682, nationally recognized accrediting agencies, the Secretary of Veterans Affairs, State agencies recognized under

34 CFR part 603 for the approval of public postsecondary vocational education, and State agencies that legally authorize institutions and branch campuses or other locations of institutions to provide postsecondary education, have the authority to share with each other any information pertaining to the institution's eligibility for or participation in the Title IV, HEA programs or any information on fraud and abuse;

(18) It will not knowingly—

(i) Employ in a capacity that involves the administration of the Title IV, HEA programs or the receipt of funds under those programs, an individual who has been convicted of, or has pled *nolo contendere* or guilty to, a crime involving the acquisition, use, or expenditure of Federal, State, or local government funds, or has been administratively or judicially determined to have committed fraud or any other material violation of law involving Federal, State, or local government funds;

(ii) Contract with an institution or third-party servicer that has been terminated under section 432 of the HEA for a reason involving the acquisition, use, or expenditure of Federal, State, or local government funds, or that has been administratively or judicially determined to have committed fraud or any other material violation of law involving Federal, State, or local government funds; or

(iii) Contract with or employ any individual, agency, or organization that has been, or whose officers or employees have been—

(A) Convicted of, or pled *nolo contendere* or guilty to, a crime involving the acquisition, use, or expenditure of Federal, State, or local government funds; or

(B) Administratively or judicially determined to have committed fraud or any other material violation of law involving Federal, State, or local government funds;

(19) It will complete, in a timely manner and to the satisfaction of the Secretary, surveys conducted as a part of the Integrated Postsecondary Education Data System (IPEDS) or any other Federal collection effort, as designated by the Secretary, regarding data on postsecondary institutions;

(20) In the case of an institution that is co-educational and has an intercollegiate athletic program, it will comply with the provisions of § 668.48;

(21) It will not impose any penalty, including, but not limited to, the assessment of late fees, the denial of access to classes, libraries, or other institutional facilities, or the requirement that the student borrow additional funds for which interest or other charges are assessed, on any student because of the student's inability to meet his or her financial obligations to the institution as a result of the delayed disbursement of the proceeds of a Title IV, HEA program loan due to compliance with statutory and regulatory requirements of or applicable to the Title IV, HEA programs, or delays attributable to the institution;

(22)(i) It will not provide any commission, bonus, or other incentive payment based directly or indirectly upon success in securing enrollments or financial aid to any person or entity engaged in any student recruiting or admission activities or in making decisions regarding the awarding of title IV, HEA program funds, except that this limitation does not apply to the recruitment of foreign students residing in foreign countries who are not eligible to receive title IV, HEA program funds.

(ii) Activities and arrangements that an institution may carry out without violating the provisions of paragraph (b)(22)(i) of this section include, but are not limited to:

(A) The payment of fixed compensation, such as a fixed annual salary or a fixed hourly wage, as long as that compensation is not adjusted up or down more than twice during any twelve month period, and any adjustment is not based solely on the number of students recruited, admitted, enrolled, or awarded financial aid. For this purpose, an increase in fixed compensation resulting from a cost of living increase that is paid to all or substantially all full-time employees is not considered an adjustment.

(B) Compensation to recruiters based upon their recruitment of students who enroll only in programs that are not eligible for title IV, HEA program funds.

(C) Compensation to recruiters who arrange contracts between the institution and an employer under which the employer's employees enroll in the institution, and the employer pays, directly or by reimbursement, 50 percent or more of the tuition and fees charged to its employees; provided that the compensation is not based upon the number of employees who enroll in the institution, or the revenue they generate, and the recruiters have no contact with the employees.

(D) Compensation paid as part of a profit-sharing or bonus plan, as long as those payments are substantially the same amount or the same percentage of salary or wages, and made to all or substantially all of the institution's full-time professional and administrative staff. Such payments can be limited to all, or substantially all of the full-time employees at one or more organizational level at the institution, except that an organizational level may not consist predominantly of recruiters, admissions staff, or financial aid staff.

(E) Compensation that is based upon students successfully completing their educational programs, or one academic year of their educational programs, whichever is shorter. For this purpose, successful completion of an academic year means that the student has earned at least 24 semester or trimester credit hours or 36 quarter credit hours, or has successfully completed at least 900 clock hours of instruction at the institution.

(F) Compensation paid to employees who perform clerical "pre-enrollment" activities, such as answering telephone calls, referring inquiries, or distributing institutional materials.

(G) Compensation to managerial or supervisory employees who do not directly manage or supervise employees who are directly involved in recruiting or admissions activities, or the awarding of title IV, HEA program funds.

(H) The awarding of token gifts to the institution's students or alumni, provided that the gifts are not in the form of money, no more than one gift is provided annually to an individual, and the cost of the gift is not more than \$100.

(I) Profit distributions proportionately based upon an individual's ownership interest in the institution.

(J) Compensation paid for Internet-based recruitment and admission activities that provide information about the institution to prospective students, refer prospective students to the institution, or permit prospective students to apply for admission on-line.

(K) Payments to third parties, including tuition sharing arrangements, that deliver various services to the institution, provided that none of the services involve recruiting or admission activities, or the awarding of title IV, HEA program funds.

(L) Payments to third parties, including tuition sharing arrangements, that deliver various services to the institution, even if one of the services involves recruiting or admission activities or the awarding of title IV, HEA program funds, provided that the individuals performing the recruitment or admission activities, or the awarding of title IV, HEA program funds, are not compensated in a manner that would be impermissible under paragraph (b)(22) of this section.

(23) It will meet the requirements established pursuant to part H of Title IV of the HEA by the Secretary and nationally recognized accrediting agencies;

(24) It will comply with the requirements of § 668.22;

(25) It is liable for all—

(i) Improperly spent or unspent funds received under the Title IV, HEA programs, including any funds administered by a third-party servicer; and

(ii) Returns of title IV, HEA program funds that the institution or its servicer may be required to make; and

(26) If the stated objectives of an educational program of the institution are to prepare a student for gainful employment in a recognized occupation, the institution will—

(i) Demonstrate a reasonable relationship between the length of the program and entry level requirements for the recognized occupation for which the program prepares the student. The Secretary considers the relationship to be reasonable if the number of clock hours provided in the program does not exceed by more than 50 percent the

§ 668.15

34 CFR Ch. VI (7-1-07 Edition)

minimum number of clock hours required for training in the recognized occupation for which the program prepares the student, as established by the State in which the program is offered, if the State has established such a requirement, or as established by any Federal agency; and

(ii) Establish the need for the training for the student to obtain employment in the recognized occupation for which the program prepares the student.

(c) In order to participate in any Title IV, HEA program (other than the LEAP and NEISP programs), the institution must certify that it—

(1) Has in operation a drug abuse prevention program that the institution has determined to be accessible to any officer, employee, or student at the institution; and

(2)(i) Has established a campus security policy in accordance with section 485(f) of the HEA; and

(ii) Has complied with the disclosure requirements of § 668.47 as required by section 485(f) of the HEA.

(d)(1) The institution, if located in a State to which section 4(b) of the National Voter Registration Act (42 U.S.C. 1973gg-2(b)) does not apply, will make a good faith effort to distribute a mail voter registration form, requested and received from the State, to each student enrolled in a degree or certificate program and physically in attendance at the institution, and to make those forms widely available to students at the institution.

(2) The institution must request the forms from the State 120 days prior to the deadline for registering to vote within the State. If an institution has not received a sufficient quantity of forms to fulfill this section from the State within 60 days prior to the deadline for registering to vote in the State, the institution is not liable for not meeting the requirements of this section during that election year.

(3) This paragraph applies to elections as defined in section 301(1) of the Federal Election Campaign Act of 1971 (2 U.S.C. 431(1)), and includes the election for Governor or other chief executive within such State.

(e)(1) A program participation agreement becomes effective on the date

that the Secretary signs the agreement.

(2) A new program participation agreement supersedes any prior program participation agreement between the Secretary and the institution.

(f)(1) Except as provided in paragraphs (h) and (i) of this section, the Secretary terminates a program participation agreement through the proceedings in subpart G of this part.

(2) An institution may terminate a program participation agreement.

(3) If the Secretary or the institution terminates a program participation agreement under paragraph (g) of this section, the Secretary establishes the termination date.

(g) An institution's program participation agreement automatically expires on the date that—

(1) The institution changes ownership that results in a change in control as determined by the Secretary under 34 CFR part 600; or

(2) The institution's participation ends under the provisions of § 668.26(a) (1), (2), (4), or (7).

(i) The institution is in violation of any existing loan agreement at its fiscal year end, as disclosed in a note to its audited financial statement; or

(ii) the institution fails to make a payment in accordance with existing debt obligations for more than 120 days, and at least one creditor has filed suit to recover those funds;

(5) Except as provided in paragraph (d) of this section, in accordance with procedures established by the Secretary, submits to the Secretary an irrevocable letter of credit, acceptable and payable to the Secretary equal to 25 percent of the total dollar amount of Title IV, HEA program refunds paid by the institution in the previous fiscal year;

(ii) A disclaimed or adverse opinion by the accountant;

(7) For a for-profit institution—

(i)(A) Demonstrates at the end of its latest fiscal year, an acid test ratio of at least 1:1. For purposes of this section, the acid test ratio shall be calculated by adding cash and cash equivalents to current accounts receivable and dividing the sum by total current liabilities. The calculation of the acid test ratio shall exclude all unsecured or uncollateralized related party receivables;

(B) Has not had operating losses in either or both of its two latest fiscal years that in sum result in a decrease

in tangible net worth in excess of 10 percent of the institution's tangible net worth at the beginning of the first year of the two-year period. The Secretary may calculate an operating loss for an institution by excluding from net income: extraordinary gains or losses; income or losses from discontinued operations; prior period adjustment; and, the cumulative effect of changes in accounting principle. For purposes of this section, the calculation of tangible net worth shall exclude all assets defined as intangible in accordance with generally accepted accounting principles; and

The calculation of the acid test ratio shall exclude all unsecured or uncollateralized related party receivables.

(C)(1) Has, at the end of its latest fiscal year, a positive unrestricted current fund balance or positive unrestricted net assets. In calculating the unrestricted current fund balance or

the unrestricted net assets for an institution, the Secretary may include funds that are temporarily restricted in use by the institution's governing body that can be transferred to the current unrestricted fund or added to net unrestricted assets at the discretion of the governing body; or

(2) Has not had, an excess of current fund expenditures over current fund revenues over both of its 2 latest fiscal years that results in a decrease exceeding 10 percent in either the unrestricted current fund balance or the unrestricted net assets at the beginning of the first year of the 2-year period. The Secretary may exclude from net changes in fund balances for the operating loss calculation: Extraordinary gains or losses; income or losses from discontinued operations; prior period adjustment; and the cumulative effect of changes in accounting principle. In calculating the institution's unrestricted current fund balance or the unrestricted net assets, the Secretary may include funds that are temporarily restricted in use by the institution's governing body that can be transferred to the current unrestricted fund or added to net unrestricted assets at the discretion of the governing body; or

(ii) Demonstrates to the satisfaction of the Secretary that it has currently issued and outstanding debt obligations which are (without insurance, guarantee, or credit enhancement) listed at or above the second highest rating level of credit quality given by a nationally recognized statistical rating organization.

(1) A person who exercises substantial control over the institution or any member or members of the person's family alone or together—

(i)(A) Exercises or exercised substantial control over another institution or a third-party servicer that owes a liability for a violation of a Title IV, HEA program requirement; or

(B) Owes a liability for a violation of a Title IV, HEA program requirement; and

(ii) That person, family member, institution, or servicer does not demonstrate that the liability is being repaid in accordance with an agreement with the Secretary; or

(2) The institution has—

(i) Been limited, suspended, terminated, or entered into a settlement agreement to resolve a limitation, suspension, or termination action initiated by the Secretary or a guaranty agency (as defined in 34 CFR part 682) within the preceding five years;

(B) A program review finding, during its two most recent program reviews, of its conduct of the Title IV, HEA programs that resulted in the institution's being required to repay an amount greater than five percent of the funds that the institution received under the Title IV, HEA programs for any award year covered by the program review;

(A)(I) Is located in, and is legally authorized to operate within, a State that has a tuition recovery fund that is acceptable to the Secretary and ensures that the institution is able to pay all required refunds; and

(2) Contributes to that tuition recovery fund.

(B) Has its liabilities backed by the full faith and credit of the State, or by an equivalent governmental entity; or

(C) As determined under paragraph (g) of this section, demonstrates, to the satisfaction of the Secretary, that for each of the institution's two most recently completed fiscal years, it has made timely refunds to students in accordance with § 668.22(j), and that it has met or exceeded all of the financial responsibility standards in this section that were in effect for the corresponding periods during the two-year period.

(ii) In evaluating an application to approve a State tuition recovery fund to exempt its participating schools from the Federal cash reserve requirements, the Secretary will consider the extent to which the State tuition recovery fund:

(A) Provides refunds to both in-state and out-of-state students;

(B) Allocates all refunds in accordance with the order delineated in § 668.22(i); and

(C) Provides a reliable mechanism for the State to replenish the fund should any claims arise that deplete the funds assets.

(ii) Establishes to the satisfaction of the Secretary, with the support of a financial statement submitted in accordance with paragraph (e) of this section, that the institution has sufficient resources to ensure against its precipitous closure, including the ability to meet all of its financial obligations (including refunds of institutional charges and repayments to the Secretary for liabilities and debts incurred in programs administered by the Secretary). The Secretary considers the institution to have sufficient resources to ensure against precipitous closure only if—

(A) The institution formerly demonstrated financial responsibility under the standards of financial responsibility in its preceding audited financial statement (or, if no prior audited financial statement was requested by the Secretary, demonstrates in conjunction with its current audit that it would have satisfied this requirement), and that its most recent audited financial statement indicates that—

(1) All taxes owed by the institution are current;

(2) The institution's net income, or a change in total net assets, before extraordinary items and discontinued operations, has not decreased by more than 10 percent from the prior fiscal year, unless the institution demonstrates that the decreased net income shown on the current financial statement is a result of downsizing pursuant to a management-approved business plan;

(3) Loans and other advances to related parties have not increased from the prior fiscal year unless such increases were secured and collateralized, and do not exceed 10

percent of the prior fiscal year's working capital of the institution;

(4) The equity of a for-profit institution, or the total net assets of a non-profit institution, have not decreased by more than 10 percent of the prior year's total equity;

For purposes of this section, a person does not become a related party by attending an institution as a student;

(B) There have been no material findings in the institution's latest compliance audit of its administration of the Title IV HEA programs; and

(C) There are no pending administrative or legal actions being taken against the institution by the Secretary, any other Federal agency, the institution's nationally recognized accrediting agency, or any State entity.

(3) An institution is not required to meet the acid test ratio in paragraph (b)(7)(i)(A) or (b)(8)(i)(B) of this section if the institution is an institution that provides a 2-year or 4-year educational program for which the institution awards an associate or baccalaureate degree that demonstrates to the satisfaction of the Secretary that—

(i) There is no reasonable doubt as to its continued solvency and ability to deliver quality educational services;

(ii) It is current in its payment of all current liabilities, including student refunds, repayments to the Secretary, payroll, and payment of trade creditors and withholding taxes; and

(iii) It has substantial equity in institution-occupied facilities, the acquisition of which was the direct cause of

its failure to meet the acid test ratio requirement.

(4) The Secretary may determine an institution to be financially responsible even if the institution is not otherwise financially responsible under paragraph (c)(1) of this section if—

(i) The institution notifies the Secretary, in accordance with 34 CFR 600.30, that the person referenced in paragraph (c)(1) of this section exercises substantial control over the institution; and

(ii)(A) The person repaid to the Secretary a portion of the applicable liability, and the portion repaid equals or exceeds the greater of—

(1) The total percentage of the ownership interest held in the institution or third-party servicer that owes the liability by that person or any member or members of that person's family, either alone or in combination with one another;

(2) The total percentage of the ownership interest held in the institution or servicer that owes the liability that the person or any member or members of the person's family, either alone or in combination with one another, represents or represented under a voting trust, power of attorney, proxy, or similar agreement; or

(3) Twenty-five percent, if the person or any member of the person's family is or was a member of the board of directors, chief executive officer, or other executive officer of the institution or servicer that owes the liability, or of an entity holding at least a 25 percent ownership interest in the institution that owes the liability;

(B) The applicable liability described in paragraph (c)(1) of this section is currently being repaid in accordance with a written agreement with the Secretary; or

(C) The institution demonstrates why—

(1) The person who exercises substantial control over the institution should nevertheless be considered to lack that control; or

(2) The person who exercises substantial control over the institution and each member of that person's family

nevertheless does not or did not exercise substantial control over the institution or servicer that owes the liability.

(e) [Reserved]

§ 668.16 Standards of administrative capability.

To begin and to continue to participate in any Title IV, HEA program, an institution shall demonstrate to the Secretary that the institution is capable of adequately administering that program under each of the standards established in this section. The Secretary considers an institution to have that administrative capability if the institution—

(a) Administers the Title IV, HEA programs in accordance with all statutory provisions of or applicable to Title IV of the HEA, all applicable regulatory provisions prescribed under that statutory authority, and all applicable special arrangements, agreements, and limitations entered into under the authority of statutes applicable to Title IV of the HEA;

(b)(1) Designates a capable individual to be responsible for administering all the Title IV, HEA programs in which it participates and for coordinating those programs with the institution's other Federal and non-Federal programs of student financial assistance. The Secretary considers an individual to be "capable" under this paragraph if the individual is certified by the State in which the institution is located, if the State requires certification of financial aid administrators. The Secretary may consider other factors in determining whether an individual is capable, including, but not limited to, the individual's successful completion of Title IV, HEA program training provided or approved by the Secretary, and previous experience and documented success in administering the Title IV, HEA programs properly;

(2) Uses an adequate number of qualified persons to administer the Title IV, HEA programs in which the institution participates. The Secretary considers the following factors to determine whether an institution uses an adequate number of qualified persons—

(i) The number and types of programs in which the institution participates;

(ii) The number of applications evaluated;

(iii) The number of students who receive any student financial assistance at the institution and the amount of funds administered;

(iv) The financial aid delivery system used by the institution;

(v) The degree of office automation used by the institution in the administration of the Title IV, HEA programs;

(vi) The number and distribution of financial aid staff; and

(vii) The use of third-party servicers to aid in the administration of the Title IV, HEA programs;

(3) Communicates to the individual designated to be responsible for administering Title IV, HEA programs, all the information received by any institutional office that bears on a student's eligibility for Title IV, HEA program assistance; and

(4) Has written procedures for or written information indicating the responsibilities of the various offices with respect to the approval, disbursement, and delivery of Title IV, HEA program assistance and the preparation and submission of reports to the Secretary;

(c)(1) Administers Title IV, HEA programs with adequate checks and balances in its system of internal controls; and

(2) Divides the functions of authorizing payments and disbursing or delivering funds so that no office has responsibility for both functions with respect to any particular student aided under the programs. For example, the functions of authorizing payments and disbursing or delivering funds must be divided so that for any particular student aided under the programs, the two functions are carried out by at least two organizationally independent individuals who are not members of the same family, as defined in §668.15, or who do not together exercise substantial control, as defined in §668.15, over the institution;

(d) Establishes and maintains records required under this part and the individual Title IV, HEA program regulations;

(e) For purposes of determining student eligibility for assistance under a Title IV, HEA program, establishes, publishes, and applies reasonable standards for measuring whether an otherwise eligible student is maintaining satisfactory progress in his or her educational program. The Secretary considers an institution's standards to be reasonable if the standards—

(1) Are the same as or stricter than the institution's standards for a student enrolled in the same educational program who is not receiving assistance under a Title IV, HEA program;

(2) Include the following elements:

(i) A qualitative component which consists of grades (provided that the standards meet or exceed the require-

ments of §668.34), work projects completed, or comparable factors that are measurable against a norm.

(ii) A quantitative component that consists of a maximum timeframe in which a student must complete his or her educational program. The timeframe must—

(A) For an undergraduate program, be no longer than 150 percent of the published length of the educational program measured in academic years, terms, credit hours attempted, clock hours completed, etc. as appropriate;

(B) Be divided into increments, not to exceed the lesser of one academic year or one-half the published length of the educational program;

(C) Include a schedule established by the institution designating the minimum percentage or amount of work that a student must successfully complete at the end of each increment to complete his or her educational program within the maximum timeframe; and

(D) Include specific policies defining the effect of course incompletes, withdrawals, repetitions, and noncredit remedial courses on satisfactory progress;

(3) Provide for consistent application of standards to all students within categories of students, e.g., full-time, part-time, undergraduate, and graduate students, and educational programs established by the institution;

(4) Provide for a determination at the end of each increment by the institution as to whether the student has met the qualitative and quantitative components of the standards (as provided for in paragraphs (e)(2)(i) and (ii) of this section);

(5) Provide specific procedures under which a student may appeal a determination that the student is not making satisfactory progress; and

(6) Provide specific procedures for a student to re-establish that he or she is maintaining satisfactory progress.

(f) Develops and applies an adequate system to identify and resolve discrepancies in the information that the institution receives from different sources with respect to a student's application for financial aid under Title IV, HEA programs. In determining whether the institution's system is

adequate, the Secretary considers whether the institution obtains and reviews—

(1) All student aid applications, need analysis documents, Statements of Educational Purpose, Statements of Registration Status, and eligibility notification documents presented by or on behalf of each applicant;

(2) Any documents, including any copies of State and Federal income tax returns, that are normally collected by the institution to verify information received from the student or other sources; and

(g) Refers to the Office of Inspector General of the Department of Education for investigation—

(1) After conducting the review of an application provided for under paragraph (f) of this section, any credible information indicating that an applicant for Title IV, HEA program assistance may have engaged in fraud or other criminal misconduct in connection with his or her application. The type of information that an institution must refer is that which is relevant to the eligibility of the applicant for Title IV, HEA program assistance, or the amount of the assistance. Examples of this type of information are—

(i) False claims of independent student status;

(ii) False claims of citizenship;

(iii) Use of false identities;

(iv) Forgery of signatures or certifications; and

(v) False statements of income; and

(2) Any credible information indicating that any employee, third-party servicer, or other agent of the institution that acts in a capacity that involves the administration of the Title IV, HEA programs, or the receipt of funds under those programs, may have engaged in fraud, misrepresentation, conversion or breach of fiduciary responsibility, or other illegal conduct involving the Title IV, HEA programs. The type of information that an insti-

tution must refer is that which is relevant to the eligibility and funding of the institution and its students through the Title IV, HEA programs;

(h) Provides adequate financial aid counseling to eligible students who apply for Title IV, HEA program assistance. In determining whether an institution provides adequate counseling, the Secretary considers whether its counseling includes information regarding—

(1) The source and amount of each type of aid offered;

(2) The method by which aid is determined and disbursed, delivered, or applied to a student's account; and

(3) The rights and responsibilities of the student with respect to enrollment at the institution and receipt of financial aid. This information includes the institution's refund policy, the requirements for the treatment of title IV, HEA program funds when a student withdraws under § 668.22, its standards of satisfactory progress, and other conditions that may alter the student's aid package;

(i) Has provided all program and fiscal reports and financial statements required for compliance with the provisions of this part and the individual program regulations in a timely manner;

(j) Shows no evidence of significant problems that affect, as determined by the Secretary, the institution's ability to administer a Title IV, HEA program and that are identified in—

(1) Reviews of the institution conducted by the Secretary, the Department of Education's Office of Inspector General, nationally recognized accrediting agencies, guaranty agencies as defined in 34 CFR part 682, the State agency or official by whose authority the institution is legally authorized to provide postsecondary education, or any other law enforcement agency; or

(2) Any findings made in any criminal, civil, or administrative proceeding;

(k) Is not, and does not have any principal or affiliate of the institution (as those terms are defined in 34 CFR part 85) that is—

(1) Debarred or suspended under Executive Order (E.O.) 12549 (3 CFR, 1986

Off. of Postsecondary Educ., Education

§ 668.19

Comp., p. 189) or the Federal Acquisition Regulations (FAR), 48 CFR part 9, subpart 9.4; or

(2) Engaging in any activity that is a cause under 34 CFR 85.305 or 85.405 for debarment or suspension under E.O. 12549 (3 CFR, 1986 Comp., p. 189) or the FAR, 48 CFR part 9, subpart 9.4;

(1) For an institution that seeks initial participation in a Title IV, HEA program, does not have more than 33 percent of its undergraduate regular students withdraw from the institution during the institution's latest completed award year. (ii) As defined in 34 CFR 674.5, on loans made under the Federal Perkins Loan Program to students for attendance at that institution that does not exceed 15 percent;

(2)(i) However, if the Secretary determines that an institution's administrative capability is impaired solely because the institution fails to comply with paragraph (m)(1) of this section, the Secretary allows the institution to continue to participate in the Title IV, HEA programs but may provisionally certify the institution in accordance with § 668.13(c); and

(ii) The institution may appeal the loss of full participation in a Title IV, HEA program under paragraph (m)(1) of this section by submitting an erroneous data appeal in writing to the Secretary in accordance with and on the grounds specified in subpart M of this part;

(n) Does not otherwise appear to lack the ability to administer the Title IV, HEA programs competently; and

(o) Participates in the electronic processes that the Secretary—

(1) Provides at no substantial charge to the institution; and

(2) Identifies through a notice published in the FEDERAL REGISTER.

§ 668.19 Financial aid history.

(a) Before an institution may disburse title IV, HEA program funds to a student who previously attended another eligible institution, the institution must use information it obtains from the Secretary, through the National Student Loan Data System (NSLDS) or its successor system, to determine—

(1) Whether the student is in default on any title IV, HEA program loan;

(2) Whether the student owes an overpayment on any title IV, HEA program grant or Federal Perkins Loan;

(3) For the award year for which a Federal Pell Grant, an ACG, or a National SMART Grant is requested, the student's Scheduled Federal Pell Grant, ACG, or National SMART Grant Award and the amount of Federal Pell Grant, ACG, or National SMART Grant funds disbursed to the student;

(4) The outstanding principal balance of loans made to the student under each of the title IV, HEA loan programs; and

(5) For the academic year for which title IV, HEA aid is requested, the amount of, and period of enrollment for, loans made to the student under each of the title IV, HEA loan programs.

(b)(1) If a student transfers from one institution to another institution during the same award year, the institution to which the student transfers must request from the Secretary, through NSLDS, updated information about that student so it can make the

determinations required under paragraph (a) of this section; and

(2) The institution may not make a disbursement to that student for seven days following its request, unless it receives the information from NSLDS in response to its request or obtains that information directly by accessing NSLDS, and the information it receives allows it to make that disbursement.

§ 668.20 Limitations on remedial coursework that is eligible for Title IV, HEA program assistance.

(a) A noncredit or reduced credit remedial course is a course of study designed to increase the ability of a student to pursue a course of study leading to a certificate or degree.

(1) A noncredit remedial course is one for which no credit is given toward a certificate or degree; and

(2) A reduced credit remedial course is one for which reduced credit is given toward a certificate or degree.

(b) Except as provided in paragraphs (c) and (d) of this section, in determining a student's enrollment status and cost of attendance, an institution shall include any noncredit or reduced credit remedial course in which the student is enrolled. The institution shall attribute the number of credit or clock hours to a noncredit or reduced credit remedial course by—

(1) Calculating the number of classroom and homework hours required for that course;

(2) Comparing those hours with the hours required for nonremedial courses in a similar subject; and

(3) Giving the remedial course the same number of credit or clock hours it gives the nonremedial course with the most comparable classroom and homework requirements.

(c) In determining a student's enrollment status under the Title IV, HEA programs or a student's cost of attendance under the campus-based, FFEL, and Direct Loan programs, an institution may not take into account any

noncredit or reduced credit remedial course if—

(1) That course is part of a program of instruction leading to a high school diploma or the recognized equivalent of a high school diploma, even if the course is necessary to enable the student to complete a degree or certificate program;

(2) The educational level of instruction provided in the noncredit or reduced credit remedial course is below the level needed to pursue successfully the degree or certificate program offered by that institution after one year in that remedial course; or

(3) Except for a course in English as a second language, the educational level of instruction provided in that course is below the secondary level. For purposes of this section, the Secretary considers a course to be below the secondary level if any of the following entities determine that course to be below the secondary level:

(i) The State agency that legally authorized the institution to provide postsecondary education.

(ii) In the case of an accredited or preaccredited institution, the nationally recognized accrediting agency or association that accredits or preaccredits the institution.

(iii) In the case of a public postsecondary vocational institution that is approved by a State agency recognized for the approval of public postsecondary vocational education, the State agency recognized for the approval of public postsecondary vocational education that approves the institution.

(iv) The institution.

(d) Except as set forth in paragraph (f) of this section, an institution may not take into account more than one academic year's worth of noncredit or reduced credit remedial coursework in determining—

(1) A student's enrollment status under the title IV, HEA programs; and

(2) A student's cost of attendance under the campus-based, FFEL, and Direct Loan programs.

(e) One academic year's worth of noncredit or reduced credit remedial coursework is equivalent to—

(1) Thirty semester or 45 quarter hours; or

(2) Nine hundred clock hours.

(f) Courses in English as a second language do not count against the one-year academic limitation contained in paragraph (d) of this section.

§ 668.21 Treatment of Federal Perkins Loan, FSEOG, Federal Pell Grant, ACG, and National SMART Grant program funds if the recipient withdraws, drops out, or is expelled before his or her first day of class.

(a)(1) If a student officially withdraws, drops out, or is expelled before his or her first day of class of a payment period, all funds paid to the student for that payment period for institutional or noninstitutional costs under the Federal Pell Grant, ACG, National SMART Grant, FSEOG, and Federal Perkins Loan programs are an overpayment.

(2) The institution shall return that overpayment to the respective title IV, HEA programs in the amount that the student received from each program.

(b) For purposes of this section, the Secretary considers that a student drops out before his or her first day of class of a payment period if the institution is unable to document the student's attendance at any class during the payment period.

[52 FR 45727, Dec. 1, 1987, as amended at 63 FR 40624, July 29, 1998; 71 FR 38002, July 3, 2006]

§ 668.22 Treatment of title IV funds when a student withdraws.

(a) *General.* (1) When a recipient of title IV grant or loan assistance withdraws from an institution during a payment period or period of enrollment in which the recipient began attendance, the institution must determine the amount of title IV grant or loan assistance that the student earned as of the student's withdrawal date in accordance with paragraph (e) of this section.

(2) For purposes of this section, "title IV grant or loan assistance" includes only assistance from the Federal Perkins Loan, Direct Loan, FFEL, Federal Pell Grant, Academic Competitiveness

Grant, National SMART Grant, and FSEOG programs, not including the non-Federal share of FSEOG awards if an institution meets its FSEOG matching share by the individual recipient method or the aggregate method.

(3) If the total amount of title IV grant or loan assistance, or both, that the student earned as calculated under paragraph (e)(1) of this section is less than the amount of title IV grant or loan assistance that was disbursed to the student or on behalf of the student in the case of a PLUS loan, as of the date of the institution's determination that the student withdrew—

(i) The difference between these amounts must be returned to the title IV programs in accordance with paragraphs (g) and (h) of this section in the order specified in paragraph (i) of this section; and

(ii) No additional disbursements may be made to the student for the payment period or period of enrollment.

(4) If the total amount of title IV grant or loan assistance, or both, that the student earned as calculated under paragraph (e)(1) of this section is greater than the total amount of title IV grant or loan assistance, or both, that was disbursed to the student or on behalf of the student in the case of a PLUS loan, as of the date of the institution's determination that the student withdrew, the difference between these amounts must be treated as a post-withdrawal disbursement in accordance with paragraph (a)(5) of this section and § 668.164(g).

(5)(i) A post-withdrawal disbursement must be made from available grant funds before available loan funds.

(ii)(A) If outstanding charges exist on the student's account, the institution may credit the student's account up to the amount of outstanding charges with all or a portion of any—

(1) Grant funds that make up the post-withdrawal disbursement in accordance with § 668.164(d)(1) and (d)(2); and

(2) Loan funds that make up the post-withdrawal disbursement in accordance with § 668.164(d)(1), (d)(2) and (d)(3) only after obtaining confirmation from the student or parent, in the case of a parent PLUS loan, that they still wish to

have the loan funds disbursed in accordance with paragraph (a)(5)(iii) of this section.

(B)(1) The institution must offer to disburse directly to a student, or parent in the case of a parent PLUS loan, any amount of a post-withdrawal disbursement that is not credited to the student's account, or for which the institution is not required to obtain confirmation to credit to the student's account, to the student, or the parent in the case of a parent PLUS loan, in accordance with paragraph (a)(5)(iii) of this section.

(2) The institution must make a direct disbursement of any grant or loan funds that make up the post-withdrawal disbursement only after obtaining the student's, or parent's in the case of a parent PLUS loan, confirmation that they still wish to have the grant or loan funds disbursed in accordance with paragraph (a)(5)(iii).

(iii)(A) The institution must provide within 30 days of the date of the institution's determination that the student withdrew, as defined in paragraph (1)(3) of this section, a written notification to the student, or parent in the case of parent PLUS loan, that—

(1) Requests confirmation of any post-withdrawal disbursement of loan funds that the institution wishes to credit to the student's account in accordance with paragraph (a)(5)(ii)(A)(2), identifying the type and amount of those loan funds and explaining that a student, or parent in the case of a parent PLUS loan, may accept or decline some or all of those funds;

(2) Requests confirmation of any post-withdrawal disbursement of grant or loan funds that the student, or parent in the case of a parent PLUS loan, can receive as a direct disbursement, identifying the type and amount of these title IV funds and explaining that the student, or parent in the case of a parent PLUS loan, may accept or decline some or all of those funds;

(3.) Explains that a student, or parent in the case of a parent PLUS loan, who does not confirm that a post-withdrawal disbursement of loan funds may be credited to the student's account may not receive any of those loan funds as a direct disbursement unless the institution concurs;

(4) Explains the obligation of the student, or parent in the case of a parent PLUS loan, to repay any loan funds he or she chooses to have disbursed; and

(5) Advises the student, or parent in the case of a parent PLUS loan, that no post-withdrawal disbursement will be made, unless the institution chooses to make a post-withdrawal disbursement based on a late response in accordance with paragraph (a)(5)(iii)(C) of this section, if the student or parent in the case of a parent PLUS loan, does not respond within 14 days of the date that the institution sent the notification, or a later deadline set by the institution.

(B) The deadline for a student, or parent in the case of a parent PLUS loan, to accept a post-withdrawal disbursement under paragraph (a)(5)(iii)(A)(4) must be the same for both a confirmation of a direct disbursement of the post-withdrawal disbursement and a confirmation of a post-withdrawal disbursement of loan funds to be credited to the student's account;

(C) If the student, or parent in the case of a parent PLUS loan, submits a timely response that confirms that they wish to receive all or a portion of a direct disbursement of the post-withdrawal disbursement, or confirms that a post-withdrawal disbursement of loan funds may be credited to the student's account, the institution must disburse the funds in the manner specified by the student, or parent in the case of a parent PLUS loan, within 120 days of the date of the institution's determination that the student withdrew, as defined in paragraph (1)(3) of this section.

(D) If a student, or parent in the case of a parent PLUS loan, submits a late response to the institution's notice requesting confirmation, the institution may make the post-withdrawal disbursement as instructed by the student, or parent in the case of a parent PLUS loan (provided the institution disburses all the funds accepted by the student, or parent in the case of a parent PLUS loan), or decline to do so.

(E) If a student, or parent in the case of a parent PLUS loan, submits a late response to the institution and the institution does not choose to make the

post-withdrawal disbursement, the institution must inform the student, or parent in the case of a parent PLUS loan, in writing of the outcome of the post-withdrawal disbursement request.

(F) If the student, or parent in the case of a parent PLUS loan, does not respond to the institution's notice, no portion of the post-withdrawal disbursement of loan funds that the institution wishes to credit to the student's account, nor any portion that would be disbursed directly to the student, or parent in the case of a parent PLUS loan, may be disbursed.

(iv) An institution must document in the student's file the result of any notification made in accordance with paragraph (a)(5)(iii) of this section of the student's right to cancel all or a portion of loan funds or of the student's right to accept or decline loan funds, and the final determination made concerning the disbursement.

(b) *Withdrawal date for a student who withdraws from an institution that is required to take attendance.* (1) For purposes of this section, for a student who ceases attendance at an institution that is required to take attendance, including a student who does not return from an approved leave of absence, as defined in paragraph (d) of this section, or a student who takes a leave of absence that does not meet the requirements of paragraph (d) of this section, the student's withdrawal date is the last date of academic attendance as determined by the institution from its attendance records.

(2) An institution must document a student's withdrawal date determined in accordance with paragraph (b)(1) of this section and maintain the documentation as of the date of the institution's determination that the student withdrew, as defined in paragraph (1)(3) of this section.

(3)(i) An institution is required to take attendance if an outside entity (such as the institution's accrediting agency or a State agency) has a requirement, as determined by the entity, that the institution take attendance.

(ii) If an outside entity requires an institution to take attendance for only some students, the institution must use its attendance records to determine

a withdrawal date in accordance with paragraph (b)(1) of this section for those students.

(c) *Withdrawal date for a student who withdraws from an institution that is not required to take attendance.* (1) For purposes of this section, for a student who ceases attendance at an institution that is not required to take attendance, the student's withdrawal date is—

(i) The date, as determined by the institution, that the student began the withdrawal process prescribed by the institution;

(ii) The date, as determined by the institution, that the student otherwise provided official notification to the institution, in writing or orally, of his or her intent to withdraw;

(iii) If the student ceases attendance without providing official notification to the institution of his or her withdrawal in accordance with paragraph (c)(1)(i) or (c)(1)(ii) of this section, the mid-point of the payment period (or period of enrollment, if applicable);

(iv) If the institution determines that a student did not begin the institution's withdrawal process or otherwise provide official notification (including notice from an individual acting on the student's behalf) to the institution of his or her intent to withdraw because of illness, accident, grievous personal loss, or other such circumstances beyond the student's control, the date that the institution determines is related to that circumstance;

(v) If a student does not return from an approved leave of absence as defined in paragraph (d) of this section, the date that the institution determines the student began the leave of absence; or

(vi) If a student takes a leave of absence that does not meet the requirements of paragraph (d) of this section, the date that the student began the leave of absence.

(2)(i)(A) An institution may allow a student to rescind his or her official notification to withdraw under paragraph (c)(1)(i) or (ii) of this section by filing a written statement that he or she is continuing to participate in academically-related activities and intends to complete the payment period or period of enrollment.

(B) If the student subsequently ceases to attend the institution prior to the end of the payment period or period of enrollment, the student's rescission is negated and the withdrawal date is the student's original date under paragraph (c)(1)(i) or (ii) of this section, unless a later date is determined under paragraph (c)(3) of this section.

(ii) If a student both begins the withdrawal process prescribed by the institution and otherwise provides official notification of his or her intent to withdraw in accordance with paragraphs (c)(1)(i) and (c)(1)(ii) of this section respectively, the student's withdrawal date is the earlier date unless a later date is determined under paragraph (c)(3) of this section.

(3)(i) Notwithstanding paragraphs (c)(1) and (2) of this section, an institution that is not required to take attendance may use as the student's withdrawal date a student's last date of attendance at an academically-related activity provided that the institution documents that the activity is academically related and documents the student's attendance at the activity.

(ii) An "academically-related activity" includes, but is not limited to, an exam, a tutorial, computer-assisted instruction, academic counseling, academic advisement, turning in a class assignment or attending a study group that is assigned by the institution.

(4) An institution must document a student's withdrawal date determined in accordance with paragraphs (c)(1), (2), and (3) of this section and maintain the documentation as of the date of the institution's determination that the student withdrew, as defined in paragraph (1)(3) of this section.

(5)(i) "Official notification to the institution" is a notice of intent to withdraw that a student provides to an office designated by the institution.

(ii) An institution must designate one or more offices at the institution that a student may readily contact to provide official notification of withdrawal.

(d) *Approved leave of absence.* (1) For purposes of this section (and, for a title IV, HEA program loan borrower, for purposes of terminating the student's

in-school status), an institution does not have to treat a leave of absence as a withdrawal if it is an approved leave of absence. A leave of absence is an approved leave of absence if—

(i) The institution has a formal policy regarding leaves of absence;

(ii) The student followed the institution's policy in requesting the leave of absence;

(iii) The institution determines that there is a reasonable expectation that the student will return to the school;

(iv) The institution approved the student's request in accordance with the institution's policy;

(v) The leave of absence does not involve additional charges by the institution;

(vi) The number of days in the approved leave of absence, when added to the number of days in all other approved leaves of absence, does not exceed 180 days in any 12-month period;

(vii) Except for a clock hour or nonterm credit hour program, upon the student's return from the leave of absence, the student is permitted to complete the coursework he or she began prior to the leave of absence; and

(viii) If the student is a title IV, HEA program loan recipient, the institution explains to the student, prior to granting the leave of absence, the effects that the student's failure to return from a leave of absence may have on the student's loan repayment terms, including the exhaustion of some or all of the student's grace period.

(2) If a student does not resume attendance at the institution at or before the end of a leave of absence that meets the requirements of this section, the institution must treat the student as a withdrawal in accordance with the requirements of this section.

(3) For purposes of this paragraph—

(i) The number of days in a leave of absence is counted beginning with the first day of the student's initial leave of absence in a 12-month period.

(ii) A "12-month period" begins on the first day of the student's initial leave of absence.

(iii) An institution's leave of absence policy is a "formal policy" if the policy—

(A) Is in writing and publicized to students; and

(B) Requires students to provide a written, signed, and dated request, that includes the reason for the request, for a leave of absence prior to the leave of absence. However, if unforeseen circumstances prevent a student from providing a prior written request, the institution may grant the student's request for a leave of absence, if the institution documents its decision and collects the written request at a later date.

(e) *Calculation of the amount of title IV assistance earned by the student—(1) General.* The amount of title IV grant or loan assistance that is earned by the student is calculated by—

(i) Determining the percentage of title IV grant or loan assistance that has been earned by the student, as described in paragraph (e)(2) of this section; and

(ii) Applying this percentage to the total amount of title IV grant or loan assistance that was disbursed (and that could have been disbursed, as defined in paragraph (1)(1) of this section) to the student, or on the student's behalf, for the payment period or period of enrollment as of the student's withdrawal date.

(2) *Percentage earned.* The percentage of title IV grant or loan assistance that has been earned by the student is—

(i) Equal to the percentage of the payment period or period of enrollment that the student completed (as determined in accordance with paragraph (f) of this section) as of the student's withdrawal date, if this date occurs on or before—

(A) Completion of 60 percent of the payment period or period of enrollment for a program that is measured in credit hours; or

(B) Sixty percent of the clock hours scheduled to be completed for the payment period or period of enrollment for a program that is measured in clock hours; or

(ii) 100 percent, if the student's withdrawal date occurs after—

(A) Completion of 60 percent of the payment period or period of enrollment for a program that is measured in credit hours; or

(B) Sixty percent of the clock hours scheduled to be completed for the pay-

ment period or period of enrollment for a program measured in clock hours.

(3) *Percentage unearned.* The percentage of title IV grant or loan assistance that has not been earned by the student is calculated by determining the complement of the percentage of title IV grant or loan assistance earned by the student as described in paragraph (e)(2) of this section.

(4) *Total amount of unearned title IV assistance to be returned.* The unearned amount of title IV assistance to be returned is calculated by subtracting the amount of title IV assistance earned by the student as calculated under paragraph (e)(1) of this section from the amount of title IV aid that was disbursed to the student as of the date of the institution's determination that the student withdrew.

(5) *Use of payment period or period of enrollment.* (i) The treatment of title IV grant or loan funds if a student withdraws must be determined on a payment period basis for a student who attended a standard term-based (semester, trimester, or quarter) educational program.

(ii)(A) The treatment of title IV grant or loan funds if a student withdraws may be determined on either a payment period basis or a period of enrollment basis for a student who attended a non-term based educational program or a nonstandard term-based educational program.

(B) An institution must consistently use either a payment period or period of enrollment for all purposes of this section for each of the following categories of students who withdraw from the same non-term based or nonstandard term-based educational program:

(1) Students who have attended an educational program at the institution from the beginning of the payment period or period of enrollment.

(2) Students who re-enter the institution during a payment period or period of enrollment.

(3) Students who transfer into the institution during a payment period or period of enrollment.

(f) *Percentage of payment period or period of enrollment completed.* (1) For purposes of paragraph (e)(2)(i) of this section, the percentage of the payment period or period of enrollment completed is determined—

(i) In the case of a program that is measured in credit hours, by dividing the total number of calendar days in the payment period or period of enrollment into the number of calendar days completed in that period as of the student's withdrawal date; and

(ii)(A) In the case of a program that is measured in clock hours, by dividing the total number of clock hours in the payment period or period of enrollment into the number of clock hours scheduled to be completed as of the student's withdrawal date.

(B) The scheduled clock hours used must be those established by the institution prior to the student's beginning class date for the payment period or period of enrollment and must be consistent with the published materials describing the institution's programs, unless the schedule was modified prior to the student's withdrawal.

(C) The schedule must have been established in accordance with requirements of the accrediting agency and the State licensing agency, if such standards exist.

(2)(i) The total number of calendar days in a payment period or period of enrollment includes all days within the period, except that scheduled breaks of at least five consecutive days are excluded from the total number of calendar days in a payment period or period of enrollment and the number of calendar days completed in that period.

(ii) The total number of calendar days in a payment period or period of enrollment does not include days in which the student was on an approved leave of absence.

(g) *Return of unearned aid, responsibility of the institution.* (1) The institution must return, in the order specified in paragraph (i) of this section, the lesser of—

(i) The total amount of unearned title IV assistance to be returned as calculated under paragraph (e)(4) of this section; or

(ii) An amount equal to the total institutional charges incurred by the stu-

dent for the payment period or period of enrollment multiplied by the percentage of title IV grant or loan assistance that has not been earned by the student, as described in paragraph (e)(3) of this section.

(2) For purposes of this section, "institutional charges" are tuition, fees, room and board (if the student contracts with the institution for the room and board) and other educationally-related expenses assessed by the institution.

(3) If, for a non-term program an institution chooses to calculate the treatment of title IV assistance on a payment period basis, but the institution charges for a period that is longer than the payment period, "total institutional charges incurred by the student for the payment period" is the greater of—

(i) The prorated amount of institutional charges for the longer period; or

(ii) The amount of title IV assistance retained for institutional charges as of the student's withdrawal date.

(h) *Return of unearned aid, responsibility of the student.* (1) After the institution has allocated the unearned funds for which it is responsible in accordance with paragraph (g) of this section, the student must return assistance for which the student is responsible in the order specified in paragraph (i) of this section.

(2) The amount of assistance that the student is responsible for returning is calculated by subtracting the amount of unearned aid that the institution is required to return under paragraph (g) of this section from the total amount of unearned title IV assistance to be returned under paragraph (e)(4) of this section.

(3) The student (or parent in the case of funds due to a parent PLUS Loan) must return or repay, as appropriate, the amount determined under paragraph (h)(1) of this section to—

(i) Any title IV loan program in accordance with the terms of the loan; and

(ii) Any title IV grant program as an overpayment of the grant; however, a student is not required to return the following—

(A) The portion of a grant overpayment amount that is equal to or less

than 50 percent of the total grant assistance that was disbursed (and that could have been disbursed, as defined in paragraph (1)(1) of this section) to the student for the payment period or period of enrollment.

(B) With respect to any grant program, a grant overpayment amount, as determined after application of paragraph (h)(3)(i)(A) of this section, of 50 dollars or less that is not a remaining balance.

(4)(i) A student who owes an overpayment under this section remains eligible for title IV, HEA program funds through and beyond the earlier of 45 days from the date the institution sends a notification to the student of the overpayment, or 45 days from the date the institution was required to notify the student of the overpayment if, during those 45 days the student—

(A) Repays the overpayment in full to the institution;

(B) Enters into a repayment agreement with the institution in accordance with repayment arrangements satisfactory to the institution; or

(C) Signs a repayment agreement with the Secretary, which will include terms that permit a student to repay the overpayment while maintaining his or her eligibility for title IV, HEA program funds.

(ii) Within 30 days of the date of the institution's determination that the student withdrew, an institution must send a notice to any student who owes a title IV, HEA grant overpayment as a result of the student's withdrawal from the institution in order to recover the overpayment in accordance with paragraph (h)(4)(i) of this section.

(iii) If an institution chooses to enter into a repayment agreement in accordance with paragraph (h)(4)(i)(B) of this section with a student who owes an overpayment of title IV, HEA grant funds, it must—

(A) Provide the student with terms that permit the student to repay the overpayment while maintaining his or her eligibility for title IV, HEA program funds; and

(B) Require repayment of the full amount of the overpayment within two years of the date of the institution's determination that the student withdrew.

(iv) An institution must refer to the Secretary, in accordance with procedures required by the Secretary, an overpayment of title IV, HEA grant funds owed by a student as a result of the student's withdrawal from the institution if—

(A) The student does not repay the overpayment in full to the institution, or enter a repayment agreement with the institution or the Secretary in accordance with paragraph (h)(4)(i) of this section within the earlier of 45 days from the date the institution sends a notification to the student of the overpayment, or 45 days from the date the institution was required to notify the student of the overpayment;

(B) At any time the student fails to meet the terms of the repayment agreement with the institution entered into in accordance with paragraph (h)(4)(i)(B) of this section; or

(C) The student chooses to enter into a repayment agreement with the Secretary.

(v) A student who owes an overpayment is ineligible for title IV, HEA program funds—

(A) If the student does not meet the requirements in paragraph (h)(4)(i) of this section, on the day following the 45-day period in that paragraph; or

(B) As of the date the student fails to meet the terms of the repayment agreement with the institution or the Secretary entered into in accordance with paragraph (h)(4)(i) of this section.

(vi) A student who is ineligible under paragraph (h)(4)(v) of this section regains eligibility if the student and the Secretary enter into a repayment agreement.

(5) The Secretary may waive grant overpayment amounts that students are required to return under this section if the withdrawals on which the returns are based are withdrawals by students—

(i) Who were residing in, employed in, or attending an institution of higher education that is located in an area in which the President has declared that a major disaster exists, in accordance with section 401 of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. 5170);

(ii) Whose attendance was interrupted because of the impact of the disaster on the student or institution; and

(iii) Whose withdrawal occurred within the award year during which the designation occurred or during the next succeeding award year.

(i) *Order of return of title IV funds*—(1) *Loans*. Unearned funds returned by the institution or the student, as appropriate, in accordance with paragraph (g) or (h) of this section respectively, must be credited to outstanding balances on title IV loans made to the student or on behalf of the student for the payment period or period of enrollment for which a return of funds is required. §668.23 Compliance audits and audited financial statements.

(a) *General*—(1) *Independent auditor*. For purposes of this section, the term “independent auditor” refers to an independent certified public accountant or a government auditor. To conduct an audit under this section, a government auditor must meet the Government Auditing Standards qualification and independence standards, including standards related to organizational independence.

(2) *Institutions*. An institution that participates in any title IV, HEA program must at least annually have an independent auditor conduct a compliance audit of its administration of that program and an audit of the institution’s general purpose financial statements.

(3) *Third-party servicers*. Except as provided under this part or 34 CFR part 682, with regard to complying with the provisions under this section a third-party servicer must follow the procedures contained in the audit guides developed by and available from the Department of Education’s Office of Inspector General. A third-party servicer is defined under §668.2 and 34 CFR 682.200.

(4) *Submission deadline*. Except as provided by the Single Audit Act, Chapter 75 of title 31, United States Code, an institution must submit annually to the Secretary its compliance audit and its audited financial statements no later than six months after the last day of the institution’s fiscal year.

(5) *Audit submission requirements*. In general, the Secretary considers the compliance audit and audited financial statement submission requirements of this section to be satisfied by an audit

conducted in accordance with the Office of Management and Budget Circular A-133, “Audits of Institutions of Higher Education and Other Nonprofit Organizations”; Office of Management and Budget Circular A-128, “Audits of State and Local Governments”, or the audit guides developed by and available from the Department of Education’s Inspector General, whichever is applicable to the entity, and provided that the Federal student aid functions performed by that entity are covered in the submission. (Both OMB circulars are available by calling OMB’s Publication Office at (202) 395-7332, or they can be obtained in electronic form on the OMB Home Page (<http://www.whitehouse.gov>).

(b) *Compliance audits for institutions*. (1) An institution’s compliance audit must cover, on a fiscal year basis, all title IV, HEA program transactions, and must cover all of those transactions that have occurred since the period covered by the institution’s last compliance audit.

(2) The compliance audit required under this section must be conducted in accordance with—

(i) The general standards and the standards for compliance audits contained in the U.S. General Accounting Office’s (GAO’s) Government Auditing Standards. (This publication is available from the Superintendent of Documents, U.S. Government Printing Office, Washington, DC 20402); and

(ii) Procedures for audits contained in audit guides developed by, and available from, the Department of Education’s Office of Inspector General.

(3) The Secretary may require an institution to provide a copy of its compliance audit report to guaranty agencies or eligible lenders under the FFEL programs, State agencies, the Secretary of Veterans Affairs, or nationally recognized accrediting agencies.

(c) *Compliance audits for third-party servicers*. (1) A third-party servicer that administers title IV, HEA programs for institutions does not have to have a compliance audit performed if—

(i) The servicer contracts with only one institution; and

(ii) The audit of that institution’s administration of the title IV, HEA programs involves every aspect of the

servicer's administration of that program for that institution.

(2) A third-party servicer that contracts with more than one participating institution may submit a compliance audit report that covers the servicer's administration of the title IV, HEA programs for all institutions with which the servicer contracts.

(3) A third-party servicer must submit annually to the Secretary its compliance audit no later than six months after the last day of the servicer's fiscal year.

(4) The Secretary may require a third-party servicer to provide a copy of its compliance audit report to guaranty agencies or eligible lenders under the FFEL programs, State agencies, the Secretary of Veterans Affairs, or nationally recognized accrediting agencies.

(d) *Audited financial statements*—(1) *General*. To enable the Secretary to make a determination of financial responsibility, an institution must, to the extent requested by the Secretary, submit to the Secretary a set of financial statements for its latest complete fiscal year, as well as any other documentation the Secretary deems necessary to make that determination. Financial statements submitted to the Secretary must be prepared on an accrual basis in accordance with generally accepted accounting principles, and audited by an independent auditor in accordance with generally accepted government auditing standards, and other guidance contained in the Office of Management and Budget Circular A-133, "Audits of Institutions of Higher Education and Other Nonprofit Organizations"; Office of Management and Budget Circular A-128, "Audits of State and Local Governments"; or in audit guides developed by, and available from, the Department of Education's Office of Inspector General, whichever is applicable. As part of these financial statements, the institution must include a detailed description of related entities based on the definition of a related entity as set forth in the Statement of Financial Accounting Standards (SFAS) 57. The disclosure requirements under this provision extend beyond those of SFAS 57 to include all related parties and a level

of detail that would enable to Secretary to readily identify the related party. Such information may include, but is not limited to, the name, location and a description of the related entity including the nature and amount of any transactions between the related party and the institution, financial or otherwise, regardless of when they occurred.

(2) *Submission of additional financial statements*. To the extent requested by the Secretary in determining whether an institution is financially responsible, the Secretary may also require the submission of audited consolidated financial statements, audited full consolidating financial statements, audited combined financial statements or the audited financial statements of one or more related parties that have the ability, either individually or collectively, to significantly influence or control the institution, as determined by the Secretary.

(3) *Audited financial statements for foreign institutions*. A foreign institution must submit—

(i) Audited financial statements prepared in accordance with the generally accepted accounting principles of the institution's home country, if the institution received less than \$500,000 U.S. in title IV, HEA program funds during its most recently completed fiscal year; or

(ii) Audited financial statements translated to meet the requirements of paragraph (d) of this section, if the institution received \$500,000 U.S. or more in title IV, HEA program funds during its most recently completed fiscal year.

(4) *Disclosure of title IV HEA program revenue*. A proprietary institution must disclose in a footnote to its financial statement audit the percentage of its revenues derived from the title IV, HEA program funds that the institution received during the fiscal year covered by that audit. The revenue percentage must be calculated in accordance with § 600.5(d).

(5) *Audited financial statements for third-party servicers*. A third-party servicer that enters into a contract with a lender or guaranty agency to administer any aspect of the lender's

or guaranty agency's programs, as provided under 34 CFR part 682, must submit annually an audited financial statement. This financial statement must be prepared on an accrual basis in accordance with generally accepted accounting principles, and audited by an independent auditor in accordance with generally accepted government auditing standards and other guidance contained in audit guides issued by the Department of Education's Office of Inspector General.

(e) *Access to records.* (1) An institution or a third-party servicer that has a compliance or financial statement audit conducted under this section must—

(i) Give the Secretary and the Inspector General access to records or other documents necessary to review that audit, including the right to obtain copies of those records or documents; and

(ii) Require an individual or firm conducting the audit to give the Secretary and the Inspector General access to records, audit work papers, or other documents necessary to review that audit, including the right to obtain copies of those records, work papers, or documents.

(2) An institution must give the Secretary and the Inspector General access to records or other documents necessary to review a third-party servicer's compliance or financial statement audit, including the right to obtain copies of those records or documents.

(f) *Determination of liabilities.* (1) Based on the audit finding and the institution's or third-party servicer's response, the Secretary determines the amount of liability, if any, owed by the institution or servicer and instructs the institution or servicer as to the manner of repayment.

(2) If the Secretary determines that a third-party servicer owes a liability for its administration of an institution's title IV, HEA programs, the servicer must notify each institution under whose contract the servicer owes a liability of that determination. The servicer must also notify every institution that contracts with the servicer for the same service that the Secretary determined that a liability was owed.

(g) *Repayments.* (1) An institution or third-party servicer that must repay funds under the procedures in this section shall repay those funds at the direction of the Secretary within 45 days of the date of the Secretary's notification, unless—

(i) The institution or servicer files an appeal under the procedures established in subpart H of this part; or

(ii) The Secretary permits a longer repayment period.

(2) Notwithstanding paragraphs (f) and (g)(1) of this section—

(i) If an institution or third-party servicer has posted surety or has provided a third-party guarantee and the Secretary questions expenditures or compliance with applicable requirements and identifies liabilities, then the Secretary may determine that deferring recourse to the surety or guarantee is not appropriate because—

(A) The need to provide relief to students or borrowers affected by the act or omission giving rise to the liability outweighs the importance of deferring collection action until completion of available appeal proceedings; or

(B) The terms of the surety or guarantee do not provide complete assurance that recourse to that protection will be fully available through the completion of available appeal proceedings; or

(ii) The Secretary may use administrative offset pursuant to 34 CFR part 30 to collect the funds owed under the procedures of this section.

(3) If, under the proceedings in subpart H, liabilities asserted in the Secretary's notification, under paragraph (e)(1) of this section, to the institution or third-party servicer are upheld, the institution or third-party servicer must repay those funds at the direction of the Secretary within 30 days of the final decision under subpart H of this part unless—

(i) The Secretary permits a longer repayment period; or

(ii) The Secretary determines that earlier collection action is appropriate pursuant to paragraph (g)(2) of this section.

(4) An institution is held responsible for any liability owed by the institution's third-party servicer for a violation incurred in servicing any aspect of

§ 668.24

34 CFR Ch. VI (7-1-07 Edition)

that institution's participation in the title IV, HEA programs and remains responsible for that amount until that amount is repaid in full.

§ 668.27 Waiver of annual audit submission requirement.

(a) *General.* (1) At the request of an institution, the Secretary may waive the annual audit submission requirement for the period of time contained in paragraph (b) of this section if the institution satisfies the requirements contained in paragraph (c) of this section and posts a letter of credit in the amount determined in paragraph (d) of this section.

(2) An institution requesting a waiver must submit an application to the Secretary at such time and in such manner as the Secretary prescribes.

(3) The first fiscal year for which an institution may request a waiver is the fiscal year in which it submits its waiver request to the Secretary.

(b) *Waiver period.* (1) If the Secretary grants the waiver, the institution need not submit its compliance or audited financial statement until six months after—

(i) The end of the third fiscal year following the fiscal year for which the institution last submitted a compliance audit and audited financial statement; or

(ii) The end of the second fiscal year following the fiscal year for which the institution last submitted compliance and financial statement audits if the award year in which the institution will apply for recertification is part of the third fiscal year.

(2) The Secretary does not grant a waiver if the award year in which the institution will apply for recertification is part of the second fiscal year following the fiscal year for which the institution last submitted compliance and financial statement audits.

(3) When an institution must submit its next compliance and financial statement audits under paragraph (b)(1) of this section—

(i) The institution must submit a compliance audit that covers the institution's administration of the title IV, HEA programs for the period for each fiscal year for which an audit did not have to be submitted as a result of the waiver, and an audited financial statement for its last fiscal year; and

(ii) The auditor who conducts the audit must audit the institution's annual determinations for the period subject to the waiver that it satisfied the 90/10 rule in § 600.5 and the other conditions of institutional eligibility in § 600.7 and § 668.8(e)(2), and disclose the results of the audit of the 90/10 rule for each year in accordance with § 668.23(d)(4).

(c) *Criteria for granting the waiver.* The Secretary grants a waiver to an institution if the institution—

(2) Did not disburse \$200,000 or more of title IV, HEA program funds during each of the two completed award years preceding the institution's waiver request;

(3) Agrees to keep records relating to each award year in the unaudited period for two years after the end of the record retention period in § 668.24(e) for that award year;

(4) Has participated in the title IV, HEA programs under the same ownership for at least three award years preceding the institution's waiver request;

(5) Is financially responsible under § 668.171, and does not rely on the alternative standards of § 668.175 to participate in the title IV, HEA programs;

(6) Is not on the reimbursement or cash monitoring system of payment;

(7) Has not been the subject of a limitation, suspension, fine, or termination proceeding, or emergency action initiated by the Department or a guarantee agency in the three years preceding the institution's waiver request;

(8) Has submitted its compliance audits and audited financial statements for the previous two fiscal years in accordance with and subject to § 668.23, and no individual audit disclosed liabilities in excess of \$10,000; and

(9) Submits a letter of credit in the amount determined in paragraph (d) of this section, which must remain in effect until the Secretary has resolved the audit covering the award years subject to the waiver.

(d) *Letter of credit amount.* For purposes of this section, the letter of credit amount equals 10 percent of the amount of title IV, HEA program funds the institution disbursed to or on behalf of its students during the award year preceding the institution's waiver request.

(e) *Rescission of the waiver.* (1) The Secretary rescinds the waiver if the institution—

(i) Disburses \$200,000 or more of title IV, HEA program funds for an award year;

(ii) Undergoes a change in ownership that results in a change of control; or

(iii) Becomes the subject of an emergency action or a limitation, suspension, fine, or termination action initiated by the Department or a guarantee agency.

(2) If the Secretary rescinds a waiver, the rescission is effective on the last day of the fiscal year in which the rescission takes place.

APPENDIX A TO SUBPART B OF PART 668—STANDARDS FOR AUDIT OF GOVERNMENTAL ORGANIZATIONS, PROGRAMS, ACTIVITIES, AND FUNCTIONS (GAO)

Part III Chapter 3—Independence

(a) The Third general standard for governmental auditing is: In matters relating to the audit work, the audit organization and the individual auditors shall maintain an independent attitude.

(b) This standard places upon the auditor and the audit organization the responsibility for maintaining sufficient independence so that their opinions, conclusions, judgments, and recommendations will be impartial. If

the auditor is not sufficiently independent to produce unbiased opinions, conclusions, and judgments, he should state in a prominent place in the audit report his relationship with the organization or officials being audited.¹

(c) The auditor should consider not only whether his or her own attitude and beliefs permit him or her to be independent but also whether there is anything about his or her situation which would lead others to question his or her independence. Both situations deserve consideration since it is important not only that the auditor be, in fact, independent and impartial but also that other persons will consider him or her so.

(d) There are three general classes of impairments that the auditor needs to consider; these are personal, external, and organizational impairments. If one or more of these are of such significance as to affect the auditor's ability to perform his or her work and report its results impartially, he or she should decline to perform the audit or indicate in the report that he or she was not fully independent.

Personal Impairments

There are some circumstances in which an auditor cannot be impartial because of his or her views or his or her personal situation. These circumstances might include:

1. Relationships of an official, professional, and/or personal nature that might cause the auditor to limit the extent or character of the inquiry, to limit disclosure, or to weaken his or her findings in any way.

2. Preconceived ideas about the objectives or quality of a particular operation or personal likes or dislikes of individuals, groups, or objectives of a particular program.

3. Previous involvement in a decision-making or management capacity in the operations of the governmental entity or program being audited.

4. Biases and prejudices, including those induced by political or social convictions, which result from employment in or loyalty to a particular group, entity, or level of government.

5. Actual or potential restrictive influence when the auditor performs preaudit work and subsequently performs a post audit.

6. Financial interest, direct or indirect, in an organization or facility which is benefiting from the audited programs.

¹If the auditor is not fully independent because he or she is an employee of the audited entity, it will be adequate disclosure to so indicate. If the auditor is a practicing certified public accountant, his or her conduct should be governed by the AICPA "Statements on Auditing Procedure."

External Impairments

External factors can restrict the audit or impinge on the auditor's ability to form independent and objective opinions and conclusions. For example, under the following conditions either the audit itself could be adversely affected or the auditor would not have complete freedom to make an independent judgment.²

1. Interference or other influence that improperly or imprudently eliminates, restricts, or modifies the scope or character of the audit.
2. Interference with the selection or application of audit procedures of the selection of activities to be examined.
3. Denial of access to such sources of information as books, records, and supporting documents or denial or opportunity to obtain explanations by officials and employees of the governmental organization, program, or activity under audit.
4. Interference in the assignment of personnel to the audit task.
5. Retaliatory restrictions placed on funds or other resources dedicated to the audit operation.
6. Activity to overrule or significantly influence the auditors judgment as to the appropriate content of the audit report.
7. Influences that place the auditor's continued employment in jeopardy for reasons other than competency or the need for audit services.
8. Unreasonable restriction on the time allowed to competently complete an audit assignment.

Organizational Impairments

(a) The auditor's independence can be affected by his or her place within the organizational structure of governments. Auditors employed by Federal, State, or local government units may be subject to policy direction from superiors who are involved either directly or indirectly in the government management process. To achieve maximum independence such auditors and the audit organization itself not only should report to the highest practicable echelon within their government but should be organizationally located outside the line-management function of the entity under audit.

(b) These auditors should also be sufficiently removed from political pressures to ensure that they can conduct their auditing objectively and can report their conclusions completely without fear of censure. Whenever feasible they should be under a system which will place decisions on compensation,

²Some of these situations may constitute justifiable limitations on the scope of the work. In such cases the limitation should be identified in the auditor's report.

training, job tenure, and advancement on a merit basis.

(c) When independent public accountants or other independent professionals are engaged to perform work that includes inquiries into compliance with applicable laws and regulations, efficiency and economy of operations, or achievement of program results, they should be engaged by someone other than the officials responsible for the direction of the effort being audited. This practice removes the pressure that may result if the auditor must criticize the performance of those by whom he or she was engaged. To remove this obstacle to independence, governments should arrange to have auditors engaged by officials not directly involved in operations to be audited.

APPENDIX B TO SUBPART B OF PART 668—APPENDIX I, STANDARDS FOR AUDIT OF GOVERNMENTAL ORGANIZATIONS, PROGRAMS, ACTIVITIES, AND FUNCTIONS (GAO)

Qualifications of Independent Auditors Engaged by Governmental Organizations

(a) When outside auditors are engaged for assignments requiring the expression of an opinion on financial reports of governmental organizations, only fully qualified public accountants should be employed. The type of qualifications, as stated by the Comptroller General, deemed necessary for financial audits of governmental organizations and programs is quoted below:

"Such audits shall be conducted * * * by independent certified public accountants or by independent licensed public accountants, licensed on or before December 31, 1970, who are certified or licensed by a regulatory authority of a State or other political subdivision of the United States: Except that independent public accountants licensed to practice by such regulatory authority after December 31, 1970, and persons who although not so certified or licensed, meet, in the opinion of the Secretary, standards of education and experience representative of the highest prescribed by the licensing authorities of the several States which provide for the continuing licensing of public accountants and which are prescribed by the Secretary in appropriate regulations may perform such audits until December 31, 1975; Provided, That if the Secretary deems it necessary in the public interest, he may prescribe by regulations higher standard than

those required for the practice of public accountancy by the regulatory authorities of the States.”¹

(b) The standards for examination and evaluation require consideration of applicable laws and regulations in the auditor’s examination. The standards for reporting require a statement in the auditor’s report regarding any significant instances of non-compliance disclosed by his or her examination and evaluation work. What is to be included in this statement requires judgment. Significant instances of non-compliance, even those not resulting in legal liability to the audited entity, should be included. Minor procedural non-compliance need not be disclosed.

(c) Although the reporting standard is generally on an exception basis—that only non-compliance need be reported—it should be recognized that governmental entities often want positive statements regarding whether or not the auditor’s tests disclosed instances of non-compliance. This is particularly true in grant programs where authorizing agencies frequently want assurance in the auditor’s report that this matter has been considered. For such audits, auditors should obtain an understanding with the authorizing agency as to the extent to which such positive comments on compliance are desired. When coordinated audits are involved, the audit program should specify the extent of comments that the auditor is to make regarding compliance.

(d) When non-compliance is reported, the auditor should place the findings in proper perspective. The extent of instances of non-compliance should be related to the number of cases examined to provide the reader with a basis for judging the prevalence of non-compliance.

(i) The institution can eliminate that overpayment by adjusting subsequent title IV, HEA program (other than Federal Pell Grant, ACG, or National SMART Grant) payments in that same award year; or

(ii) The institution cannot eliminate the overpayment under paragraph (g)(3)(i) of this section but can eliminate that overpayment by adjusting subsequent National SMART Grant payments in that same award year.

(4) A student is not liable for a FSEOG or LEAP overpayment or Federal Perkins loan overpayment received in an award year if the institution can eliminate that overpayment by adjusting subsequent title IV, HEA program (other than Federal Pell Grant) payments in that same award year.

(h) A student who otherwise is in default on a loan made under a title IV, HEA loan program, or who otherwise owes an overpayment on a title IV, HEA program grant or Federal Perkins loan, is not considered to be in default or owe an overpayment if the student—

(1) Obtains a judicial determination that the debt has been discharged or is dischargeable in bankruptcy; or

(2) Demonstrates to the satisfaction of the holder of the debt that—

(i) When the student filed the petition for bankruptcy relief, the loan, or demand for the payment of the overpayment, had been outstanding for the period required under 11 U.S.C. 523(a)(8)(A), exclusive of applicable suspensions of the repayment period for either debt of the kind defined in 34 CFR 682.402(m); and

(ii) The debt otherwise qualifies for discharge under applicable bankruptcy law; and

§ 668.36 Social security number.

(a)(1) Except for residents of the Federated States of Micronesia, the Republic of the Marshall Islands, and the Republic of Palau, the Secretary attempts to confirm the social security number a student provides on the Free Application for Federal Student Aid (FAFSA) under a data match with the Social Security Administration. If the Social Security Administration confirms that number, the Secretary notifies the institution and the student of that confirmation.

(2) If the student's verified social security number is the same number as the one he or she provided on the FAFSA, and the institution has no reason to believe that the verified social security number is inaccurate, the institution may consider the number to be accurate.

(3) If the Social Security Administration does not verify the student's social security number on the FAFSA, or the institution has reason to believe that the verified social security number is inaccurate, the student can provide evidence to the institution, such as the student's social security card, indicating the accuracy of the stu-

dent's social security number. An institution must give a student at least 30 days, or until the end of the award year, whichever is later, to produce that evidence.

(4) An institution may not deny, reduce, delay, or terminate a student's eligibility for assistance under the title IV, HEA programs because verification of that student's social security number is pending.

(b)(1) An institution may not disburse any title IV, HEA program funds to a student until the institution is satisfied that the student's reported social security number is accurate.

(2) The institution shall ensure that the Secretary is notified of the student's accurate social security number if the student demonstrates the accuracy of a social security number that is not the number the student included on the FAFSA.

(c) If the Secretary determines that the social security number provided to an institution by a student is incorrect, and that student has not provided evidence under paragraph (a)(3) of this section indicating the accuracy of the social security number, and a loan has been guaranteed for the student under the FFEL program, the institution shall notify and instruct the lender and guaranty agency making and guaranteeing the loan, respectively, to cease further disbursements of the loan, until the Secretary or the institution determines that the social security number provided by the student is correct, but the guaranty may not be voided or otherwise nullified before the date that the lender and the guaranty agency receive the notice.

(d) Nothing in this section permits the Secretary to take any compliance, disallowance, penalty or other regulatory action against—

(1) Any institution of higher education with respect to any error in a social security number, unless the error was the result of fraud on the part of the institution; or

(2) Any student with respect to any error in a social security number, unless the error was the result of fraud on the part of the student.

§ 668.37 Selective Service registration.

(a)(1) To be eligible to receive title IV, HEA program funds, a male student who is subject to registration with the Selective Service must register with the Selective Service.

(2) A male student does not have to register with the Selective Service if the student—

(i) Is below the age of 18, or was born before January 1, 1960;

(ii) Is enrolled in an officer procurement program the curriculum of which has been approved by the Secretary of Defense at the following institutions:

(A) The Citadel, Charleston, South Carolina;

(B) North Georgia College, Dahlonega, Georgia;

(C) Norwich University, Northfield, Vermont; or

(D) Virginia Military Institute, Lexington, Virginia; or

(iii) Is a commissioned officer of the Public Health Service or a member of the Reserve of the Public Health Service who is on active duty as provided in section 6(a)(2) of the Military Selective Service Act.

(b)(1) When the Secretary processes a male student's FAFSA, the Secretary determines whether the student is registered with the Selective Service under a data match with the Selective Service.

(2) Under the data match, Selective Service reports to the Secretary whether its records indicate that the student is registered, and the Secretary reports the results of the data match to the student and the institution the student is attending.

(c)(1) If the Selective Service does not confirm through the data match, that the student is registered, the student can establish that he—

(i) Is registered;

(ii) Is not, or was not required to be, registered;

(iii) Has registered since the submission of the FAFSA; or

(iv) Meets the conditions of paragraph (d) of this section.

(2) An institution must give a student at least 30 days, or until the end of the award year, whichever is later, to provide evidence to establish the condition described in paragraph (c)(1) of this section.

(d) An institution may determine that a student, who was required to, but did not register with the Selective Service, is not ineligible to receive title IV, HEA assistance for that reason, if the student can demonstrate by submitting clear and unambiguous evidence to the institution that—

(1) He was unable to present himself for registration for reasons beyond his control such as hospitalization, incarceration, or institutionalization; or

(2) He is over 26 and when he was between 18 and 26 and required to register—

(i) He did not knowingly and willfully fail to register with the Selective Service; or

(ii) He served as a member of one of the U.S. Armed Forces on active duty and received a DD Form 214, "Certificate of Release or Discharge from Active Duty," showing military service with other than the reserve forces and National Guard.

(e) For purposes of paragraph (d)(2)(i) of this section, an institution may consider that a student did not knowingly and willfully fail to register with the Selective Service only if—

(1) The student submits to the institution an advisory opinion from the Selective Service System that does not dispute the student's claim that he did not knowingly and willfully fail to register; and

(2) The institution does not have uncontroverted evidence that the student knowingly and willfully failed to register.

(f)(1) A student who is required to register with the Selective Service and has been denied title IV, HEA program assistance because he has not proven to the institution that he has registered with Selective Service may seek a hearing from the Secretary by filing a request in writing with the Secretary. The student must submit with that request—

(i) A statement that he is in compliance with registration requirements;

(ii) A concise statement of the reasons why he has not been able to prove that he is in compliance with those requirements; and

(iii) Copies of all material that he has already supplied to the institution to verify his compliance.

(2) The Secretary provides an opportunity for a hearing to a student who—

(i) Asserts that he is in compliance with registration requirements; and

(ii) Files a written request for a hearing in accordance with paragraph (f)(1) of this section within the award year for which he was denied title IV, HEA program assistance or within 30 days following the end of the payment period, whichever is later.

(3) An official designated by the Secretary shall conduct any hearing held under paragraph (f)(2) of this section. The sole purpose of this hearing is the determination of compliance with registration requirements. At this hearing, the student retains the burden of proving compliance, by credible evidence, with the requirements of the Military Selective Service Act. The designated official shall not consider challenges based on constitutional or other grounds to the requirements that a student state and verify, if required, compliance with registration requirements, or to those registration requirements themselves.

(g) Any determination of compliance made under this section is final unless reopened by the Secretary and revised on the basis of additional evidence.

(h) Any determination of compliance made under this section is binding only for purposes of determining eligibility for title IV, HEA program assistance.

Subpart D—Institutional and Financial Assistance Information for Students

SOURCE: 51 FR 43323, Dec. 1, 1986, unless otherwise noted.

§ 668.41 Reporting and disclosure of information.

(a) *Definitions.* The following definitions apply to this subpart:

Athletically related student aid means any scholarship, grant, or other form of financial assistance, offered by an institution, the terms of which require the recipient to participate in a program of intercollegiate athletics at the institution. Other student aid, of which a student-athlete simply happens to be the recipient, is not athletically related student aid.

Certificate or degree-seeking student means a student enrolled in a course of credit who is recognized by the institution as seeking a degree or certificate.

First-time undergraduate student means an entering undergraduate who has never attended any institution of higher education. It includes a student enrolled in the fall term who attended a postsecondary institution for the first time in the prior summer term, and a student who entered with advanced standing (college credit earned before graduation from high school).

Normal time is the amount of time necessary for a student to complete all requirements for a degree or certificate according to the institution's catalog. This is typically four years for a bachelor's degree in a standard term-based institution, two years for an associate degree in a standard term-based institution, and the various scheduled times for certificate programs.

Notice means a notification of the availability of information an institution is required by this subpart to disclose, provided to an individual on a one-to-one basis through an appropriate mailing or publication, including direct mailing through the U.S. Postal Service, campus mail, or electronic mail. Posting on an Internet website or an Intranet website does not constitute a notice.

Official fall reporting date means that date (in the fall) on which an institution must report fall enrollment data

to either the State, its board of trustees or governing board, or some other external governing body.

Prospective employee means an individual who has contacted an eligible institution for the purpose of requesting information concerning employment with that institution.

Prospective student means an individual who has contacted an eligible institution requesting information concerning admission to that institution.

Undergraduate students, for purposes of §§668.45 and 668.48 only, means students enrolled in a bachelor's degree program, an associate degree program, or a vocational or technical program below the baccalaureate.

(b) *Disclosure through Internet or Intranet websites.* Subject to paragraphs (c)(2), (e)(2) through (4), or (g)(1)(ii) of this section, as appropriate, an institution may satisfy any requirement to disclose information under paragraph (d), (e), or (g) of this section for—

(1) Enrolled students or current employees by posting the information on an Internet website or an Intranet website that is reasonably accessible to the individuals to whom the information must be disclosed; and

(2) Prospective students or prospective employees by posting the information on an Internet website.

(c) *Notice to enrolled students.* (1) An institution annually must distribute to all enrolled students a notice of the availability of the information required to be disclosed pursuant to paragraphs (d), (e), and (g) of this section, and pursuant to 34 CFR 99.7 (§99.7 sets forth the notification requirements of the Family Educational Rights and Privacy Act of 1974). The notice must list and briefly describe the information and tell the student how to obtain the information.

(2) An institution that discloses information to enrolled students as required under paragraph (d), (e), or (g) of this section by posting the information on an Internet website or an Intranet website must include in the notice described in paragraph (c)(1) of this section—

(i) The exact electronic address at which the information is posted; and

(ii) A statement that the institution will provide a paper copy of the information on request.

(d) *General disclosures for enrolled or prospective students.* An institution must make available to any enrolled student or prospective student, on request, through appropriate publications, mailings or electronic media, information concerning—

(1) Financial assistance available to students enrolled in the institution (pursuant to §668.42);

(2) The institution (pursuant to §668.43); and

(3) The institution's completion or graduation rate and, if applicable, its transfer-out rate (pursuant to §668.45). In the case of a request from a prospective student, the information must be made available prior to the student's enrolling or entering into any financial obligation with the institution.

(e) *Annual security report—(1) Enrolled students and current employees—annual security report.* By October 1 of each year, an institution must distribute, to all enrolled students and current employees, its annual security report described in §668.46(b), through appropriate publications and mailings, including—

(i) Direct mailing to each individual through the U.S. Postal Service, campus mail, or electronic mail;

(ii) A publication or publications provided directly to each individual; or

(iii) Posting on an Internet website or an Intranet website, subject to paragraphs (e)(2) and (3) of this section.

(2) *Enrolled students—annual security report.* If an institution chooses to distribute its annual security report to enrolled students by posting the disclosure on an Internet website or an Intranet website, the institution must comply with the requirements of paragraph (c)(2) of this section.

(3) *Current employees—annual security report.* If an institution chooses to distribute its annual security report to current employees by posting the disclosure on an Internet website or an Intranet website, the institution must, by October 1 of each year, distribute to all current employees a notice that includes a statement of the report's availability, the exact electronic address at which the report is posted, a

brief description of the report's contents, and a statement that the institution will provide a paper copy of the report upon request.

(4) *Prospective students and prospective employees—annual security report.* The institution must provide a notice to prospective students and prospective employees that includes a statement of the report's availability, a description of its contents, and an opportunity to request a copy. An institution must provide its annual security report, upon request, to a prospective student or prospective employee. If the institution chooses to provide its annual security report to prospective students and prospective employees by posting the disclosure on an Internet website, the notice described in this paragraph must include the exact electronic address at which the report is posted, a brief description of the report, and a statement that the institution will provide a paper copy of the report upon request.

(5) *Submission to the Secretary—annual security report.* Each year, by the date and in a form specified by the Secretary, an institution must submit the statistics required by § 668.46(c) to the Secretary.

(f) *Prospective student-athletes and their parents, high school coach and guidance counselor—report on completion or graduation rates for student-athletes.* (1)(i) Except under the circumstances described in paragraph (f)(1)(ii) of this section, when an institution offers a prospective student-athlete athletically related student aid, it must provide to the prospective student-athlete, and his or her parents, high school coach, and guidance counselor, the report produced pursuant to § 668.48(a).

(ii) An institution's responsibility under paragraph (f)(1)(i) of this section with reference to a prospective student athlete's high school coach and guidance counselor is satisfied if—

(A) The institution is a member of a national collegiate athletic association;

(B) The association compiles data on behalf of its member institutions, which data the Secretary determines are substantially comparable to those required by § 668.48(a); and

(C) The association distributes the compilation to all secondary schools in the United States.

(2) By July 1 of each year, an institution must submit to the Secretary the report produced pursuant to § 668.48.

(g) *Enrolled students, prospective students, and the public—report on athletic program participation rates and financial support data.* (1)(i) An institution of higher education subject to § 668.47 must, not later than October 15 of each year, make available on request to enrolled students, prospective students, and the public, the report produced pursuant to § 668.47(c). The institution must make the report easily accessible to students, prospective students, and the public and must provide the report promptly to anyone who requests it.

(ii) The institution must provide notice to all enrolled students, pursuant to paragraph (c)(1) of this section, and prospective students of their right to request the report described in paragraph (g)(1) of this section. If the institution chooses to make the report available by posting the disclosure on an Internet website or an Intranet website, it must provide in the notice the exact electronic address at which the report is posted, a brief description of the report, and a statement that the institution will provide a paper copy of the report on request. For prospective students, the institution may not use an Intranet website for this purpose.

(2) An institution must submit the report described in paragraph (g)(1)(i) of this section to the Secretary within 15 days of making it available to students, prospective students, and the public.

§ 668.44 Availability of employees for information dissemination purposes.

(a) *Availability.* (1) Except as provided in paragraph (b) of this section each institution shall designate an employee or group of employees who shall be available on a full-time basis to assist enrolled or prospective students in obtaining the information specified in §§ 668.42, 668.43, 668.45 and 668.46.

(2) If the institution designates one person, that person shall be available, upon reasonable notice, to any enrolled or prospective student throughout the normal administrative working hours of that institution.

(b) *Waiver.* (1) the Secretary may waive the requirement that the employee or group of employees designated under paragraph (a) of this section be available on a full-time basis if the institution's total enrollment, or the portion of the enrollment participating in the title IV, HEA programs, is too small to necessitate an employee or group of employees being available on a full-time basis.

(3)(i) An institution that offers a predominant number of its programs based on semesters, trimesters, or quarters must base its completion or graduation rate and, if applicable, transfer-out rate calculations, on the cohort of first-time, certificate- or degree-seeking, full-time undergraduate students who enter the institution during the fall term of each year.

if, as a result of the verification process, the institution finds—

(i) No errors in nondollar items used to calculate the applicant's EFC;

(ii) No dollar amount in excess of \$400 as calculated by the net difference between the corrected sum of Adjusted Gross Income (AGI) plus untaxed income minus U.S. taxes paid and the uncorrected sum of Adjusted Gross Income (AGI) plus untaxed income minus U.S. taxes paid. If no Federal Income Tax Return was filed, income earned from work may be used in lieu of Adjusted Gross Income (AGI).

(b) For the Federal Pell Grant, ACG, and National SMART Grant programs—

(1) If an institution does not recalculate an applicant's EFC under the provisions of paragraph (a)(2) of this section, the institution shall calculate and disburse the applicant's Federal Pell Grant, ACG, or National SMART Grant award on the basis of the applicant's original EFC.

(2)(i) Except as provided under paragraph (b)(2)(ii) of this section, if an institution recalculates an applicant's EFC because of a change in application information resulting from the verification process, the institution shall—

(A) Require the applicant to resubmit his or her application to the Secretary;

(B) Recalculate the applicant's Federal Pell Grant, ACG, or National SMART Grant award on the basis of the EFC on the corrected SAR or ISIR; and

(C) Disburse any additional funds under that award only if the applicant provides the institution with the corrected SAR or ISIR and only to the extent that additional funds are payable based on the recalculation.

(ii) If an institution recalculates an applicant's EFC because of a change in application information resulting from the verification process and determines that the change in the EFC increases the applicant's award, the institution—

(A) May disburse the applicant's Federal Pell, ACG, or National SMART Grant award on the basis of the original EFC without requiring the applicant to resubmit his or her application information to the Secretary; and

Off. of Postsecondary Educ., Education

§ 668.60

(B) Except as provided in § 668.60(b), shall disburse any additional funds under the increased award reflecting the new EFC if the institution receives the corrected SAR or ISIR.

(c) For the campus-based, and Federal Stafford Loan or Federal Direct Stafford/Ford Direct Loan programs—

(1) Except as provided in paragraph (c)(2) of this section, if the information on an application changes as a result of the verification process, the institution shall—

(i) Recalculate the applicant's EFC; and

(ii) Adjust the applicant's financial aid package for the campus-based, and Federal Stafford Loan or Federal Direct Stafford/Ford Direct Loan programs to reflect the new EFC if the new EFC results in an overaward of campus-based funds or decreases the applicant's recommended loan amount.

(2) An institution need not recalculate an applicant's EFC or adjust his or her aid package if, as a result of the verification process, the institution finds—

(i) No errors in nondollar items used to calculate the applicant's EFC;

(ii) No dollar amount in excess of \$400 as calculated by the net difference between the corrected sum of Adjusted Gross Income (AGI) plus untaxed income minus U.S. taxes paid and the uncorrected sum of Adjusted Gross Income (AGI) plus untaxed income minus U.S. taxes paid. If no Federal Income Tax Return was filed, income earned from work may be used in lieu of Adjusted Gross Income (AGI).

(d)(1) If the institution selects an applicant for verification for an award year who previously received a Direct Subsidized Loan for that award year, and as a result of verification the loan amount is reduced, the institution shall comply with the procedures specified in § 668.61(b)(2).

(2) If the institution selects an applicant for verification for an award year who previously received a loan under the Federal Stafford Loan Program for that award year, and as a result of verification the loan amount is reduced, the institution shall comply with the procedures for notifying the borrower and lender specified in § 668.61(b) and § 682.604(h).

(e) If the applicant has received funds based on information which may be incorrect and the institution has made a reasonable effort to resolve the alleged discrepancy, but cannot do so, the institution shall forward the applicant's name, social security number, and other relevant information to the Secretary.

(a) An institution shall require an applicant selected for verification to submit to it, within the period of time it or the Secretary specifies, the documents set forth in § 668.57 that are requested by the institution or the Secretary.

(b) For purposes of the campus-based, Federal Stafford Loan, Federal Direct Stafford/Ford Loan programs—

(1) If an applicant fails to provide the requested documentation within a reasonable time period established by the institution or by the Secretary—

(i) The institution may not—

(A) Disburse any additional Federal Perkins Loan, FSEOG or funds to the applicant;

(B) Continue to employ or allow an employer to employ the applicant under FWS;

(C) Certify the applicant's Federal Stafford Loan application or originate the applicant's Direct Subsidized Loan; or

(D) Process Federal Stafford Loan or Direct Subsidized Loan Direct Loan proceeds for the applicant;

(ii) The institution shall return to the lender, or to the Secretary, in the case of a Direct Subsidized Loan, any Federal Stafford Loan or Direct Subsidized Loan proceeds that otherwise would be payable to the applicant; and

34 CFR Ch. VI (7-1-07 Edition)

(2) If the applicant provides the requested documentation after the time period established by the institution, the institution may, at its option, award aid to the applicant notwithstanding paragraph (b)(1)(i) of this section; and

(3) An institution may not withhold any Federal Stafford Loan proceeds from an applicant under paragraph (b)(1)(i)(D) of this section for more than 45 days. If the applicant does not complete verification within the 45-day period, the institution shall return the Federal Stafford Loan proceeds to the lender.

(c) For purposes of the Federal Pell Grant, ACG, and National SMART Grant programs—

(1) An applicant may submit a verified SAR to the institution or the institution may receive a verified ISIR after the applicable deadline specified in 34 CFR 690.61 and 691.61 but within an established additional time period set by the Secretary through publication of a notice in the FEDERAL REGISTER. If the institution receives a verified SAR or ISIR during the established additional time period, and the EFC on the two SARs or ISIRs are different, payment must be based on the higher of the two EFCs.

(2) If the applicant does not provide to the institution the requested documentation and, if necessary, a verified SAR or the institution does not receive a verified ISIR, within the additional time period referenced in paragraph (c)(1) of this section, the applicant—

(i) Forfeits the Federal Pell Grant, ACG, or National SMART Grant for the award year; and

(ii) Shall return any Federal Pell Grant, ACG, or National SMART Grant payments previously received for that award year to the Secretary.

(d) The Secretary may determine not to process any subsequent application for Federal Pell Grant, ACG, or National SMART Grant program assistance, and an institution, if directed by the Secretary, may not process any subsequent application for campus-based, Federal Direct Stafford/Ford Loan, or Federal Stafford Loan program assistance of an applicant who has been requested to provide documentation until the applicant provides

the documentation or the Secretary decides that there is no longer a need for the documentation.

(e) If an applicant selected for verification for an award year dies before the deadline for completing the verification process without completing that process, and the deadline is in the subsequent award year, the institution may not—

(1) Make any further disbursements on behalf of that applicant;

(2) Certify that applicant's Federal Stafford Loan application, originate that applicant's Direct Subsidized Loan, or process that applicant's Federal Stafford Loan or Direct Subsidized Loan proceeds; or

(3) Consider any funds it disbursed to that applicant under § 668.58(a)(2) as an overpayment.

§ 668.61 Recovery of funds.

(a) If an institution discovers, as a result of the verification process, that an applicant received under § 668.58(a)(2)(ii)(A) more financial aid than the applicant was eligible to receive, the institution shall eliminate the overpayment by—

(1) Adjusting subsequent financial aid payments in the award year in which the overpayment occurred; or

(2) Reimbursing the appropriate program account by—

(i) Requiring the applicant to return the overpayment to the institution if the institution cannot correct the overpayment under paragraph (a)(1) of this section; or

(ii) Making restitution from its own funds, by the earlier of the following dates, if the applicant does not return the overpayment:

(A) Sixty days after the applicant's last day of attendance.

(B) The last day of the award year in which the institution disbursed Federal Pell Grant, ACG, National SMART Grant, Federal Perkins Loan, or FSEOG funds to the applicant.

(b)(1) If the institution determines as a result of the verification process that an applicant received Stafford Loan or

proceeds for an award year in excess of the student's financial need for the loan, the institution shall withhold and promptly return to the lender or escrow agent any disbursement not yet delivered to the student that exceeds the amount of assistance for which the student is eligible, taking into account other financial aid received by the student. However, instead of returning the entire undelivered disbursement, the school may choose to return promptly to the lender only the portion of the disbursement for which the student is ineligible. In either case, the institution shall provide the lender with a written statement describing the reason for the returned loan funds.

(2) If the institution determines as a result of the verification process that a student received Direct Subsidized Loan proceeds for an award year in excess of the student's need for the loan, the institution shall reduce or cancel one or more subsequent disbursements to eliminate the amount in excess of the student's need.

§ 668.82 Standard of conduct.

(a) A participating institution or a third-party servicer that contracts with that institution acts in the nature of a fiduciary in the administration of the Title IV, HEA programs. To participate in any Title IV, HEA program, the institution or servicer must at all times act with the competency and integrity necessary to qualify as a fiduciary.

(b) In the capacity of a fiduciary—

(1) A participating institution is subject to the highest standard of care and diligence in administering the programs and in accounting to the Secretary for the funds received under those programs; and

(2) A third-party servicer is subject to the highest standard of care and diligence in administering any aspect of the programs on behalf of the institutions with which the servicer contracts and in accounting to the Secretary and those institutions for any funds administered by the servicer under those programs.

(c) The failure of a participating institution or any of the institution's third-party servicers to administer a Title IV, HEA program, or to account for the funds that the institution or servicer receives under that program, in accordance with the highest standard of care and diligence required of a fiduciary, constitutes grounds for—

(C) The servicer employs a person in a capacity that involves the administration of Title IV, HEA programs or the receipt of Title IV, HEA program funds who has been convicted of, or has pled *nolo contendere* or guilty to, a crime involving the acquisition, use, or expenditure of Federal, State, or local government funds, or who has been administratively or judicially determined to have committed fraud or any other material violation of law involving those funds; or

(2) A violation for a reason contained in paragraph (d)(1) of this section is grounds for terminating—

(i) The servicer's eligibility to contract with any institution to administer any aspect of the institution's participation in a Title IV, HEA program; and

(ii) The participation in any Title IV, HEA program of any institution under whose contract the servicer committed the violation, if that institution had been aware of the violation and had failed to take the appropriate action described in paragraph (d)(1)(ii) of this section.

(e)(1) A participating institution or third-party servicer, as applicable, violates its fiduciary duty if—

(i)(A) The institution or servicer, as applicable, is debarred or suspended under Executive Order (E.O.) 12549 (3 CFR, 1986 Comp., p. 189) or the Federal Acquisition Regulations (FAR), 48 CFR part 9, subpart 9.4; or

(B) Remove the principal from responsibility for any aspect of the administration of an institution's or servicer's participation in the Title IV, HEA programs.

(2) A violation for a reason contained in paragraph (e)(1) of this section is grounds for terminating—

(i) The institution's participation in any Title IV, HEA program; and

(ii) The servicer's eligibility to contract with any institution to administer any aspect of the institution's participation in any Title IV, HEA program. The violation is also grounds for terminating, under this subpart, the participation in any Title IV, HEA program of any institution under whose contract the servicer committed the violation, if that institution knew or should have known of the violation.

(f)(1) The debarment of a participating institution or third-party servicer, as applicable, under E.O. 12549 (3 CFR, 1986 Comp., p. 189) or the FAR,

48 CFR part 9, subpart 9.4, or another Federal agency from participation in Federal programs, under procedures described in 34 CFR 85.612(d) terminates, for the duration of the debarment—

(i) The institution's participation in any Title IV, HEA program; and

(ii) The servicer's eligibility to contract with any institution to administer any aspect of the institution's participation in any Title IV, HEA program.

(2)(i) The suspension of a participating institution or third-party servicer, as applicable, under E.O. 12549 (3 CFR, 1986 Comp., p. 189) or the FAR, 48 CFR part 9, subpart 9.4, or another Federal agency from participation in Federal programs, under procedures described in 34 CFR 85.612(d), suspends—

(A) The institution's participation in any Title IV, HEA program; and

(B) The servicer's eligibility to contract with any institution to administer any aspect of the institution's participation in any Title IV, HEA program.

(ii) A suspension described in paragraph (f)(2) of this section lasts for a period of 60 days, beginning on the effective date specified in the notice by the Secretary under 34 CFR 85.201(b), unless—

(A) The institution or servicer, as applicable, and the Secretary, agree to an extension of the suspension; or

(B) The Secretary begins a limitation or termination proceeding against the institution or servicer, as applicable, under this subpart before the 60th day of the suspension.

(3) A debarment or suspension not described in (f)(1) or (f)(2) of this section of a participating institution or third-party servicer by another Federal agency constitutes prima facie evidence in a proceeding under this subpart that cause for suspension or debarment and termination, as applicable, exists.

§ 668.83 Emergency action.

(a) Under an emergency action, the Secretary may—

(1) Withhold Title IV, HEA program funds from a participating institution or its students, or from a third-party servicer, as applicable;

(2)(i) Withdraw the authority of the institution or servicer, as applicable, to commit, disburse, deliver, or cause the commitment, disbursement, or delivery of Title IV, HEA program funds; or

(b)(1) An initiating official begins an emergency action against an institution or third-party servicer by sending the institution or servicer a notice by registered mail, return receipt requested. In an emergency action against a third-party servicer, the official also sends the notice to each institution that contracts with the servicer. The official also may transmit the notice by other, more expeditious means if practical.

(2) The emergency action takes effect on the date the initiating official mails the notice to the institution or servicer, as applicable.

(3) The notice states the grounds on which the emergency action is based, the consequences of the emergency action, and that the institution or servicer, as applicable, may request an opportunity to show cause why the emergency action is unwarranted.

(c)(1) An initiating official takes emergency action against an institution or third-party servicer only if that official—

(i) Receives information, determined by the official to be reliable, that the institution or servicer, as applicable, is

violating any statutory provision of or applicable to Title IV of the HEA, any regulatory provision prescribed under that statutory authority, or any applicable special arrangement, agreement, or limitation entered into under the authority of statutes applicable to Title IV of the HEA;

(ii) Determines that immediate action is necessary to prevent misuse of Title IV, HEA program funds; and

(A) The participation of the institution in one or more Title IV, HEA programs; or

(B) The eligibility of the servicer to contract with any institution to administer any aspect of the institution's participation in a Title IV, HEA program.

(2) Examples of violations of a Title IV, HEA program requirement that cause misuse and the likely loss of Title IV, HEA program funds include—

(i) Causing the commitment, disbursement, or delivery by any party of Title IV, HEA program funds in an amount that exceeds—

(A) The amount for which students are eligible; or

(B) The amount of principal, interest, or special allowance payments that would have been payable to the holder of a Federal Stafford or Federal PLUS loan if a refund allocable to that loan had been made in the amount and at the time required;

(ii) Using, offering to make available, or causing the use or availability of Title IV, HEA program funds for educational services if—

(A) The institution, servicer, or agents of the institution or servicer have made a substantial misrepresentation as described in §§ 668.72, 668.73, or 668.74 related to those services;

(B) The institution lacks the administrative or financial ability to provide those services in full; or

(C) The institution, or servicer, as applicable, lacks the administrative or financial ability to make all required payments under § 668.22; and

(C) Falsification, including false certifications, of any document used for or pertaining to—

(1) The legal authority of an institution to provide postsecondary education in the State in which the institution is located; or

(2) The accreditation or preaccreditation of an institution or any of the institution's educational programs or locations;

(D) Falsification, including false certifications, of any document submitted to a guaranty agency under the Federal Stafford Loan or Federal PLUS programs or an independent auditor;

(E) Falsification of any document submitted to a third-party servicer by an institution or to an institution by a third-party servicer pertaining to the institution's participation in a Title IV, HEA program; and

(F) Falsification, including false certifications, of any document pertaining to the performance of any loan collection activity, including activity that is not required by the HEA or applicable program regulations.

(3) If the Secretary begins an emergency action against a third-party servicer, the Secretary may also begin an emergency action against any institution under whose contract a third-party servicer commits the violation.

(d)(1) Except as provided in paragraph (d)(2) of this section, after an emergency action becomes effective, an institution or third-party servicer, as applicable, may not—

(i) Make or increase awards or make other commitments of aid to a student under the applicable Title IV, HEA program;

(ii) Disburse either program funds, institutional funds, or other funds as assistance to a student under that Title IV, HEA program;

(iii) In the case of an emergency action pertaining to participation in the Federal Stafford Loan or Federal PLUS programs—

(A) Certify an application for a loan under that program;

(B) Deliver loan proceeds to a student under that program; or

(C) Retain the proceeds of a loan made under that program that are received after the emergency action takes effect; or

(iv) In the case of an emergency action against a third-party servicer, administer any aspect of any institution's participation in any Title IV, HEA program.

(2) If the initiating official withdraws, by an emergency action, the authority of the institution or servicer to commit, disburse, deliver, or cause the commitment, disbursement, or delivery of Title IV, HEA program funds, or the authority of the servicer to administer any aspect of any institution's participation in any Title IV, HEA program, except in accordance with a particular procedure specified in the notice of emergency action, the institution or servicer, as applicable, may not take any action described in paragraph (d)(1) of this section except in accordance with the procedure specified in the notice.

(e)(1) Upon request by the institution or servicer, as applicable, the Secretary provides the institution or servicer, as soon as practicable, with an opportunity to show cause that the emergency action is unwarranted or should be modified.

(2) An opportunity to show cause consists of an opportunity to present evidence and argument to a show-cause official. The initiating official does not act as the show-cause official for any emergency action that the initiating official has begun. The show-cause official is authorized to grant relief from the emergency action. The institution or servicer may make its presentation in writing or, upon its request, at an informal meeting with the show-cause official.

(3) The show-cause official may limit the time and manner in which argument and evidence may be presented in order to avoid unnecessary delay or the

presentation of immaterial, irrelevant, or repetitious matter.

(4) The institution or servicer, as applicable, has the burden of persuading the show-cause official that the emergency action imposed by the notice is unwarranted or should be modified because—

(i) The grounds stated in the notice did not, or no longer, exist;

(ii) The grounds stated in the notice will not cause loss or misuse of Title IV, HEA program funds; or

(iii) The institution or servicer, as applicable, will use procedures that will reliably eliminate the risk of loss from the misuse described in the notice.

(5) The show-cause official continues, modifies, or revokes the emergency action promptly after consideration of any argument and evidence presented by the institution or servicer, as applicable, and the initiating official.

(6) The show-cause official notifies the institution or servicer, as applicable, of that official's determination promptly after the completion of the show-cause meeting or, if no meeting is requested, after the official receives all the material submitted by the institution in opposition to the emergency action. In the case of a notice to a third-party servicer, the official also notifies each institution that contracts with the servicer of that determination. The show-cause official may explain that determination by adopting or modifying the statement of reasons provided in the notice of emergency action.

(f)(1) An emergency action does not extend more than 30 days after initiated unless the Secretary initiates a limitation, suspension, or termination proceeding under this part or under 34 CFR part 600 against the institution or servicer, as applicable, within that 30-day period, in which case the emergency action continues until a final decision is issued in that proceeding, as provided in § 668.90(c), as applicable.

(2) Until a final decision is issued by the Secretary in a proceeding described in paragraph (f)(1) of this section, any action affecting the emergency action

is at the sole discretion of the initiating official, or, if a show-cause proceeding is conducted, the show-cause official.

(3) If an emergency action extends beyond 180 days by virtue of paragraph (f)(1) of this section, the institution or servicer, as applicable, may then submit written material to the show-cause official to demonstrate that because of facts occurring after the later of the notice by the initiating official or the show-cause meeting, continuation of the emergency action is unwarranted and the emergency action should be modified or ended. The show-cause official considers any written material submitted and issues a determination that continues, modifies, or revokes the emergency action.

(g) The expiration of an emergency action, or its modification or revocation by the show-cause official, does not bar subsequent emergency action on a ground other than one specifically identified in the notice imposing the prior emergency action. Separate grounds may include violation of an agreement or limitation imposed or resulting from the prior emergency action.

(ii) Specifies the proposed effective date of the fine, which is at least 20 days from mailing of the notice of intent;

(iii) Informs the institution or servicer that the fine will not be effective on the date specified in the notice if the designated department official receives from the institution or servicer, as applicable, by that date a written request for a hearing or written material indicating why the fine should not be imposed; and

(a) *Scope and consequences.* (1) The Secretary may limit or terminate an institution's participation in a Title IV, HEA program or the eligibility of a third-party servicer to contract with any institution to administer any aspect of the institution's participation in any Title IV, HEA program, if the institution or servicer—

(i) Violates any statutory provision of or applicable to Title IV of the HEA, any regulatory provision prescribed under that statutory authority, or any applicable special arrangement, agreement, or limitation entered into under the authority of statutes applicable to Title IV of the HEA; or

(2) If the institution or servicer does not request a hearing but submits written material, the designated department official, after considering that material, notifies the institution or, in

steps to conduct a fair and impartial hearing.

(b)(1) The hearing official is not authorized to issue subpoenas.

(2) If requested by the hearing official, the parties to a hearing shall provide available personnel who have knowledge about the matter under review for oral or written examination.

(c) The hearing official takes whatever measures are appropriate to expedite a hearing. These measures may include, but are not limited to, the following—

(1) Scheduling of conferences;

(2) Setting time limits for hearings and submission of written documents; and

(3) Terminating the hearing and issuing a decision against a party if that party does not meet those time limits.

(d) The hearing official is bound by all applicable statutes and regulations. The hearing official may not—

(1) Waive applicable statutes and regulations; or

§ 668.90 Initial and final decisions.

(a)(1)(i) A hearing official issues a written initial decision in a hearing by certified mail, return receipt requested to—

(A) The designated department official who began a proceeding against an institution or third-party servicer;

(B) The institution or servicer, as applicable; and

(C) In the case of a proceeding against a third-party servicer, each institution that contracts with the servicer.

(ii) The hearing official may also transmit the notice by other, more expeditious means if practical.

(iii) The hearing official issues the decision within the latest of the following dates:

(A) The 30th day after the last submission is filed with the hearing official.

(B) The 60th day after the last submission is filed with the hearing official if the Secretary, upon request of

the hearing official, determines that the unusual complexity of the case requires additional time for preparation of the decision.

(C) The 50th day after the last day of the hearing, if the hearing official does not request the parties to make any posthearing submission.

(2) The hearing official's initial decision states whether the imposition of the fine, limitation, suspension, or termination sought by the designated department official is warranted, in whole or in part. If the designated department official brought a termination action against the institution or servicer, the hearing official may, if appropriate, issue an initial decision to fine the institution or servicer, as applicable, or, rather than terminating the institution's participation or servicer's eligibility, as applicable, impose one or more limitations on the institution's participation or servicer's eligibility.

(3) Notwithstanding the provisions of paragraph (a)(2) of this section—

(i) If, in a termination action against an institution, the hearing official finds that the institution has violated the provisions of § 668.14(b)(18), the hearing official also finds that termination of the institution's participation is warranted;

(ii) If, in a termination action against a third-party servicer, the hearing official finds that the servicer has violated the provisions of § 668.82(d)(1), the hearing official also finds that termination of the institution's participation or servicer's eligibility, as applicable, is warranted;

(iii) If an action brought against an institution or third-party servicer involves its failure to provide surety in the amount specified by the Secretary under § 668.15, the hearing official finds that the amount of the surety established by the Secretary was appropriate, unless the institution can demonstrate that the amount was unreasonable;

(iv) In a termination action taken against an institution or third-party servicer based on the grounds that the institution or servicer failed to comply with the requirements of § 668.23(c)(3), if the hearing official finds that the institution or servicer failed to meet

those requirements, the hearing official finds that the termination is warranted;

(v) In a termination action against an institution based on the grounds that the institution is not financially responsible under §668.15(c)(1), the hearing official finds that the termination is warranted unless the institution demonstrates that all applicable conditions described in §668.15(d)(4) have been met; and

(vi) In a termination action against an institution or third-party servicer on the grounds that the institution or servicer, as applicable, engaged in fraud involving the administration of any Title IV, HEA program, the hearing official finds that the termination action is warranted if the hearing official finds that the institution or servicer, as applicable, engaged in that fraud. Examples of fraud include—

(A) Falsification of any document received from a student or pertaining to a student's eligibility for assistance under a Title IV, HEA program;

(B) Falsification, including false certifications, of any document submitted by the institution or servicer to the Department of Education;

(C) Falsification, including false certifications, of any document used for or pertaining to—

(1) The legal authority of an institution to provide postsecondary education in the State in which the institution is located; or

(2) The accreditation or preaccreditation of an institution or any of the institution's educational programs or locations;

(D) Falsification, including false certifications, of any document submitted to a guaranty agency under the Federal Stafford Loan, Federal PLUS, and Federal SLS programs, an independent auditor, an eligible institution, or a third-party servicer;

(E) Falsification of any document submitted to a third-party servicer by an institution or to an institution by a third-party servicer pertaining to the institution's participation in a Title IV, HEA program; and

(F) Falsification, including false certifications, of any document pertaining to the performance of any loan collection activity, including activity that is

not required by the HEA or applicable program regulations.

(4) The hearing official bases findings of fact only on evidence considered at the hearing and on matters given judicial notice. If a hearing is conducted solely through written submissions, the parties must agree to findings of fact.

(b)(1) In a suspension proceeding, the Secretary reviews the hearing official's initial decision and issues a final decision within 20 days after the initial decision. The Secretary adopts the initial decision unless it is clearly unsupported by the evidence presented at the hearing.

(2) The Secretary notifies the institution or servicer and, in the case of a suspension proceeding against a third-party servicer, each institution that contracts with the servicer of the final decision. If the Secretary suspends the institution's participation or servicer's eligibility, the suspension takes effect on the later of—

(i) The day that the institution or servicer receives the notice; or

(ii) The date specified in the designated department official's original notice of intent to suspend the institution's participation or servicer's eligibility.

(3) A suspension may not exceed 60 days unless a designated department official begins a limitation or termination proceeding under this subpart before the expiration of that period. In that case, the period may be extended until a final decision is issued in that proceeding according to paragraph (c) of this section.

(c)(1) In a fine, limitation, or termination proceeding, the hearing official's initial decision automatically becomes the Secretary's final decision 30 days after the initial decision is issued and received by both parties unless, within that 30-day period, the institution or servicer, as applicable, or the designated department official appeals the initial decision to the Secretary.

(2)(i) A party may appeal the hearing official's initial decision by submitting to the Secretary, within 30 days after the party receives the initial decision, a brief or other written statement that explains why the party believes that

§ 668.91

34 CFR Ch. VI (7-1-07 Edition)

the Secretary should reverse or modify the decision of the hearing official.

(ii) At the time the party files its appeal submission, the party shall provide a copy of that submission to the opposing party.

(iii) The opposing party shall submit its brief or other responsive statement to the Secretary, with a copy to the appellant, within 30 days after the opposing party receives the appellant's brief or written statement.

(iv) The appealing party may submit proposed findings of fact or conclusions of law. However, the proposed findings of fact must be supported by—

(A) The evidence introduced into the record at the hearing;

(B) Stipulations of the parties if the hearing consisted of written submissions; or

(C) Matters that may be judicially noticed.

(v) Neither party may introduce new evidence on appeal.

(vi) The initial decision of the hearing official imposing a fine or limiting or terminating the institution's participation or servicer's eligibility does not take effect pending the appeal.

(vii) The Secretary renders a final decision. The Secretary may delegate to a designated department official the functions described in paragraph (c)(2) (vii) through (ix) of this section.

(viii) In rendering a final decision, the Secretary considers only evidence introduced into the record at the hearing and facts agreed to by the parties if the hearing consisted only of written submissions and matters that may be judicially noticed.

(ix) If the hearing official finds that a termination is warranted pursuant to paragraph (a)(3) of this section, the Secretary may affirm, modify, or reverse the initial decision, or may remand the case to the hearing official for further proceedings consistent with the Secretary's decision. If the Secretary affirms the initial decision without issuing a statement of reasons, the Secretary adopts the opinion of the hearing official as the decision of the Secretary. If the Secretary modifies, remands, or reverses the initial decision, in whole or in part, the Sec-

retary's decision states the reasons for the action taken.

§ 668.91 Filing of requests for hearings and appeals; confirmation of mailing and receipt dates.

(a) *Filing of request for hearing, show-cause opportunity, or appeal.* (1) A request by an institution or third-party servicer for a hearing or show-cause opportunity, other material submitted by an institution or third-party servicer in response to a notice of proposed action under this subpart, or an appeal to the Secretary under this subpart must be filed with the designated department official by hand-delivery, mail, or facsimile transmission.

(2) Documents filed by facsimile transmission must be transmitted to the designated department official identified, either in the notice initiating the action, or, for an appeal, in instructions provided by the hearing official, as the individual responsible to receive them. A party filing a document by facsimile transmission must confirm that a complete and legible copy of the document was received by the Department of Education, and may be required by the designated department official to provide a hard copy of the document.

(3) The Secretary discourages the use of facsimile transmission for documents longer than five pages.

(4) If agreed upon by the parties, service of a document required to be served on another party may be made upon the other party by facsimile transmission.

(2) The individual subject to the penalty described in paragraph (d)(1) is any individual who—

§ 668.98 Interlocutory appeals to the Secretary from rulings of a hearing official.

(a) A ruling by a hearing official may not be appealed to the Secretary until the issuance of an initial decision, except that the Secretary may, at any time prior to the issuance of the initial decision, grant a review of a ruling upon either a certification by a hearing official of the ruling to the Secretary for review or the filing of a petition for review of a ruling by one or both of the parties, if—

(1) That ruling involves a controlling question of substantive or procedural law; and

(2) The immediate resolution of the question will materially advance the final disposition of the proceeding or subsequent review will be an inadequate remedy.

(b)(1) A petition for interlocutory review of an interim ruling must include the following:

(i) A brief statement of the facts necessary to an understanding of the issue on which review is sought.

(ii) A statement of the issue.

(iii) A statement of the reasons showing that the ruling complained of involves a controlling question of substantive or procedural law and why immediate review of the ruling will materially advance the disposition of the case, or why subsequent review will be an inadequate remedy.

(2) A petition may not exceed ten pages, double-spaced, and must be filed

(c) A copy of the petition must be provided to the hearing official at the time of filing with the secretary, and a copy of a petition or any certification must be served upon the parties by certified mail, return receipt requested. The petition or certification must reflect this service.

(d) If a party files a petition under this section, the hearing official may state to the Secretary a view as to whether review is appropriate or inappropriate by submitting a brief statement addressing the party's petition within 10 days of the receipt of that petition by the hearing official. A copy of the statement must be served on all parties by certified mail, return receipt requested.

(e) A party's response to a petition or certification for interlocutory review must be filed within seven days after service of the petition or statement, as applicable, and may not exceed ten pages, double-spaced, in length. A copy of the response must be served on the parties and the hearing official by hand delivery or regular mail.

(f) The filing of a petition for interlocutory review does not automatically stay the proceedings. A stay during consideration of a petition for review may be granted by the hearing official if that official has certified or stated to the Secretary that review of the ruling is appropriate. The Secretary may order a stay of proceedings at any time after the filing of a request for interlocutory review.

(g) The Secretary notifies the parties if a petition or certification for interlocutory review is accepted, and may provide the parties a reasonable time within which to submit written argument with regard to the merit of the petition or certification.

(h) If the Secretary takes no action on a petition or certification for review within 15 days of receipt of it, the request is deemed to be denied.

§ 668.124 Interlocutory appeals to the Secretary from rulings of a hearing official.

(a) A ruling by a hearing official may not be appealed to the Secretary until the issuance of an initial decision, except that the Secretary may, at any time prior to the issuance of the initial decision, grant a review of a ruling upon either a certification by a hearing official of the ruling to the Secretary for review or the filing of a petition for review of a ruling by one or both of the parties, if—

(2) The immediate resolution of the question will materially advance the final disposition of the proceeding or

§ 668.130

34 CFR Ch. VI (7-1-07 Edition)

subsequent review will be an inadequate remedy.

(b)(1) A petition for interlocutory review of an interim ruling must include the following:

(i) A brief statement of the facts necessary to an understanding of the issue on which review is sought.

(ii) A statement of the issue.

(iii) A statement of the reasons showing that the ruling complained of involves a controlling question of substantive or procedural law and why immediate review of the ruling will materially advance the disposition of the case, or why subsequent review will be an inadequate remedy.

(2) A petition may not exceed ten pages, double-spaced, and must be filed with a copy of the ruling and any findings and opinions relating to the ruling.

(c) A copy of the petition must be provided to the hearing official at the time of filing with the Secretary, and a copy of a petition or any certification must be served upon the parties by certified mail, return receipt requested. The petition or certification must reflect this service.

A copy of the statement must be served on all parties by certified mail, return receipt requested.

(e) A party's response to a petition or certification for interlocutory review must be filed within seven days after service of the petition or statement, as applicable, and may not exceed ten pages, double-spaced, in length. A copy of the response must be served on the parties and the hearing official by hand delivery or regular mail.

(f) The filing of a petition for interlocutory review does not automatically stay the proceedings. A stay during consideration of a petition for review may be granted by the hearing official if that official has certified or stated to the Secretary that review of the ruling is appropriate. The Secretary may order a stay of proceedings at any time

after the filing of a request for interlocutory review.

(g) The Secretary notifies the parties if a petition or certification for interlocutory review is accepted, and may provide the parties a reasonable time within which to submit written argument with regard to the merit of the petition or certification.

(h) If the Secretary takes no action on a petition or certification for review within 15 days of receipt of it, the request is deemed to be denied.

(i) The Secretary may affirm, modify, set aside, or remand the interim ruling of the hearing official.

§ 668.145 Test approval procedures.

Except as provided in § 668.143—

(a)(1) When the Secretary receives a complete application from a test publisher, the Secretary selects experts in the field of educational testing and assessment, who possess appropriate advanced degrees and experience in test development or psychometric research, to determine whether the test meets the requirements for test approval contained in §§ 668.146, 668.147, 668.148, or 668.149, as appropriate, and to advise the Secretary of their determinations;

(2) If the test involves a language other than English, the Secretary selects at least one individual described in paragraph (a)(1) of this section who is fluent in the language in which the test is written to advise the Secretary on whether the test meets the additional criteria, provisions, and conditions for test approval contained in §§ 668.148 and 668.149;

(b) The Secretary determines whether the test publisher's test meets the criteria and requirements for approval after taking the advice of the experts into account;

(c)(1) If the Secretary determines that a test satisfies the criteria and requirements for test approval, the Secretary notifies the test publisher of the Secretary's decision, and publishes the name of the test and the passing scores in the FEDERAL REGISTER.

(2) If the Secretary determines that a test does not satisfy the criteria and requirements for test approval, the Secretary notifies the test publisher of the Secretary's decision, and the reasons why the test did not meet those criteria and requirements.

(3) The test publisher may request that the Secretary reevaluate the Secretary's decision. Such a request must be accompanied by—

(i) Documentation and information that address the reasons for the non-approval of the test; and

(ii) An analysis of why the information and documentation submitted meet the criteria and requirements for test approval notwithstanding the Secretary's earlier decision to the contrary.

(d)(1) The Secretary approves a test for a period not to exceed five years

from the date of the Secretary's written notice to the test publisher.

(2) The Secretary extends the approval period of a test to include the period of review if the test publisher re-submits the test for review and approval under § 668.144 at least six months before the date on which the test approval is scheduled to expire;

(e) The approval of a test may be withdrawn if the Secretary determines that the publisher violated any terms of the agreement described in § 668.150, or that the information the publisher submitted as a basis for approval of the test was inaccurate;

(f) If the Secretary revokes approval of a previously approved test, the Secretary publishes a notice of that revocation in the FEDERAL REGISTER. The revocation becomes effective 120 days from the date the notice of revocation is published in the FEDERAL REGISTER; and

(g) For test batteries that contain multiple sub-tests measuring content domains other than verbal and quantitative domains, the Secretary reviews only those subtests covering verbal and quantitative domains.

§ 668.149 Special provisions for the approval of assessment procedures for special populations for whom no tests are reasonably available.

If no test is reasonably available for persons with disabilities or students whose native language is not English and who are not fluent in English, so that no test can be approved under §§ 668.146 or 668.148 for these students, the following procedures apply:

(a) *Persons with disabilities.* (1) The Secretary considers a modified test or testing procedure, or instrument that has been scientifically developed specifically for the purpose of evaluating the ability to benefit from postsecondary training or education of disabled students to be an approved test for purposes of this subpart provided that the testing procedure or instrument measures both basic verbal and quantitative skills at the secondary school level.

(2) The Secretary considers the passing scores for these testing procedures or instruments to be those rec-

ommended by the test developer, provided that the test administrator—

(i) Uses those procedures or instruments;

(ii) Maintains appropriate documentation, including a description of the procedures or instruments, their content domains, technical properties, and scoring procedures; and

(iii) Observes recommended passing scores.

(b) *Students whose native language is not English.* The Secretary considers a test in a student's native language for a student whose native language is not English to be an approved test under this subpart if—

(1) The Secretary has not approved any test in that native language;

(2) The test was not previously rejected for approval by the Secretary;

(3) The test measures both basic verbal and quantitative skills at the secondary school level; and

(4) The passing scores and the methods for determining the passing scores are fully documented.

§ 668.150 Agreement between the Secretary and a test publisher.

(a) If the Secretary approves a test under this subpart, the test publisher must enter into an agreement with the Secretary that contains the provisions set forth in paragraph (b) of this section before an institution may use the test to determine a student's eligibility for Title IV, HEA program funds.

(b) The agreement between a test publisher and the Secretary provides that the test publisher shall—

(1) Allow only test administrators that it certifies to give its test;

(2) Certify test administrators who have—

(i) The necessary training, knowledge, and skill to test students in accordance with the test publisher's testing requirements; and

(ii) The ability and facilities to keep its test secure against disclosure or release;

(3) Decertify a test administrator for a period that coincides with the period for which the publisher's test is approved if the test publisher finds that the test administrator—

(i) Has repeatedly failed to give its test in accordance with the publisher's instructions;

(ii) Has not kept the test secure;

(iii) Has compromised the integrity of the testing process; or

(iv) Has given the test in violation of the provisions contained in §668.151;

(4) Score a test answer sheet that it receives from a test administrator;

(5) If a computer-based test, provide the test administrator with software that will:

(i) Immediately generate a score report for each test taker;

(ii) Allow the test administrator to send to the test publisher a secure write-protected diskette copy of the test taker's performance on each test item and the test taker's test scores; and

(iii) Prohibit any changes in test taker responses or test scores.

(6) Promptly send to the student and the institution the student indicated he or she is attending or scheduled to attend a notice stating the student's score for the test and whether or not the student passed the test;

(7) Keep for a period of three years each test answer sheet or electronic record forwarded for scoring and all other documents forwarded by the test administrator with regard to the test;

(8) Three years after the date the Secretary approves the test and for each subsequent three-year period, analyze the test scores of students to determine whether the test scores produce any irregular pattern that raises an inference that the tests were not being properly administered, and provide the Secretary with a copy of this analysis; and

(9) Upon request, give the Secretary, a guaranty agency, or an accrediting agency access to test records or other documents related to an audit, investigation, or program review of the institution, test publisher, or test administrator.

(c)(1) The Secretary may terminate an agreement with a test publisher if the test publisher fails to carry out the

terms of the agreement described in paragraph (b) of this section.

(2) Before terminating the agreement, the Secretary gives the test publisher the opportunity to show that it has not failed to carry out the terms of its agreement.

(3) If the Secretary terminates an agreement with a test publisher under this section, the Secretary notifies institutions through publication in the FEDERAL REGISTER when they may no longer use the publisher's test(s) for purposes of determining a student's eligibility for Title IV, HEA program funds.

§ 668.151 Administration of tests.

(a)(1) To establish a student's eligibility for Title IV, HEA program funds under this subpart, if a student has not passed an approved state test, under §668.143, an institution must select a certified test administrator to give an approved test.

(2) An institution may use the results of an approved test it received from an approved test publisher or assessment center to determine a student's eligibility to receive Title IV, HEA programs funds if the test was independently administered and properly administered.

(b) The Secretary considers that a test is independently administered if the test is—

(1) Given at an assessment center by a test administrator who is an employee of the center; or

(2) Given by a test administrator who—

(i) Has no current or prior financial or ownership interest in the institution, its affiliates, or its parent corporation, other than the interest obtained through its agreement to administer the test, and has no controlling interest in any other educational institution;

(iv) Is not a current or former student of the institution.

(c) The Secretary considers that a test is not independently administered if an institution—

(1) Compromises test security or testing procedures;

(2) Pays a test administrator a bonus, commission, or any other incentive based upon the test scores or pass rates of its students who take the test;

(3) Otherwise interferes with the test administrator's independence or test administration.

(d) The Secretary considers that a test is properly administered if the test administrator—

(1) Is certified by the test publisher to give the publisher's test;

(2) Administers the test in accordance with instructions provided by the test publisher, and in a manner that ensures the integrity and security of the test;

(3) Makes the test available only to a test-taker, and then only during a regularly scheduled test;

(4) Secures the test against disclosure or release;

(6) Upon request, gives the Secretary, guaranty agency, licensing agency, accrediting agency, and law enforcement agencies access to test records or other documents related to an audit, investigation, or program review of the institution, or test publisher.

(e) Except as provided in § 668.152, a certified test administrator may not score a test.

(f) A student who fails to pass a test approved under this subpart may not retake the same form of the test for

the period prescribed by the test's publisher.

(g) An institution shall maintain a record for each student who took a test under this subpart of—

(1) The test taken by the student;

Except as provided in § 668.143—

(a) *Students whose native language is not English.* For a student whose native language is not English and who is not fluent in English, the institution shall use the following tests, as applicable:

(1) If the student is enrolled in a program conducted entirely in his or her native language, the student must take

a test approved under §§668.146 and 668.148(a)(2), or 668.149(b).

(2) If the student is enrolled in a program that is taught in English with an ESL component, and the student is enrolled in that program and the ESL component, the student must take either an ESL test approved under §668.148(b), or a test in the student's native language approved under §§668.146, 668.148 or 668.149.

(3) If the student is enrolled in a program that is taught in English without an ESL component, or the student does not enroll in the ESL component if the institution offers such a component, the student must take a test in English approved under §668.146.

(4) If the student enrolls in an ESL program, the student must take an ESL test approved under §668.148(b); and

(b) *Persons with disabilities.* (1) An institution shall use a test described in §668.148(a)(3) or 668.149(a) for a student with a documented impairment who has neither a high school diploma nor its equivalent and who is applying for Title IV, HEA program funds.

(2) The test must reflect the student's skills and general learned abilities rather than reflect the student's impairment.

(3) The institution shall document that a student is disabled and unable to be evaluated by the use of a conventional test from the list of tests approved by the Secretary.

(4) Documentation of a student's impairment may be satisfied by—

(i) A written determination, including a diagnosis and recommended testing accommodations, by a licensed psychologist or medical physician; or

§ 668.155 Transitional rule for the 1996-97 award year.

(b) If an institution properly based a student's eligibility determination for purposes of section 484(d) of the HEA on a test and passing score that was in effect on June 30, 1996, the institution does not have to redetermine the student's eligibility based upon a test and passing score that was approved under §§668.143 through 668.149.

§ 668.156 Approved State process.

(a)(1) A State that wishes the Secretary to consider its State process as an alternative to achieving a passing score on an approved, independently administered test for the purpose of determining a student's eligibility for Title IV, HEA program funds must apply to the Secretary for approval of that process.

(2) To be an approved State process, the State process does not have to include all the institutions located in that State, but must indicate which institutions are included.

(b) The Secretary approves a State's process if—

(1) The State administering the process can demonstrate that the students it admits under that process without a

high school diploma or its equivalent, who enroll in participating institutions have a success rate as determined under paragraph (h) of this section that is within 95 percent of the success rate of students with high school diplomas; and

(2) The State's process satisfies the requirements contained in paragraphs (c) and (d) of this section.

(c) A State process must require institutions participating in the process to provide each student they admit without a high school diploma or its recognized equivalent with the following services—

(1) Orientation regarding the institution's academic standards and requirements, and student rights;

(2) Assessment of each student's existing capabilities through means other than a single standardized test;

(3) Tutoring in basic verbal and quantitative skills, if appropriate;

(4) Assistance in developing educational goals;

(5) Counseling, including counseling regarding the appropriate class level for that student given the student's individual's capabilities; and

(6) Follow-up by teachers and counselors regarding the student's classroom performance and satisfactory progress toward program completion.

(d) A State process must—

(1) Monitor on an annual basis each participating institution's compliance with the requirements and standards contained in the State's process;

(2) Require corrective action if an institution is found to be in noncompliance with the State process requirements; and

(3) Terminate an institution from the State process if the institution refuses or fails to comply with the State process requirements.

(e)(1) The Secretary responds to a State's request for approval of its State's process within six months after the Secretary's receipt of that request. If the Secretary does not respond by the end of six months, the State's process becomes effective.

(2) An approved State process becomes effective for purposes of determining student eligibility for Title IV, HEA program funds under this subpart six months after the date on which the

State submits the process to the Secretary for approval, if the Secretary approves, or does not disapprove, the process during that six month period.

(f) The Secretary approves a State process for a period not to exceed five years.

(g)(1) The Secretary withdraws approval of a State process if the Secretary determines that the State process violated any terms of this section or that the information that the State submitted as a basis for approval of the State process was inaccurate.

(2) The Secretary provides a State with the opportunity to contest a finding that the State process violated any terms of this section or that the information that the State submitted as a basis for approval of the State process was inaccurate.

(h) The State shall calculate the success rates as referenced in paragraph (b) of this section by—

(1) Determining the number of students with high school diplomas who, during the applicable award year described in paragraph (i) of this section, enrolled in participating institutions and—

(i) Successfully completed education or training programs;

(ii) Remained enrolled in education or training programs at the end of that award year; or

(iii) Successfully transferred to and remained enrolled in another institution at the end of that award year;

(2) Determining the number of students with high school diplomas who enrolled in education or training programs in participating institutions during that award year;

(3) Determining the number of students calculated in paragraph (h)(2) of this section who remained enrolled after subtracting the number of students who subsequently withdrew or were expelled from participating institutions and received a 100 percent refund of their tuition under the institutions' refund policies;

(4) Dividing the number of students determined in paragraph (h)(1) of this section by the number of students determined in paragraph (h)(3) of this section;

(5) Making the calculations described in paragraphs (h)(1) through (h)(4) of

this section for students without a high school diploma or its recognized equivalent who enrolled in participating institutions.

(i) For purposes of paragraph (h) of this section, the applicable award year is the latest complete award year for which information is available that immediately precedes the date on which the State requests the Secretary to approve its State process, except that the award year selected must be one of the latest two completed award years preceding that application date.

Subpart K—Cash Management

SOURCE: 61 FR 60603, Nov. 29, 1996, unless otherwise noted.

§ 668.161 Scope and purpose.

(a) *General.* (1) This subpart establishes the rules and procedures under which a participating institution requests, maintains, disburses, and otherwise manages title IV, HEA program funds. This subpart is intended to—

(i) Promote sound cash management of title IV, HEA program funds by an institution;

(ii) Minimize the financing costs to the Federal Government of making title IV, HEA program funds available to a student or an institution; and

(iii) Minimize the costs that accrue to a student under a title IV, HEA loan program.

(2) The rules and procedures that apply to an institution under this subpart also apply to a third-party servicer.

(3) As used in this subpart—

(i) The title IV, HEA programs include only the Federal Pell Grant, ACG, National SMART Grant, FSEOG, Federal Perkins Loan, FWS, Direct Loan, and FFEL programs;

(ii) The term “parent” means a parent borrower under the PLUS programs;

(iii) With regard to the FFEL Programs, the term “disburse” means the same as deliver loan proceeds under 34

CFR part 682 of the FFEL Program regulations; and

(iv) A day is a calendar day unless otherwise specified.

(4) *FWS Program.* An institution must follow the disbursement procedures in 34 CFR 675.16 for paying a student his or her wages under the FWS Program instead of the disbursement procedures in §§ 668.164(b) through (g) and 668.165.

(b) *Federal interest in title IV, HEA program funds.* Except for funds received by an institution for administrative expenses and for funds used for the Job Location and Development Program under the FWS Programs, funds received by an institution under the title IV, HEA programs are held in trust for the intended student beneficiaries and the Secretary. FFEL program funds are also held in trust for the lenders and guaranty agencies, in addition to the student beneficiaries and the Secretary, under 34 CFR 682.207. The institution, as a trustee of Federal funds, may not use or hypothecate (*i.e.*, use as collateral) title IV, HEA program funds for any other purpose.

§ 668.162 Requesting funds.

(a) *General.* (1) The Secretary has sole discretion to determine the method under which the Secretary provides title IV, HEA program funds to an institution. In accordance with procedures established by the Secretary, the Secretary may provide funds to an institution under the advance, reimbursement, just-in-time, or cash monitoring payment methods.

(2) Each time an institution requests funds from the Secretary, the institution must identify the amount of funds requested by program and fiscal year designation that the Secretary assigned to the authorization for those funds.

(b) *Advance payment method.* Under the advance payment method—

(1) An institution submits a request for funds to the Secretary. The institution’s request for funds may not exceed the amount of funds the institution needs immediately for disbursements

the institution has made or will make to eligible students and parents;

(2) If the Secretary accepts that request, the Secretary initiates an electronic funds transfer (EFT) of that amount to a bank account designated by the institution; and

(3) The institution must disburse the funds requested as soon as administratively feasible but no later than three business days following the date the institution received those funds.

(c) *Just-in-time payment method.* Under the just-in-time payment method—

(1) For each student or parent that an institution determines is eligible for title IV, HEA program funds, the institution transmits electronically to the Secretary, within a timeframe established by the Secretary, records that contain program award information for that student or parent. As part of those records, the institution reports the date and amount of the disbursements that it will make or has made to that student or that student's parent;

(2) For each record the Secretary accepts for a student or parent, the Secretary provides by EFT the corresponding disbursement amount to the institution on or before the date reported by the institution for that disbursement;

(3) When the institution receives the funds for each record accepted by the Secretary, the institution may disburse those funds based on its determination at the time the institution transmitted that record to the Secretary that the student is eligible for that disbursement; and

(4) The institution must report any adjustment to a previously accepted record within the time established by the Secretary in a notice published in the FEDERAL REGISTER.

(d) *Reimbursement payment method.* Under the reimbursement payment method—

(1) An institution must first make disbursements to students and parents for the amount of funds those students and parents are eligible to receive under the Federal Pell Grant, ACG, National SMART Grant, Direct Loan, and campus-based programs before the institution may seek reimbursement from the Secretary for those disbursements. The Secretary considers an in-

stitution to have made a disbursement if the institution has either credited a student's account or paid a student or parent directly with its own funds;

(2) An institution seeks reimbursement by submitting to the Secretary a request for funds that does not exceed the amount of the actual disbursements the institution has made to students and parents included in that request;

(3) As part of the institution's reimbursement request, the Secretary requires the institution to—

(i) Identify the students for whom reimbursement is sought; and

(ii) Submit to the Secretary or entity approved by the Secretary documentation that shows that each student and parent included in the request was eligible to receive and has received the title IV, HEA program funds for which reimbursement is sought; and

(4) The Secretary approves the amount of the institution's reimbursement request for a student or parent and pays the institution that amount, if the Secretary determines with regard to that student or parent that the institution—

(i) Accurately determined the student's eligibility for title IV, HEA program funds;

(ii) Accurately determined the amount of title IV, HEA program funds paid to the student or parent; and

(iii) Submitted the documentation required under paragraph (d)(3) of this section.

(e) *Cash monitoring payment method.* Under the cash monitoring payment method, the Secretary provides title IV, HEA program funds to an institution under the provisions described in paragraph (e)(1) or (e)(2) of this section. Under either paragraph (e)(1) or (e)(2) of this section, an institution must first make disbursements to students and parents for the amount of title IV, HEA program funds that those students and parents are eligible to receive, before the institution—

(1) Submits a request for funds under the provisions of the advance payment method described in paragraph (b) of this section, except that the institution's request may not exceed the amount of

the actual disbursements the institution made to the students and parents included in that request; or

(2) Seeks reimbursement for those disbursements under the provisions of the reimbursement payment method described in paragraph (d) of this section, except that the Secretary may modify the documentation requirements and review procedures used to approve the reimbursement request.

§ 668.163 Maintaining and accounting for funds.

(a)(1) *Bank or investment account.* An institution must maintain title IV, HEA program funds in a bank or investment account that is Federally insured or secured by collateral of value reasonably equivalent to the amount of those funds.

(2) For each bank or investment account that includes title IV, HEA program funds, an institution must clearly identify that title IV, HEA program funds are maintained in that account by—

(i) Including in the name of each account the phrase “Federal Funds”; or

(ii)(A) Notifying the bank or investment company of the accounts that contain title IV, HEA program funds and retaining a record of that notice; and

(B) Except for a public institution, filing with the appropriate State or municipal government entity a UCC-1 statement disclosing that the account contains Federal funds and maintaining a copy of that statement.

(b) *Separate bank account.* The Secretary may require an institution to maintain title IV, HEA program funds in a separate bank or investment account that contains no other funds if the Secretary determines that the institution failed to comply with—

(1) The requirements in this subpart;

(2) The recordkeeping and reporting requirements in subpart B of this part; or

(3) Applicable program regulations.

(c) *Interest-bearing or investment account.* (1) An institution must maintain the Fund described in §674.8(a) of the

Federal Perkins Loan Program regulations in an interest-bearing bank account or investment account consisting predominately of low-risk, income-producing securities, such as obligations issued or guaranteed by the United States. Interest or income earned on Fund proceeds are retained by the institution as part of the Fund.

(2) Except as provided in paragraph (c)(3) of this section, an institution must maintain Direct Loan, Federal Pell Grant, ACG, National SMART Grant, FSEOG, and FWS program funds in an interest-bearing bank account or an investment account as described in paragraph (c)(1) of this section.

(3) An institution does not have to maintain Direct Loan, Federal Pell Grant, ACG, National SMART Grant, FSEOG, and FWS program funds in an interest-bearing bank account or an investment account for an award year if—

(i) The institution drew down less than a total of \$3 million of those funds in the prior award year and anticipates that it will not draw down more than that amount in the current award year;

(ii) The institution demonstrates by its cash management practices that it will not earn over \$250 on those funds during the award year; or

(iii) The institution requests those funds from the Secretary under the just-in-time payment method.

(4) If an institution maintains Direct Loan, Federal Pell Grant, ACG, National SMART Grant, FSEOG, and FWS program funds in an interest-bearing or investment account, the institution may keep the initial \$250 it earns on those funds during an award year. By June 30 of that award year, the institution must remit to the Secretary any earnings over \$250.

(d) *Accounting and internal control systems and financial records.* (1) An institution must maintain accounting and internal control systems that—

(i) Identify the cash balance of the funds of each title IV, HEA program that are included in the institution’s bank or investment account as readily as if those program funds were maintained in a separate account; and

(ii) Identify the earnings on title IV, HEA program funds maintained in the

§ 668.164

institution's bank or investment account.

(2) An institution must maintain its financial records in accordance with the provisions under § 668.24.

(e) *Standard of conduct.* An institution must exercise the level of care and diligence required of a fiduciary with regard to maintaining and investing title IV, HEA program funds.

§ 668.164 Disbursing funds.

(a) *Disbursement.* (1) Except as provided in paragraph (a)(2) of this section, an institution makes a disbursement of title IV, HEA program funds on the date that the institution credits a student's account at the institution or pays a student or parent directly with—

- (i) Funds received from the Secretary;
- (ii) Funds received from a lender under the FFEL Programs; or
- (iii) Institutional funds used in advance of receiving title IV, HEA program funds.

(2) If, earlier than 10 days before the first day of classes of a payment period, or for a student subject to the requirements of § 682.604(c)(5) or § 685.303(b)(4) earlier than 30 days after the first day of the payment period, an institution credits a student's institutional account with institutional funds in advance of receiving title IV, HEA program funds, the Secretary considers that the institution makes that disbursement on the 10th day before the first day of classes, or the 30th day after the beginning of the payment period for a student subject to the requirements of § 682.604(c)(5) or § 685.303(b)(4).

(b) *Disbursements by payment period.* (1) Except as provided in paragraph (b)(2) of this section, an institution must disburse title IV, HEA program funds on a payment period basis. Except as provided in paragraph (g) of this section, an institution may disburse title IV, HEA program funds to a student or parent for a payment period only if the student is enrolled for class-

es for that payment period and is eligible to receive those funds.

(2) The provisions of paragraph (b)(1) of this section do not apply to the disbursement of FWS Program funds.

(3) For a student enrolled in an eligible program at an institution that measures academic progress in clock hours, in determining whether the student completes the clock hours in a payment period, an institution may include clock hours for which the student has an excused absence if—

- (i) The institution has a written policy that permits excused absences; and
- (ii) The number of excused absences under the written policy for purposes of this paragraph does not exceed the lesser of—

(A) The policy on excused absences of the institution's accrediting agency or, if the institution has more than one accrediting agency, the agency designated under 34 CFR part 600.11(b);

(B) The policy on excused absences of any State agency that licenses the institution or otherwise legally authorizes the institution to operate in the State; or

(C) Ten percent of the clock hours in the payment period.

(4) For purposes of paragraph (b)(3) of this section, an "excused absence" is an absence that a student does not have to make up.

(c) *Direct payments.* An institution pays a student or parent directly by—

(1) Releasing to the student or parent a check provided by a lender to the institution under an FFEL Program;

(2) Issuing a check or other instrument payable to and requiring the endorsement or certification of the student or parent. An institution issues a check by—

- (i) Releasing or mailing the check to a student or parent; or
- (ii) Notifying the student or parent that the check is available for immediate pickup;

(3) Initiating an electronic funds transfer (EFT) to a bank account designated by the student or parent; or

(4) Dispensing cash for which an institution obtains a signed receipt from the student or parent.

(d) *Crediting a student's account at the institution.* (1) Without obtaining the student's or parent's authorization

under § 668.165, an institution may use title IV, HEA program funds to credit a student's account at the institution to satisfy current charges for—

- (i) Tuition and fees;
- (ii) Board, if the student contracts with the institution for board; and
- (iii) Room, if the student contracts with the institution for room.

(2) After obtaining the appropriate authorization from a student or parent under § 668.165, the institution may use title IV, HEA program funds to credit a student's account at the institution to satisfy—

(i) Current charges that are in addition to the charges described in paragraph (d)(1) of this section that were incurred by the student at the institution for educationally related activities; and

(ii) Minor prior award year charges if these charges are less than \$100 or if the payment of these charges does not, and will not, prevent the student from paying his or her current educational costs.

(3) If an institution disburses Direct Loan Program funds by crediting a student's account at the institution, the institution must first credit the student's account with those funds to pay for outstanding current and authorized charges.

(4) For purposes of this paragraph, current charges refers to charges assessed the student by the institution for—

- (i) The current award year; or
- (ii) The loan period for which an institution certified or originated a loan under the FFEL or Direct Loan programs.

(e) *Credit balances.* Whenever an institution disburses title IV, HEA program funds by crediting a student's account and the total amount of all title IV, HEA program funds credited exceeds the amount of tuition and fees, room and board, and other authorized charges the institution assessed the student, the institution must pay the resulting credit balance directly to the student or parent as soon as possible but—

(1) No later than 14 days after the balance occurred if the credit balance occurred after the first day of class of a payment period; or

(2) No later than 14 days after the first day of class of a payment period if the credit balance occurred on or before the first day of class of that payment period.

(f) *Early disbursements.* Except as provided under paragraph (f)(3) of this section—

(1) If a student is enrolled in a credit-hour educational program that is offered in semester, trimester, or quarter academic terms, the earliest an institution may disburse title IV, HEA program funds to a student or parent for any payment period is 10 days before the first day of classes for a payment period.

(2) If a student is enrolled in a credit-hour educational program that is not offered in semester, trimester, or quarter academic terms, or in a clock hour educational program the earliest an institution may disburse title IV, HEA program funds to a student or parent for any payment period is the later of—

(i) Ten days before the first day of classes of the payment period; or

(ii) The date the student completed the previous payment period for which he or she received title IV, HEA program funds, except that this provision does not apply to the payment of Direct Loan or FFEL program funds under the conditions described in 34 CFR 685.301 (b)(3)(ii), (b)(5), and (b)(6) and 34 CFR 682.604 (c)(6)(ii), (c)(7), and (c)(8), respectively.

(3) The earliest an institution may disburse the initial installment of a loan under the Direct Loan or FFEL programs to a first-year, first-time borrower as described in 34 CFR 682.604(c) and 34 CFR 685.303(b)(4) is 30 days after the first day of the student's program of study.

(g) *Late disbursements—*(1) *Ineligible student.* For purposes of this paragraph, an otherwise eligible student becomes ineligible to receive title IV, HEA program funds on the date that—

(i) For a loan under the FFEL and Direct Loan programs, the student is no longer enrolled at the institution as at least a half-time student for the period of enrollment for which the loan was intended; or

(ii) For an award under the Federal Pell Grant, ACG, National SMART Grant, FSEOG, and Federal Perkins

Loan programs, the student is no longer enrolled at the institution for the award year.

(2) *Conditions for a late disbursement.* Except as limited under paragraph (g)(4) of this section, a student who becomes ineligible (or the student's parent in the case of a PLUS loan) qualifies for a late disbursement if, before the date the student became ineligible—

(i) Except in the case of a parent PLUS loan, the Secretary processed a SAR or ISIR with an official expected family contribution; and

(ii) (A) For a loan under the FFEL or Direct Loan programs, the institution certified or originated the loan; or

(B) For an award under the Federal Perkins Loan or FSEOG programs, the institution made that award to the student.

(3) *Making a late disbursement.* Provided that the conditions described in paragraph (g)(2) of this section are satisfied—

(i) If the student withdrew from the institution during a payment period or period of enrollment, the institution must make any post-withdrawal disbursement required under § 668.22(a)(4) in accordance with the provisions of § 668.22(a)(5);

(ii) If the student successfully completed the payment period or period of enrollment, the institution must provide the student (or parent) the opportunity to receive the amount of title IV, HEA program funds that the student (or parent) was eligible to receive while the student was enrolled at the institution. For a late disbursement in this circumstance, the institution may credit the student's account to pay for current and allowable charges as described in paragraph (d) of this section, but must pay or offer any remaining amount to the student or parent; or

(iii) If the student did not withdraw but ceased to be enrolled as at least a half-time student, the institution may make the late disbursement of a loan under the FFEL or Direct Loan programs to pay for educational costs that the institution determines the student incurred for the period in which the student was eligible.

(4) *Limitations.* (i) Generally, an institution may not make a late disbursement

later than 120 days after the date of the institution's determination that the student withdrew, as provided under § 668.22, or, for a student who did not withdraw, 120 days after the date the student otherwise became ineligible. On an exception basis, and with the approval of the Secretary, an institution may make a late disbursement after the applicable 120-day period, if the reason the late disbursement was not made within the 120-day period was not the fault of the student.

(ii) An institution may not make a second or subsequent late disbursement of a loan under the FFEL or Direct Loan programs unless the student successfully completed the period of enrollment for which the loan was intended.

(iii) An institution may not make a late disbursement of a loan under the FFEL or Direct Loan programs if the student was a first-year, first-time borrower unless the student completed the first 30 days of his or her program of study. This limitation does not apply if the institution is exempt from the 30-day delayed disbursement requirements under § 682.604(c)(5)(i), (ii), or (iii) or § 685.303(b)(4)(i)(A), (B), or (C) of this chapter.

(iv) An institution may not make a late disbursement of a Federal Pell Grant, an ACG, or a National SMART Grant unless it received a valid SAR or a valid ISIR for the student by the deadline date established by the Secretary in a notice published in the FEDERAL REGISTER.

§ 668.165 Notices and authorizations.

(a) *Notices.* (1) Before an institution disburses title IV, HEA program funds for any award year, the institution must notify a student of the amount of funds that the student or his or her parent can expect to receive under each title IV, HEA program, and how and when those funds will be disbursed. If those funds include Direct Loan or FFEL Program funds, the notice must

indicate which funds are from subsidized loans and which are from unsubsidized loans.

(2) Except in the case of a post-withdrawal disbursement made in accordance with 34 CFR 668.22(a)(5), if an institution credits a student's account at the institution with Direct Loan, FFEL, or Federal Perkins Loan Program funds, the institution must notify the student, or parent of—

(i) The date and amount of the disbursement;

(ii) The student's right, or parent's right to cancel all or a portion of that loan or loan disbursement and have the loan proceeds returned to the holder of that loan. However, the institution does not have to provide this information with regard to FFEL Program funds unless the institution received the loan funds from a lender through an EFT payment or master check; and

(iii) The procedures and the time by which the student or parent must notify the institution that he or she wishes to cancel the loan or loan disbursement.

(3) The institution must send the notice described in paragraph (a)(2) of this section in writing no earlier than 30 days before, and no later than 30 days after, crediting the student's account at the institution.

(4)(i) A student or parent must inform the institution if he or she wishes to cancel all or a portion of a loan or loan disbursement.

(ii) The institution must return the loan proceeds, cancel the loan, or do both, in accordance with applicable program regulations if the institution receives a loan cancellation request either—

(A) Within 14 days after the date the institution sends the notice described in paragraph (a)(2) of this section; or

(B) If the institution sends the notice described in paragraph (a)(2) of this section more than 14 days prior to the first day of the payment period, by the first day of the payment period.

(iii) If a student or parent requests a loan cancellation after the period set forth in paragraph (a)(4)(ii) of this section, the institution may return the loan proceeds, cancel the loan, or do both, in accordance with applicable program regulations.

(5) An institution must inform a student or parent in writing or electronically regarding the outcome of any cancellation request.

(b) *Student or parent authorizations.* (1) If an institution obtains written authorization from a student or parent, as applicable, the institution may—

(i) Disburse title IV, HEA program funds to a bank account designated by the student or parent;

(ii) Use the student's or parent's title IV, HEA program funds to pay for charges described in §668.164(d)(2) that are included in that authorization; and

(iii) Except if prohibited by the Secretary under the reimbursement method, hold on behalf of the student or parent any title IV, HEA program funds that would otherwise be paid directly to the student or parent under §668.164(e).

(2) In obtaining the student's or parent's authorization to perform an activity described in paragraph (b)(1) of this section, an institution—

(i) May not require or coerce the student or parent to provide that authorization;

(ii) Must allow the student or parent to cancel or modify that authorization at any time; and

(iii) Must clearly explain how it will carry out that activity.

(3) A student or parent may authorize an institution to carry out the activities described in paragraph (b)(1) of this section for the period during which the student is enrolled at the institution.

(4)(i) If a student or parent modifies an authorization, the modification takes effect on the date the institution receives the modification notice.

(ii) If a student or parent cancels an authorization to use title IV, HEA program funds to pay for authorized charges under §668.164(d)(2), the institution may use title IV, HEA program funds to pay only those authorized charges incurred by the student before the institution received the notice.

(iii) If a student or parent cancels an authorization to hold title IV, HEA program funds under paragraph (b)(1)(iii) of this section, the institution must pay those funds directly to

the student or parent as soon as possible but no later than 14 days after the institution receives that notice.

(5) If an institution holds excess student funds under paragraph (b)(1)(iii) of this section, the institution must—

(i) Identify the amount of funds the institution holds for each student or parent in a subsidiary ledger account designed for that purpose;

(ii) Maintain, at all times, cash in its bank account in an amount at least equal to the amount of funds the institution holds for the student; and

(iii) Notwithstanding any authorization obtained by the institution under this paragraph, pay any remaining balance on loan funds by the end of the loan period and any remaining other title IV, HEA program funds by the end of the last payment period in the award year for which they were awarded.

§ 668.166 Excess cash.

(a) *General.* (1) The Secretary considers excess cash to be any amount of title IV, HEA program funds, other than Federal Perkins Loan Program funds, that an institution does not disburse to students or parents by the end of the third business day following the date the institution received those funds from the Secretary. Except as provided in paragraph (b) of this section, an institution must return promptly to the Secretary any amount of excess cash in its account or accounts.

(2) The provisions in this section do not apply to the title IV, HEA program funds that an institution receives from the Secretary under the just-in-time payment method.

(b) *Excess cash tolerances.* (1) If an institution draws down title IV, HEA program funds in excess of its immediate cash needs, the institution may maintain the excess cash balance in the account the institution established under § 668.164 only if—

(i) In the award year preceding that drawdown, the amount of that excess cash balance is less than—

(A) For a period of peak enrollment at the institution during which that drawdown occurs, three percent of its total prior-year drawdowns; or

(B) For any other period, one percent of its total prior-year drawdowns; and

(ii) Within the next seven days, the institution eliminates its excess cash balance by disbursing title IV, HEA program funds to students or parents for at least the amount of that balance.

(2) For the purposes of this section, a period of peak enrollment at an institution occurs when at least 25 percent of the institution's students start classes during a given 30-day period. For any award year, an institution calculates the percentage of students who started classes during a given 30-day period by—

(i) For the prior award year in which the 30-day period began, determining the number of students who started classes during that period;

(ii) Determining the total number of students who started classes during the entire award year used in paragraph (b)(2)(i) of this section;

(iii) Dividing the number of students in paragraph (b)(2)(i) of this section by the number of students in paragraph (b)(2)(ii) of this section; and

(iv) Multiplying the result obtained in paragraph (b)(2)(iii) of this section by 100.

(3) For the purpose of determining the total amount of title IV, HEA program funds under paragraph (b)(1)(i) of this section, an institution that participates in the Direct Loan Program may include, for the latest year for which the Secretary has complete data, the total amount of loans guaranteed under the FFEL Program for students attending the institution during that year.

(c) *Consequences for maintaining excess cash balances.* (1) If the Secretary finds that an institution maintains in its account excess cash balances greater than those allowed under paragraph (b) of this section, the Secretary—

(i) As provided in paragraph (c)(2) of this section, requires the institution to reimburse the Secretary for the costs the Secretary deems to have incurred

in making those excess funds available to the institution; and

(ii) May initiate a proceeding to fine, limit, suspend, or terminate the institution's participation in one or more title IV, HEA programs under subpart G of this part.

(2) For the purposes of this section, upon a finding that an institution has maintained excess cash, the Secretary—

(i) Considers the institution to have issued a check on the date that the check cleared the institution's bank account, unless the institution demonstrates to the satisfaction of the Secretary that it issued the check shortly after the institution wrote the check; and

(ii) Calculates, or requires the institution to calculate, a liability for maintaining excess cash balances in accordance with procedures established by the Secretary. Under those procedures, the Secretary assesses a liability that is equal to the difference between the earnings that the excess cash balances would have yielded if invested under the applicable current value of funds rate and the actual interest earned on those balances. The current value of funds rate is an annual percentage rate, published in a Treasury Financial Manual (TFM) bulletin, that reflects the current value of funds to the Department of Treasury based on certain investment rates. The current value of funds rate is computed each year by averaging investment rates for the 12-month period ending every September. The TFM bulletin is published annually by the Department of Treasury. Each annual bulletin identifies the current value of funds rate and the effective date of that rate.

§ 668.167 FFEL Program funds.

(a) *Requesting FFEL Program funds.* In certifying a loan application for a borrower under § 682.603—

(1) An institution may not request a lender to provide it with loan funds by EFT or master check earlier than—

(i) Twenty-seven days after the first day of classes of the first payment pe-

riod for a first-year, first-time Federal Stafford Loan Program borrower as defined in § 682.604(c)(5); or

(ii) Thirteen days before the first day of classes for any subsequent payment period for a first-year, first-time Federal Stafford Loan Program borrower or for any payment period for all other Federal Stafford Loan Program borrowers; and

(2) An institution may not request a lender to provide it with loan funds by check requiring the endorsement of the borrower earlier than—

(i) The first day of classes of the first payment period for a first-year, first-time Federal Stafford Loan Program borrower as defined in § 682.604(c)(5); or

(ii) Thirty days before the first day of classes for any subsequent payment period for a first-year, first-time Federal Stafford Loan Program borrower or for any payment period for all other Federal Stafford borrowers; and

(3)(i) An institution may not request a lender to provide it with loan funds by EFT or master check for any Federal PLUS Program loan earlier than 13 days before the first day of classes for any payment period.

(ii) An institution may not request a lender to provide with loan funds by check requiring the endorsement of the borrower for any Federal PLUS Program loan earlier than 30 days before the first day of classes for any payment period.

(b) *Returning funds to a lender.* (1) Except as provided in paragraph (c) of this section, an institution must return FFEL Program funds to a lender if the institution does not disburse those funds to a student or parent for a payment period within—

(i) Ten business days following the date the institution receives the funds if the lender provides those funds to the institution by EFT or master check on or after July 1, 1997 but before July 1, 1999;

(ii) Three business days following the date the institution receives the funds if the lender provides those funds to the institution by EFT and master check on or after July 1, 1999; or

(iii) Thirty days after the institution receives the funds if a lender provides those funds by a check payable to the

borrower or copayable to the borrower and the institution.

(2) If the institution does not disburse the loan funds as specified in paragraph (b)(1) or (c) of this section, the institution must return those funds to the lender promptly but no later than 10 business days after the date the institution is required to disburse the funds.

(3) If an institution must return loan funds to the lender under paragraph (b)(2) of this section and the institution determines that the student is eligible to receive the loan funds, the school may disburse the funds to the student or parent rather than return them to the lender provided the funds are disbursed prior to the end of the applicable timeframe under paragraph (b)(2) of this section.

(c) *Delay in returning funds to a lender.* An institution may delay returning FFEL program funds to a lender for—

(1) Ten business days after the date set forth in paragraph (b)(1) of this section if—

(i)(A) The institution does not disburse FFEL Program funds to a borrower because the student did not complete the required number of clock or credit hours in a preceding payment period; and

(B) The institution expects the student to complete required hours within this 10-day period; or

(ii)(A) The student has not met all the FFEL Programs eligibility requirements; and

(B) The institution expects the student to meet those requirements within this 10-day period; or

(2) Thirty days after the date set forth in paragraph (b) of this section for funds a lender provides by EFT or master check if the Secretary places the institution on the reimbursement payment method under paragraph (d) or (e) of this section.

(d) *An institution placed under the reimbursement payment method.* (1) If the Secretary places an institution under the reimbursement payment method for the Federal Pell Grant, Direct Loan or campus-based programs, the institution—

(i) May not disburse FFEL Program funds to a borrower until the Secretary approves a request from the institution

to make that disbursement for that borrower; and

(ii) If prohibited by the Secretary, may not certify a borrower's loan application until the Secretary approves a request from the institution to make that certification for that borrower.

(2) In order for the Secretary to approve a disbursement or certification request from the institution, the institution must submit documentation to the Secretary or entity approved by the Secretary that shows that each borrower included in that request whose loan has not been disbursed or certified is eligible to receive that disbursement or certification.

(3) Pending the Secretary's approval of a disbursement or certification request, the Secretary may—

(i) Prohibit the institution from endorsing a master check or obtaining a borrower's endorsement of any loan check the institution receives from a lender;

(ii) Require the institution to maintain loan funds that it receives from a lender via EFT in a separate bank account that meets the requirements under § 668.163; and

(iii) Prohibit the institution from certifying a borrower's loan application.

(e) *An institution participating solely in the FFEL Programs.* If the FFEL Programs are the only title IV, HEA programs in which an institution participates and the Secretary determines that there is a need to monitor strictly the institution's participation in those programs, the Secretary may subject the institution to the conditions and limitations contained in paragraph (d) of this section.

(f) *An institution placed under the cash monitoring payment method.* The Secretary may require an institution that is placed under the cash monitoring described under paragraph § 668.162(e), to comply with the disbursement and certification provisions under paragraph (d) of this section, except that the Secretary may modify the documentation requirements and review procedures

used to approve the institution's disbursement or certification request.

Subpart L—Financial Responsibility

SOURCE: 62 FR 62877, Nov. 25, 1997, unless otherwise noted.

§ 668.171 General.

(a) *Purpose.* To begin and to continue to participate in any title IV, HEA program, an institution must demonstrate to the Secretary that it is financially responsible under the standards established in this subpart. As provided under section 498(c)(1) of the HEA, the Secretary determines whether an institution is financially responsible based on the institution's ability to—

(1) Provide the services described in its official publications and statements;

(2) Administer properly the title IV, HEA programs in which it participates; and

(3) Meet all of its financial obligations.

(b) *General standards of financial responsibility.* Except as provided under paragraphs (c) and (d) of this section, the Secretary considers an institution to be financially responsible if the Secretary determines that—

(1) The institution's Equity, Primary Reserve, and Net Income ratios yield a composite score of at least 1.5, as provided under § 668.172 and appendices A and B to this subpart;

(2) The institution has sufficient cash reserves to make required returns of unearned title IV HEA program funds, as provided under § 668.173;

(3) The institution is current in its debt payments. An institution is not current in its debt payments if—

(i) It is in violation of any existing loan agreement at its fiscal year end, as disclosed in a note to its audited financial statements or audit opinion; or

(ii) It fails to make a payment in accordance with existing debt obligations

for more than 120 days, and at least one creditor has filed suit to recover funds under those obligations; and

(4) The institution is meeting all of its financial obligations, including but not limited to—

(i) Refunds that it is required to make under its refund policy, including the return of title IV, HEA program funds for which it is responsible under § 668.22; and

(ii) Repayments to the Secretary for debts and liabilities arising from the institution's participation in the title IV, HEA programs.

(c) *Public institutions.* The Secretary considers a public institution to be financially responsible if the institution—

(1)(i) Notifies the Secretary that it is designated as a public institution by the State, local or municipal government entity, tribal authority, or other government entity that has the legal authority to make that designation; and

(ii) Provides a letter from an official of that State or other government entity confirming that the institution is a public institution; and

(2) Is not in violation of any past performance requirement under § 668.174.

(d) *Audit opinions and past performance provisions.* Even if an institution satisfies all of the general standards of financial responsibility under paragraph (b) of this section, the Secretary does not consider the institution to be financially responsible if—

(1) In the institution's audited financial statements, the opinion expressed by the auditor was an adverse, qualified, or disclaimed opinion, or the auditor expressed doubt about the continued existence of the institution as a going concern, unless the Secretary determines that a qualified or disclaimed opinion does not have a significant bearing on the institution's financial condition; or

(2) As provided under the past performance provisions in § 668.174 (a) and (b)(1), the institution violated a title IV, HEA program requirement, or the persons or entities affiliated with the institution owe a liability for a violation of a title IV, HEA program requirement.

§ 668.172

(e) *Administrative actions.* If the Secretary determines that an institution is not financially responsible under the standards and provisions of this section or under an alternative standard in § 668.175, or the institution does not submit its financial and compliance audits by the date permitted and in the manner required under § 668.23, the Secretary may—

(1) Initiate an action under subpart G of this part to fine the institution, or limit, suspend, or terminate the institution's participation in the title IV, HEA programs; or

(2) For an institution that is provisionally certified, take an action against the institution under the procedures established in § 668.13(d).

§ 668.172 Financial ratios.

(a) *Appendices A and B, ratio methodology.* As provided under appendices A and B to this subpart, the Secretary determines an institution's composite score by—

(1) Calculating the result of its Primary Reserve, Equity, and Net Income ratios, as described under paragraph (b) of this section;

(2) Calculating the strength factor score for each of those ratios by using the corresponding algorithm;

(3) Calculating the weighted score for each ratio by multiplying the strength factor score by its corresponding weighting percentage;

(4) Summing the resulting weighted scores to arrive at the composite score; and

(5) Rounding the composite score to one digit after the decimal point.

(b) *Ratios.* The Primary Reserve, Equity, and Net Income ratios are defined under appendix A for proprietary institutions, and under appendix B for private non-profit institutions.

(1) The ratios for proprietary institutions are:

For proprietary institutions:

$$\text{Primary Reserve ratio} = \frac{\text{Adjusted Equity}}{\text{Total Expenses}}$$

$$\text{Equity ratio} = \frac{\text{Modified Equity}}{\text{Modified Assets}}$$

$$\text{Net Income ratio} = \frac{\text{Income Before Taxes}}{\text{Total Revenues}}$$

(2) The ratios for private non-profit institutions are:

$$\text{Primary Reserve ratio} = \frac{\text{Expendable Net Assets}}{\text{Total Expenses}}$$

$$\text{Equity Ratio} = \frac{\text{Modified Net Assets}}{\text{Modified Assets}}$$

$$\text{Net Income ratio} = \frac{\text{Change in Unrestricted Net Assets}}{\text{Total Unrestricted Revenues}}$$

(c) *Excluded items.* In calculating an institution's ratios, the Secretary—

(1) Generally excludes extraordinary gains or losses, income or losses from discontinued operations, prior period adjustments, the cumulative effect of changes in accounting principles, and the effect of changes in accounting estimates;

(2) May include or exclude the effects of questionable accounting treatments, such as excessive capitalization of marketing costs;

(3) Excludes all unsecured or uncollateralized related-party receivables;

(4) Excludes all intangible assets defined as intangible in accordance with generally accepted accounting principles; and

(5) Excludes from the ratio calculations Federal funds provided to an institution by the Secretary under program authorized by the HEA only if—

(i) In the notes to the institution's audited financial statement, or as a separate attestation, the auditor discloses by name and CFDA number, the amount of HEA program funds reported as expenses in the Statement of Activities for the fiscal year covered by that audit or attestation; and

(ii) The institution's composite score, as determined by the Secretary, is less than 1.5 before the reported expenses arising from those HEA funds are excluded from the ratio calculations.

§ 668.173 Refund reserve standards.

(a) *General.* The Secretary considers that an institution has sufficient cash reserves, as required under § 668.171(b)(2), if the institution—

(1) Satisfies the requirements for a public institution under § 668.171(c)(1);

(2) Is located in a State that has a tuition recovery fund approved by the Secretary and the institution contributes to that fund; or

(3) Returns, in a timely manner as described in paragraph (b) of this section, unearned title IV, HEA program

funds that it is responsible for returning under the provisions of § 668.22 for a student that withdrew from the institution.

(b) *Timely return of title IV, HEA program funds.* In accordance with procedures established by the Secretary or FFEL Program lender, an institution returns unearned title IV, HEA program funds timely if—

(1) The institution deposits or transfers the funds into the bank account it maintains under § 668.163 no later than 45 days after the date it determines that the student withdrew;

(2) The institution initiates an electronic funds transfer (EFT) no later than 45 days after the date it determines that the student withdrew;

(3) The institution initiates an electronic transaction, no later than 45 days after the date it determines that the student withdrew, that informs a FFEL lender to adjust the borrower's loan account for the amount returned; or

(4) The institution issues a check no later than 45 days after the date it determines that the student withdrew. An institution does not satisfy this requirement if—

(i) The institution's records show that the check was issued more than 45 days after the date the institution determined that the student withdrew; or

(ii) The date on the cancelled check shows that the bank used by the Secretary or FFEL Program lender endorsed that check more than 60 days after the date the institution determined that the student withdrew.

(c) *Compliance thresholds.* (1) An institution does not comply with the reserve standard under § 668.173(a)(3) if, in a compliance audit conducted under § 668.23, an audit conducted by the Office of the Inspector General, or a program review conducted by the Department or guaranty agency, the auditor or reviewer finds—

(i) In the sample of student records audited or reviewed that the institution did not return unearned title IV, HEA program funds within the timeframes described in paragraph (b) of this section for 5% or more of the students in the sample. (For purposes of determining this percentage, the sample includes only students for whom

the institution was required to return unearned funds during its most recently completed fiscal year.); or

(ii) A material weakness or reportable condition in the institution's report on internal controls relating to the return of unearned title IV, HEA program funds.

(2) The Secretary does not consider an institution to be out of compliance with the reserve standard under § 668.173(a)(3) if the institution is cited in any audit or review report because it did not return unearned funds in a timely manner for one or two students, or for less than 5% of the students in the sample referred to in paragraph (c)(1)(i) of this section.

(d) *Letter of credit.* (1) Except as provided under paragraph (e)(1) of this section, an institution that can satisfy the reserve standard only under paragraph (a)(3) of this section, must submit an irrevocable letter of credit acceptable and payable to the Secretary if a finding in an audit or review shows that the institution exceeded the compliance thresholds in paragraph (c) of this section for either of its two most recently completed fiscal years.

(2) The amount of the letter of credit required under paragraph (d)(1) of this section is 25 percent of the total amount of unearned title IV, HEA program funds that the institution was required to return under § 668.22 during the institution's most recently completed fiscal year.

(3) An institution that is subject to paragraph (d)(1) of this section must submit to the Secretary a letter of credit no later than 30 days after the earlier of the date that—

(i) The institution is required to submit its compliance audit;

(ii) The Office of the Inspector General issues a final audit report;

(iii) The designated department official issues a final program review determination;

(iv) The Department issues a preliminary program review report or draft audit report, or a guaranty agency issues a preliminary report showing that the institution did not return unearned funds for more than 10% of the sampled students; or

(v) The Secretary sends a written notice to the institution requesting the

letter of credit that explains why the institution has failed to return unearned funds in a timely manner.

(e) *Exceptions.* With regard to the letter of credit described in paragraph (d) of this section—

(1) An institution does not have to submit the letter of credit if the amount calculated under paragraph (d)(2) of this section is less than \$5,000 and the institution can demonstrate that it has cash reserves of at least \$5,000 available at all times.

(2) An institution may delay submitting the letter of credit and request the Secretary to reconsider a finding made in its most recent audit or review report that it failed to return unearned title IV, HEA program funds in a timely manner if—

(i)(A) The institution submits documents showing that the unearned title IV, HEA program funds were not returned in a timely manner solely because of exceptional circumstances beyond the institution's control and that the institution would not have exceeded the compliance thresholds under paragraph (c)(1) of this section had it not been for these exceptional circumstances; or

(B) The institution submits documents showing that it did not fail to make timely refunds as provided under paragraphs (b) and (c) of this section; and

(ii) The institution's request, along with the documents described in paragraph (e)(2)(i) of this section, is submitted to the Secretary no later than the date it would otherwise be required to submit a letter of credit under paragraph (d)(3).

(3) If the Secretary denies the institution's request under paragraph (e)(2) of this section, the Secretary notifies the institution of the date it must submit the letter of credit.

(f) *State tuition recovery funds.* In determining whether to approve a State's tuition recovery fund, the Secretary considers the extent to which that fund—

(1) Provides refunds to both in-State and out-of-State students;

(2) Allocates all refunds in accordance with the order required under § 668.22; and

(3) Provides a reliable mechanism for the State to replenish the fund should any claims arise that deplete the fund's assets.

(1) Has been limited, suspended, terminated, or entered into a settlement agreement to resolve a limitation, suspension, or termination action initiated by the Secretary or a guaranty agency, as defined in 34 CFR part 682, within the preceding five years;

(2) In either of its two most recent compliance audits had an audit finding, or in a report issued by the Secretary had a program review finding for its current fiscal year or either of its preceding two fiscal years, that resulted in the institution's being required to repay an amount greater than 5 percent of the funds that the institution received under the title IV, HEA programs during the year covered by that audit or program review;

(3) Has been cited during the preceding five years for failure to submit in a timely fashion acceptable compliance and financial statement audits required under this part, or acceptable audit reports required under the individual title IV, HEA program regulations; or

(b) *Past performance of persons affiliated with an institution.* (1)(i) Except as provided under paragraph (b)(2) of this section, an institution is not financially responsible if a person who exercises substantial control over the institution, as described under 34 CFR 600.30, or any member or members of

that person's family, alone or together—

(A) Exercises or exercised substantial control over another institution or a third-party servicer that owes a liability for a violation of a title IV, HEA program requirement; or

(B) Owes a liability for a violation of a title IV, HEA program requirement; and

(ii) That person, family member, institution, or servicer does not demonstrate that the liability is being repaid in accordance with an agreement with the Secretary.

(2) The Secretary may determine that an institution is financially responsible, even if the institution is not otherwise financially responsible under paragraph (b)(1) of this section, if—

(i) The institution notifies the Secretary, within the time permitted and in the manner provided under 34 CFR 600.30, that the person referenced in paragraph (b)(1) of this section exercises substantial control over the institution; and

(ii) The person referenced in paragraph (b)(1) of this section repaid to the Secretary a portion of the applicable liability, and the portion repaid equals or exceeds the greater of—

(A) The total percentage of the ownership interest held in the institution or third-party servicer that owes the liability by that person or any member or members of that person's family, either alone or in combination with one another;

(B) The total percentage of the ownership interest held in the institution or servicer that owes the liability that the person or any member or members of the person's family, either alone or in combination with one another, represents or represented under a voting trust, power of attorney, proxy, or similar agreement; or

(iii) The applicable liability described in paragraph (b)(1) of this section is currently being repaid in accordance with a written agreement with the Secretary; or

(iv) The institution demonstrates to the satisfaction of the Secretary why—

(A) The person who exercises substantial control over the institution should nevertheless be considered to lack that control; or

(B) The person who exercises substantial control over the institution and each member of that person's family nevertheless does not or did not exercise substantial control over the institution or servicer that owes the liability.

(c) *Ownership interest.* (1) An ownership interest is a share of the legal or beneficial ownership or control of, or a right to share in the proceeds of the operation of, an institution, an institution's parent corporation, a third-party servicer, or a third-party servicer's parent corporation. The term "ownership interest" includes, but is not limited to—

§ 668.175 Alternative standards and requirements.

(a) *General.* An institution that is not financially responsible under the general standards and provisions in § 668.171, may begin or continue to participate in the title IV, HEA programs by qualifying under an alternate standard set forth in this section.

(b) *Letter of credit alternative for new institutions.* A new institution that is not financially responsible solely because the Secretary determines that its composite score is less than 1.5, qualifies as a financially responsible institution by submitting an irrevocable letter of credit, that is acceptable and payable to the Secretary, for an amount equal to at least one-half of the amount of title IV, HEA program funds that the Secretary determines the institution will receive during its initial year of participation. A new institution is an institution that seeks to participate for the first time in the title IV, HEA programs.

(c) *Letter of credit alternative for participating institutions.* A participating institution that is not financially responsible either because it does not satisfy one or more of the standards of financial responsibility under § 668.171(b), or because of an audit opinion described under § 668.171(d), qualifies as a financially responsible institution by submitting an irrevocable letter of credit, that is acceptable and payable to the Secretary, for an amount determined by the Secretary that is not less than one-half of the title IV, HEA program funds received

by the institution during its most recently completed fiscal year.

(d) *Zone alternative.* (1) A participating institution that is not financially responsible solely because the Secretary determines that its composite score is less than 1.5 may participate in the title IV, HEA programs as a financially responsible institution for no more than three consecutive years, beginning with the year in which the Secretary determines that the institution qualifies under this alternative. (i)(A) An institution qualifies initially under this alternative if, based on the institution's audited financial statement for its most recently completed fiscal year, the Secretary determines that its composite score is in the range from 1.0 to 1.4; and

(B) An institution continues to qualify under this alternative if, based on the institution's audited financial statement for each of its subsequent two fiscal years, the Secretary determines that the institution's composite score is in the range from 1.0 to 1.4.

(ii) An institution that qualified under this alternative for three consecutive years or for one of those years, may not seek to qualify again under this alternative until the year after the institution achieves a composite score of at least 1.5, as determined by the Secretary.

(2) Under this zone alternative, the Secretary—

(i) Requires the institution to make disbursements to eligible students and parents under either the cash monitoring or reimbursement payment method described in § 668.162;

(ii) Requires the institution to provide timely information regarding any of the following oversight and financial events—

(A) Any adverse action, including a probation or similar action, taken against the institution by its accrediting agency;

(B) Any event that causes the institution, or related entity as defined in the Statement of Financial Accounting Standards (SFAS) 57, to realize any liability that was noted as a contingent liability in the institution's or related entity's most recent audited financial statement;

(C) Any violation by the institution of any loan agreement;

(D) Any failure of the institution to make a payment in accordance with its debt obligations that results in a creditor filing suit to recover funds under those obligations;

(E) Any withdrawal of owner's equity from the institution by any means, including by declaring a dividend; or

(F) Any extraordinary losses, as defined in accordance with Accounting Principles Board (APB) Opinion No. 30.

(iii) May require the institution to submit its financial statement and compliance audits earlier than the time specified under § 668.23(a)(4); and

(iv) May require the institution to provide information about its current operations and future plans.

(3) Under the zone alternative, the institution must—

(i) For any oversight or financial event described under paragraph (d)(2)(ii) of this section for which the institution is required to provide information, provide that information to the Secretary by certified mail or electronic or facsimile transmission no later than 10 days after that event occurs. An institution that provides this information electronically or by facsimile transmission is responsible for confirming that the Secretary received a complete and legible copy of that transmission; and

(ii) As part of its compliance audit, require its auditor to express an opinion on the institution's compliance with the requirements under the zone alternative, including the institution's administration of the payment method under which the institution received and disbursed title IV, HEA program funds.

(4) If an institution fails to comply with the requirements under paragraphs (d) (2) or (3) of this section, the Secretary may determine that the institution no longer qualifies under this alternative.

(e) *Transition year alternative.* A participating institution that is not financially responsible solely because the Secretary determines that its composite score is less than 1.5 for the institution's fiscal year that began on or after July 1, 1997 but on or before June

§ 668.175

34 CFR Ch. VI (7-1-07 Edition)

30, 1998, may qualify as a financially responsible institution under the provisions in § 668.15(b)(7), (b)(8), (d)(2)(ii), or (d)(3), as applicable.

(f) *Provisional certification alternative.*

(1) The Secretary may permit an institution that is not financially responsible to participate in the title IV, HEA programs under a provisional certification for no more than three consecutive years if—

(i) The institution is not financially responsible because it does not satisfy the general standards under § 668.171(b) or because of an audit opinion described under § 668.171(d); or

(ii) The institution is not financially responsible because of a condition of past performance, as provided under § 668.174(a), and the institution demonstrates to the Secretary that it has satisfied or resolved that condition.

(2) Under this alternative, the institution must—

(i) Submit to the Secretary an irrevocable letter of credit that is acceptable and payable to the Secretary, for an amount determined by the Secretary that is not less than 10 percent of the title IV, HEA program funds received by the institution during its most recently completed fiscal year, except that this requirement does not apply to a public institution;

(ii) Demonstrate that it was current on its debt payments and has met all of its financial obligations, as required under § 668.171 (b)(3) and (b)(4), for its two most recent fiscal years; and

(iii) Comply with the provisions under the zone alternative, as provided under paragraph (d) (2) and (3) of this section.

(3) If at the end of the period for which the Secretary provisionally certified the institution, the institution is still not financially responsible, the Secretary may again permit the institution to participate under a provisional certification, but the Secretary—

(i) May require the institution, or one or more persons or entities that exercise substantial control over the institution, as determined under § 668.174(b)(1) and (c), or both, to submit to the Secretary financial guarantees for an amount determined by the Secretary to be sufficient to satisfy any

potential liabilities that may arise from the institution's participation in the title IV, HEA programs; and

(ii) May require one or more of the persons or entities that exercise substantial control over the institution, as determined under § 668.174(b)(1) and (c), to be jointly or severally liable for any liabilities that may arise from the institution's participation in the title IV, HEA programs.

(g) *Provisional certification alternative for persons or entities owing liabilities.*

(1) The Secretary may permit an institution that is not financially responsible because the persons or entities that exercise substantial control over the institution owe a liability for a violation of a title IV, HEA program requirement, to participate in the title IV, HEA programs under a provisional certification only if—

(i)(A) The persons or entities that exercise substantial control, as determined under § 668.174(b)(1) and (c), repay or enter into an agreement with the Secretary to repay the applicable portion of that liability, as provided under § 668.174(b)(2)(ii); or

(B) The institution assumes that liability, and repays or enters into an agreement with the Secretary to repay that liability;

(ii) The institution satisfies the general standards and provisions of financial responsibility under § 668.171(b) and (d)(1), except that institution must demonstrate that it was current on its debt payments and has met all of its financial obligations, as required under § 668.171 (b)(3) and (b)(4), for its two most recent fiscal years; and

(iii) The institution submits to the Secretary an irrevocable letter of credit that is acceptable and payable to the Secretary, for an amount determined by the Secretary that is not less than 10 percent of the title IV, HEA program funds received by the institution during its most recently completed fiscal year.

(2) Under this alternative, the Secretary—

(i) Requires the institution to comply with the provisions under the zone alternative, as provided under paragraph (d) (2) and (3) of this section;

Off. of Postsecondary Educ., Education

§ 668.175

(ii) May require the institution, or one or more persons or entities that exercise substantial control over the institution, or both, to submit to the Secretary financial guarantees for an amount determined by the Secretary to be sufficient to satisfy any potential liabilities that may arise from the institution's participation in the title IV, HEA programs; and

(iii) May require one or more of the persons or entities that exercise sub-

stantial control over the institution to be jointly or severally liable for any liabilities that may arise from the institution's participation in the title IV, HEA programs.

$$\text{Equity Ratio} = \frac{\text{Modified Equity}}{\text{Modified Assets}}$$

$$\text{Net Income Ratio} = \frac{\text{Income Before Taxes}}{\text{Total Revenues}}$$

Definitions:

Adjusted Equity = (total owner's equity) - (intangible assets) - (unsecured related-party receivables) - (net property, plant and equipment)* + (post-employment and retirement liabilities) + (all debt obtained for long-term purposes)**

Modified Equity = (total owner's equity) - (intangible assets) - (unsecured related-party receivables)

Modified Assets = (total assets) - (intangible assets) - (unsecured related-party receivables)

Income Before Taxes is taken directly from the audited financial statement

Total Pre-Tax Revenues = (total operating revenues) + (non-operating revenues and gains). Investment gains should be recorded net of investment losses. No revenues shown after income taxes (e.g., discontinued operations, extraordinary gains, or change in accounting principle) on the income statement should be included.

* The value of plant, property and equipment is net of accumulated depreciation, including capitalized lease assets.

** The value of all debt obtained for long-term purposes includes the short-term portion of the debt, up to the amount of net property, plant and equipment.

*Long-Term Debt (lines 16 + 19) cannot exceed Property and Equipment (line 8) in this formula

Section 3: Calculating the Composite Score

Step 1: Calculate the strength factor score for each ratio, by using the following algorithms:

Example (for Proprietary institutions)

Primary Reserve strength factor score = $20 \times$ Primary Reserve ratio result: $20 \times 0.080 = 1.600$

Equity strength factor score = $6 \times$ Equity ratio result: $6 \times 0.332 = 1.992$

Net Income strength factor score = $1 + (33.3 \times$ Net Income ratio result): $1 + (33.3 \times 0.051) = 2.698$

If the strength factor score for any ratio is greater than or equal to 3, the strength factor score for that ratio is 3. If the strength factor score for any ratio is less than or equal to -1, the strength factor score for that ratio is -1.

Step 2: Calculate the weighted score for each ratio and calculate the composite score by adding the three weighted scores

Primary Reserve weighted score = $30\% \times$ Primary Reserve strength factor score: $0.30 \times 1.600 = 0.480$

Equity weighted score = $40\% \times$ Equity strength factor score: $0.40 \times 1.992 = 0.797$

Net Income weighted score = $30\% \times$ Net Income strength factor score: $0.30 \times 2.698 = 0.809$

Composite score = sum of all weighted scores: $0.480 + 0.797 + 0.809 = 2.086$

Round the composite score to one digit after the decimal point to determine the final score: 2.1

* The symbol "x" denotes multiplication.

$$\text{Equity Ratio} = \frac{\text{Modified Net Assets}}{\text{Modified Assets}}$$

$$\text{Net Income Ratio} = \frac{\text{Change in Unrestricted Net Assets}}{\text{Total Unrestricted Revenue}}$$

Definitions:

Expendable Net Assets = (unrestricted net assets) + (temporarily restricted net assets) - (annuities, term endowments, and life income funds that are temporarily restricted) - (intangible assets) - (net property, plant and equipment)* + (post-employment and retirement liabilities) + (all debt obtained for long-term purposes)** - (unsecured related-party receivables)

Total Expenses is total unrestricted expenses taken directly from the audited financial statement

Modified Net Assets = (unrestricted net assets) + (temporarily restricted net assets) + (permanently restricted net assets) - (intangible assets) - (unsecured related-party receivables)

Modified Assets = (total assets) - (intangible assets) - (unsecured related-party receivables)

Change in Unrestricted Net Assets is taken directly from the audited financial statement

Total Unrestricted Revenue is taken directly from the audited financial statement (This amount includes net assets released from restriction during the fiscal year)

* The value of plant, property and equipment is net of accumulated depreciation, including capitalized lease assets.

** The value of all debt obtained for long-term purposes includes the short-term portion of the debt, up to the amount of net property, plant and equipment.

* In accounting statements, parentheses denote negative numbers (i.e., (80,000) equals negative 80,000).

** Long-Term Debt (line 18) cannot exceed Property and Equipment, net (line 8) in this formula.

Section 3: Calculating the Composite Score

Step 1: Calculate the strength factor score for each ratio, by using the following algorithms

Primary Reserve strength factor score = $10 \times$ Primary Reserve ratio result:
 Example (for Private Non-Profit institutions)
 $10 \times 0.188 = 1.880$

Equity strength factor score = $6 \times$ Equity ratio result:
 $6 \times 0.350 = 2.100$

Because the Net Income ratio result is negative, the algorithm for negative net income is used -- Net Income strength factor score = $1 + (25 \times$ Net Income ratio result):
 $1 + (25 \times -0.0015) = 0.963$

(Note: If the Net Income ratio result is positive, the following algorithm is used, Net Income strength factor score = $1 + (50 \times$ Net Income ratio result) -- If the Net Income ratio result is 0, the Net Income strength factor score is 1).

If the strength factor score for any ratio is greater than or equal to 3, the strength factor score for that ratio is 3. If the strength factor score for any ratio is less than or equal to -1, the strength factor score for that ratio is -1.

Step 2: Calculate the weighted score for each ratio and calculate the composite score by adding the three weighted scores

Primary Reserve weighted score = $40\% \times$ Primary Reserve strength factor score:
 $0.40 \times 1.880 = 0.752$

Equity weighted score = $40\% \times$ Equity strength factor score:
 $0.40 \times 2.100 = 0.840$

Net Income weighted score = $20\% \times$ Net Income strength factor score:
 $0.20 \times 0.963 = 0.193$

Composite score = sum of all weighted scores:
 $0.752 + 0.840 + 0.193 = 1.785$

Round the composite score to one digit after the decimal point to determine the final score:
 1.8

* The symbol "x" denotes multiplication.

Subpart M—Cohort Default Rates

SOURCE: 65 FR 65638, Nov. 1, 2000, unless otherwise noted.

§ 668.181 Purpose of this subpart.

Your cohort default rate is a measure we use to determine your eligibility to participate in various Title IV, HEA programs. We may also use it for determining your eligibility for exemptions, such as those for certain disbursement requirements under the FFEL and Direct Loan Programs. This subpart describes how cohort default rates are calculated, some of the consequences of cohort default rates, and how you may request changes to your cohort default rates or appeal their consequences. Under this subpart, you submit a “challenge” after you receive your draft cohort default rate, and you request an “adjustment” or “appeal” after your official cohort default rate is published.

(Approved by the Office of Management and Budget under control number 1845–0022)

(Authority: 20 U.S.C. 1082, 1085, 1094, 1099c)

§ 668.182 Definitions of terms used in this subpart.

We use the following definitions in this subpart:

(a) *Cohort*. Your cohort is a group of borrowers used to determine your cohort default rate. The method for identifying the borrowers in a cohort is provided in § 668.183(b).

(b) *Data manager*. (1) For FFELP loans held by a guaranty agency or lender, the guaranty agency is the data manager.

(2) For FFELP loans that we hold, we are the data manager.

(3) For Direct Loan Program loans, the Direct Loan Servicer, as defined in 34 CFR 685.102, is the data manager.

(c) *Days*. In this subpart, “days” means calendar days.

(d) *Default*. A borrower is considered to be in default for cohort default rate purposes under the rules in § 668.183(c).

(e) *Draft cohort default rate*. Your draft cohort default rate is a rate we issue, for your review, before we issue your official cohort default rate. A draft cohort default rate is used only for the purposes described in § 668.185.

(f) *Entering repayment*. (1) Except as provided in paragraphs (f)(2) and (f)(3) of this section, loans are considered to enter repayment on the dates described in 34 CFR 682.200 (under the definition of “repayment period”) and in 34 CFR 685.207.

(2) A Federal SLS loan is considered to enter repayment—

(i) At the same time the borrower’s Federal Stafford loan enters repayment, if the borrower received the Federal SLS loan and the Federal Stafford loan during the same period of continuous enrollment; or

(ii) In all other cases, on the day after the student ceases to be enrolled at an institution on at least a half-time basis in an educational program leading to a degree, certificate, or other recognized educational credential.

(3) For the purposes of this subpart, a loan is considered to enter repayment on the date that a borrower repays it in full, if the loan is paid in full before the loan enters repayment under paragraphs (f)(1) or (f)(2) of this section.

(g) *Fiscal year*. A fiscal year begins on October 1 and ends on the following September 30. A fiscal year is identified by the calendar year in which it ends.

(h) *Loan record detail report*. The loan record detail report is a report that we produce. It contains the data used to calculate your draft or official cohort default rate.

(i) *Official cohort default rate*. Your official cohort default rate is the cohort default rate that we publish for you under § 668.186. Cohort default rates calculated under this subpart are not related in any way to cohort default rates that are calculated for the Federal Perkins Loan Program.

(j) *We*. We are the Department, the Secretary, or the Secretary’s designee.

(k) *You*. You are an institution.

(Approved by the Office of Management and Budget under control number 1845–0022)

(Authority: 20 U.S.C. 1082, 1085, 1094, 1099c)

§ 668.183 Calculating and applying cohort default rates.

(a) *General*. This section describes the four steps that we follow to calculate and apply your cohort default rate for a fiscal year:

(1) First, under paragraph (b) of this section, we identify the borrowers in your cohort for the fiscal year. If the total number of borrowers in that cohort is fewer than 30, we also identify the borrowers in your cohorts for the 2 most recent prior fiscal years.

(2) Second, under paragraph (c) of this section, we identify the borrowers in the cohort (or cohorts) who are considered to be in default. If more than one cohort will be used to calculate your cohort default rate, we identify defaulted borrowers separately for each cohort.

(3) Third, under paragraph (d) of this section, we calculate your cohort default rate.

(4) Fourth, we apply your cohort default rate to all of your locations—

(i) As you exist on the date you receive the notice of your official cohort default rate; and

(ii) From the date on which you receive the notice of your official cohort default rate until you receive our notice that the cohort default rate no longer applies.

(b) *Identify the borrowers in a cohort.*

(1) Your cohort for a fiscal year consists of all of your current and former students who, during that fiscal year, entered repayment on any Federal Stafford loan, Federal SLS loan, Direct Subsidized loan, or Direct Unsubsidized loan that they received to attend your institution, or on the portion of a loan made under the Federal Consolidation Loan Program or the Federal Direct Consolidation Loan Program (as defined in 34 CFR 685.102) that is used to repay those loans.

(2) A borrower may be included in more than one of your cohorts and may be included in the cohorts of more than one institution in the same fiscal year.

(c) *Identify the borrowers in a cohort who are in default.* (1) Except as provided in paragraph (c)(2) of this section, for the purposes of this subpart a borrower in a cohort for a fiscal year is considered to be in default if—

(i) Before the end of the following fiscal year, the borrower defaults on any FFELP loan that was used to include the borrower in the cohort or on any Federal Consolidation Loan Program loan that repaid a loan that was used to include the borrower in the cohort

(however, a borrower is not considered to be in default unless a claim for insurance has been paid on the loan by a guaranty agency or by us);

(ii) Before the end of the following fiscal year, the borrower fails to make an installment payment, when due, on any Direct Loan Program loan that was used to include the borrower in the cohort or on any Federal Direct Consolidation Loan Program loan that repaid a loan that was used to include the borrower in the cohort, and the borrower's failure persists for 360 days (or for 270 days, if the borrower's first day of delinquency was before October 7, 1998); or

(iii) Before the end of the following fiscal year, you or your owner, agent, contractor, employee, or any other affiliated entity or individual make a payment to prevent a borrower's default on a loan that is used to include the borrower in that cohort.

(2) A borrower is not considered to be in default based on a loan that is, before the end of the fiscal year immediately following the fiscal year in which it entered repayment—

(i) Rehabilitated under 34 CFR 682.405 or 34 CFR 685.211(e); or

(ii) Repurchased by a lender because the claim for insurance was submitted or paid in error.

(d) *Calculate the cohort default rate.* Except as provided in § 668.184, if there are—

(1) Thirty or more borrowers in your cohort for a fiscal year, your cohort default rate is the percentage that is derived by dividing—

(i) The number of borrowers in the cohort who are in default, as determined under paragraph (c) of this section; by

(ii) The number of borrowers in the cohort, as determined under paragraph (b) of this section.

(2) Fewer than 30 borrowers in your cohort for a fiscal year, your cohort default rate is the percentage that is derived by dividing—

(i) The total number of borrowers in that cohort and in the two most recent prior cohorts who are in default, as determined for each cohort under paragraph (c) of this section; by

(ii) The total number of borrowers in that cohort and the two most recent

§ 668.184

prior cohorts, as determined for each cohort under paragraph (b) of this section.

[65 FR 65638, Nov. 1, 2000, as amended at 67 FR 67075, Nov. 1, 2002]

§ 668.184 Determining cohort default rates for institutions that have undergone a change in status.

(a) *General.* (1) If you undergo a change in status identified in this section, your cohort default rate is determined under this section.

(2) In determining cohort default rates under this section, the date of a merger, acquisition, or other change in status is the date the change occurs.

(3) A change in status may affect your eligibility to participate in Title IV, HEA programs under § 668.187 or § 668.188.

(4) If another institution's cohort default rate is applicable to you under this section, you may challenge, request an adjustment, or submit an appeal for the cohort default rate under the same requirements that would be applicable to the other institution under §§ 668.185 and 668.189.

(b) *Acquisition or merger of institutions.* If your institution acquires, or was created by the merger of, one or more institutions that participated independently in the Title IV, HEA programs immediately before the acquisition or merger—

(1) For the cohort default rates published before the date of the acquisition or merger, your cohort default rates are the same as those of your predecessor that had the highest total number of borrowers entering repayment in the two most recent cohorts used to calculate those cohort default rates; and

(2) Beginning with the first cohort default rate published after the date of the acquisition or merger, your cohort default rates are determined by including the applicable borrowers from each institution involved in the acquisition or merger in the calculation under § 668.183.

(c) *Acquisition of branches or locations.* If you acquire a branch or a location

from another institution participating in the Title IV, HEA programs—

(1) The cohort default rates published for you before the date of the change apply to you and to the newly acquired branch or location;

(2) Beginning with the first cohort default rate published after the date of the change, your cohort default rates for the next 3 fiscal years are determined by including the applicable borrowers from your institution and the other institution (including all of its locations) in the calculation under § 668.183;

(3) After the period described in paragraph (c)(2) of this section, your cohort default rates do not include borrowers from the other institution in the calculation under § 668.183; and

(4) At all times, the cohort default rate for the institution from which you acquired the branch or location is not affected by this change in status.

(d) *Branches or locations becoming institutions.* If you are a branch or location of an institution that is participating in the Title IV, HEA programs, and you become a separate, new institution for the purposes of participating in those programs—

(1) The cohort default rates published before the date of the change for your former parent institution are also applicable to you;

(2) Beginning with the first cohort default rate published after the date of the change, your cohort default rates for the next 3 fiscal years are determined by including the applicable borrowers from your institution and your former parent institution (including all of its locations) in the calculation under § 668.183; and

(3) After the period described in paragraph (d)(2) of this section, your cohort default rates do not include borrowers from your former parent institution in the calculation under § 668.183.

§ 668.185 Draft cohort default rates and your ability to challenge before official cohort default rates are issued.

(a) *General.* (1) We notify you of your draft cohort default rate before your

official cohort default rate is calculated. Our notice includes the loan record detail report for the draft cohort default rate.

(2) Regardless of the number of borrowers included in your cohort, your draft cohort default rate is always calculated using data for that fiscal year alone, using the method described in § 668.183(d)(1).

(3) Your draft cohort default rate and the loan record detail report are not considered public information and may not be otherwise voluntarily released by a data manager.

(4) Any challenge you submit under this section and any response provided by a data manager must be in a format acceptable to us. This acceptable format is described in the “Cohort Default Rate Guide” that we provide to you. If your challenge does not comply with the requirements in the “Cohort Default Rate Guide,” we may deny your challenge.

(b) *Incorrect data challenges.* (1) You may challenge the accuracy of the data included on the loan record detail report by sending a challenge to the relevant data manager, or data managers, within 45 days after you receive the data. Your challenge must include—

(i) A description of the information in the loan record detail report that you believe is incorrect; and

(ii) Documentation that supports your contention that the data are incorrect.

(2) Within 30 days after receiving your challenge, the data manager must send you and us a response that—

(i) Addresses each of your allegations of error; and

(ii) Includes the documentation that supports the data manager’s position.

(3) If your data manager concludes that draft data in the loan record detail report are incorrect, and we agree, we use the corrected data to calculate your cohort default rate.

(4) If you fail to challenge the accuracy of data under this section, you cannot contest the accuracy of those data in an uncorrected data adjustment, under § 668.190, or in an erroneous data appeal, under § 668.192.

(c) *Participation rate index challenges.*

(1)(i) You may challenge an anticipated loss of eligibility under § 668.187(a)(1),

based on one cohort default rate over 40 percent, if your participation rate index for that cohort’s fiscal year is equal to or less than 0.06015.

(ii) You may challenge an anticipated loss of eligibility under § 668.187(a)(2), based on three cohort default rates of 25 percent or greater, if your participation rate index is equal to or less than 0.0375 for any of those three cohorts’ fiscal years.

(2) For a participation rate index challenge, your participation rate index is calculated as described in § 668.195(b), except that—

(i) The draft cohort default rate is considered to be your most recent cohort default rate; and

(ii) If the cohort used to calculate your draft cohort default rate included fewer than 30 borrowers, you may calculate your participation rate index for that fiscal year using either your most recent draft cohort default rate or the average rate that would be calculated for that fiscal year, using the method described in § 668.183(d)(2).

(3) You must send your participation rate index challenge, including all supporting documentation, to us within 45 days after you receive your draft cohort default rate.

(4) We notify you of our determination on your participation rate index challenge before your official cohort default rate is published.

(5) If we determine that you qualify for continued eligibility based on your participation rate index challenge, you will not lose eligibility under § 668.187 when your next official cohort default rate is published. A successful challenge that is based on your draft cohort default rate does not excuse you from any other loss of eligibility. However, if your successful challenge of a loss of eligibility under paragraph (c)(1)(ii) of this section is based on a prior, official cohort default rate, and not on your draft cohort default rate, we also excuse you from any subsequent loss of eligibility, under § 668.187(a)(2), that would be based on that official cohort default rate.

§ 668.186 Notice of your official cohort default rate.

(a) We notify you of your cohort default rate after we calculate it. After we send our notice to you, we publish a list of cohort default rates for all institutions.

(b) If your cohort default rate is 10 percent or more, we include a copy of the loan record detail report with the notice.

(c) If your cohort default rate is less than 10 percent—

(1) You may request a copy of any loan record detail report that lists loans included in your cohort default rate calculation; and

(2) If you are requesting an adjustment or appealing under this subpart, your request for a copy of the loan record detail report or reports must be sent to us within 15 days after you receive the notice of your cohort default rate.

§ 668.187 Consequences of cohort default rates on your ability to participate in Title IV, HEA programs.

(a) *End of participation.* (1) Except as provided in paragraph (f) of this section, you lose your eligibility to participate in the FFEL and Direct Loan programs 30 days after you receive our notice that your most recent cohort default rate is greater than 40 percent.

(2) Except as provided in paragraphs (e) and (f) of this section, you lose your eligibility to participate in the FFEL, Direct Loan, and Federal Pell Grant programs 30 days after you receive our notice that your three most recent cohort default rates are each 25 percent or greater.

(b) *Length of period of ineligibility.* Your loss of eligibility under this section continues—

(1) For the remainder of the fiscal year in which we notify you that you are subject to a loss of eligibility; and

(2) For the next 2 fiscal years.

(c) *Using a cohort default rate more than once.* The use of a cohort default rate as a basis for a loss of eligibility under this section does not preclude its use as a basis for—

(1) Any concurrent or subsequent loss of eligibility under this section; or

(2) Any other action by us.

(d) *Special institutions.* If you are a special institution that satisfies the requirements for continued eligibility under § 668.198, you are not subject to any loss of eligibility under this section or to provisional certification under § 668.16(m).

(e) *Continuing participation in Pell.* If you are subject to a loss of eligibility under paragraph (a)(2) of this section, based on three cohort default rates of 25 percent or greater, you may continue to participate in the Federal Pell Grant Program if we determine that you—

(1) Were ineligible to participate in the FFEL and Direct Loan programs before October 7, 1998, and your eligibility was not reinstated;

(2) Requested in writing, before October 7, 1998, to withdraw your participation in the FFEL and Direct Loan programs, and you were not later reinstated; or

(3) Have not certified an FFELP loan or originated a Direct Loan Program loan on or after July 7, 1998.

(f) *Requests for adjustments and appeals.* (1) A loss of eligibility under this section does not take effect while your request for adjustment or appeal, as listed in § 668.189(a), is pending, provided your request for adjustment or appeal is complete, timely, accurate, and in the required format.

(2) Eligibility continued under paragraph (f)(1) of this section ends if we determine that none of the requests for adjustments and appeals you have submitted qualify you for continued eligibility under § 668.189. Loss of eligibility takes effect on the date that you receive notice of our determination on your last pending request for adjustment or appeal.

(3) You do not lose eligibility under this section if we determine that your request for adjustment or appeal meets all requirements of this subpart and qualifies you for continued eligibility under § 668.189.

(4) To avoid liabilities you might otherwise incur under paragraph (g) of this section, you may choose to suspend

your participation in the FFEL and Direct Loan programs during the adjustment or appeal process.

(g) *Liabilities during the adjustment or appeal process.* If you continued to participate in the FFEL or Direct Loan Program under paragraph (f)(1) of this section, and we determine that none of your requests for adjustments or appeals qualify you for continued eligibility—

(1) For any FFEL or Direct Loan Program loan that you certified and delivered or originated and disbursed more than 30 days after you received the notice of your cohort default rate, we estimate the amount of interest, special allowance, reinsurance, and any related or similar payments we make or are obligated to make on those loans;

(2) We exclude from this estimate any amount attributable to funds that you delivered or disbursed more than 45 days after you submitted your completed appeal to us;

(3) We notify you of the estimated amount; and

(4) Within 45 days after you receive our notice of the estimated amount, you must pay us that amount, unless—

(i) You file an appeal under the procedures established in subpart H of this part (for the purposes of subpart H of this part, our notice of the estimate is considered to be a final program review determination); or

(ii) We permit a longer repayment period.

(h) *Regaining eligibility.* If you lose your eligibility to participate in a program under this section, you may not participate in that program until—

(1) The period described in paragraph (b) of this section has ended;

(2) You pay any amount owed to us under this section or are meeting that obligation under an agreement acceptable to us;

(3) You submit a new application for participation in the program;

(4) We determine that you meet all of the participation requirements in effect at the time of your application; and

(5) You and we enter into a new program participation agreement.

§ 668.188 Preventing evasion of the consequences of cohort default rates.

(a) *General.* Unless you are a special institution complying with § 668.198, you are subject to a loss of eligibility that has already been imposed against another institution under § 668.187 if—

(1) You and the ineligible institution are both parties to a transaction that results in a change of ownership, a change in control, a merger, a consolidation, an acquisition, a change of name, a change of address, any change that results in a location becoming a freestanding institution, a purchase or sale, a transfer of assets, an assignment, a change of identification number, a contract for services, an addition or closure of one or more locations or branches or educational programs, or any other change in whole or in part in institutional structure or identity;

(2) Following the change described in paragraph (a)(1) of this section, you offer an educational program at substantially the same address at which the ineligible institution had offered an educational program before the change; and

(3) There is a commonality of ownership or management between you and the ineligible institution, as the ineligible institution existed before the change.

(b) *Commonality of ownership or management.* For the purposes of this section, a commonality of ownership or management exists if, at each institution, the same person (as defined in 34 CFR 600.31) or members of that person's family, directly or indirectly—

(1) Holds or held a managerial role; or

(2) Has or had the ability to affect substantially the institution's actions, within the meaning of 34 CFR 600.21.

(c) *Teach-outs.* Notwithstanding paragraph (b)(1) of this section, a commonality of management does not exist if you are conducting a teach-out under a teach-out agreement as defined in 34

§ 668.189

34 CFR Ch. VI (7-1-07 Edition)

CFR 602.3 and administered in accordance with 34 CFR 602.24(c), and—

(1)(i) Within 60 days after the change described in this section, you send us the names of the managers for each facility undergoing the teach-out as it existed before the change and for each facility as it exists after you believe that the commonality of management has ended; and

(ii) We determine that the commonality of management, as described in paragraph (b)(1) of this section, has ended; or

(2)(i) Within 30 days after you receive our notice that we have denied your submission under paragraph (c)(1)(i) of this section, you make the management changes we request and send us a list of the names of the managers for each facility undergoing the teach-out as it exists after you make those changes; and

(ii) We determine that the commonality of management, as described in paragraph (b)(1) of this section, has ended.

(d) *Initial determination.* We encourage you to contact us before undergoing a change described in this section. If you write to us, providing the information we request, we will provide a written initial determination of the anticipated change's effect on your eligibility.

(e) *Notice of accountability.* (1) We notify you in writing if, in response to your notice or application filed under 34 CFR 600.20 or 600.21, we determine that you are subject to a loss of eligibility, under paragraph (a) of this section, that has been imposed against another institution.

(2) Our notice also advises you of the scope and duration of your loss of eligibility. The loss of eligibility applies to all of your locations from the date you receive our notice until the expiration of the period of ineligibility applicable to the other institution.

(3) If you are subject to a loss of eligibility under this section that has already been imposed against another institution, you may only request an adjustment or submit an appeal for the loss of eligibility under the same re-

quirements that would be applicable to the other institution under § 668.189.

§ 668.189 General requirements for adjusting official cohort default rates and for appealing their consequences.

(a) *Remaining eligible.* You do not lose eligibility under § 668.187 if—

(1) We recalculate your cohort default rate, and it is below the percentage threshold for the loss of eligibility as the result of—

(i) An uncorrected data adjustment submitted under this section and § 668.190;

(ii) A new data adjustment submitted under this section and § 668.191;

(iii) An erroneous data appeal submitted under this section and § 668.192; or

(iv) A loan servicing appeal submitted under this section and § 668.193; or

(2) You meet the requirements for—

(i) An economically disadvantaged appeal submitted under this section and § 668.194;

(ii) A participation rate index appeal submitted under this section and § 668.195;

(iii) An average rates appeal submitted under this section and § 668.196; or

(iv) A thirty-or-fewer borrowers appeal submitted under this section and § 668.197.

(b) *Limitations on your ability to dispute your cohort default rate.* (1) You may not dispute the calculation of a cohort default rate except as described in this subpart.

(2) You may not request an adjustment or appeal a cohort default rate, under § 668.190, § 668.191, § 668.192, or § 668.193, more than once.

(3) You may not request an adjustment or appeal a cohort default rate, under § 668.190, § 668.191, § 668.192, or § 668.193, if you previously lost your eligibility to participate in a Title IV, HEA program, under § 668.187, based entirely or partially on that cohort default rate.

(c) *Content and format of requests for adjustments and appeals.* We may deny

your request for adjustment or appeal if it does not meet the following requirements:

(1) All appeals, notices, requests, independent auditor's opinions, management's written assertions, and other correspondence that you are required to send under this subpart must be complete, timely, accurate, and in a format acceptable to us. This acceptable format is described in the "Cohort Default Rate Guide" that we provide to you.

(2) Your completed request for adjustment or appeal must include—

(i) All of the information necessary to substantiate your request for adjustment or appeal; and

(ii) A certification by your chief executive officer, under penalty of perjury, that all the information you provide is true and correct.

(d) *Our copies of your correspondence.* Whenever you are required by this subpart to correspond with a party other than us, you must send us a copy of your correspondence within the same time deadlines. However, you are not required to send us copies of documents that you received from us originally.

(e) *Requirements for data managers' responses.* (1) Except as otherwise provided in this subpart, if this subpart requires a data manager to correspond with any party other than us, the data manager must send us a copy of the correspondence within the same time deadlines.

(2) If a data manager sends us correspondence under this subpart that is not in a format acceptable to us, we may require the data manager to revise that correspondence's format, and we may prescribe a format for that data manager's subsequent correspondence with us.

(f) *Our decision on your request for adjustment or appeal.* (1) We determine whether your request for an adjustment or appeal is in compliance with this subpart.

(2) In making our decision for an adjustment, under § 668.190 or § 668.191, or an appeal, under § 668.192 or § 668.193—

(i) We presume that the information provided to you by a data manager is correct unless you provide substantial evidence that shows the information is not correct; and

(ii) If we determine that a data manager did not provide the necessary clarifying information or legible records in meeting the requirements of this subpart, we presume that the evidence that you provide to us is correct unless it is contradicted or otherwise proven to be incorrect by information we maintain.

(3) Our decision is based on the materials you submit under this subpart. We do not provide an oral hearing.

(4) We notify you of our decision—

(i) If you request an adjustment or appeal because you are subject to a loss of eligibility under § 668.187, within 45 days after we receive your completed request for an adjustment or appeal; or

(ii) In all other cases, except for appeals submitted under § 668.192(a) to avoid provisional certification, before we notify you of your next official cohort default rate.

(5) You may not seek judicial review of our determination of a cohort default rate until we issue our decision on all pending requests for adjustments or appeals for that cohort default rate.

§ 668.190 Uncorrected data adjustments.

(a) *Eligibility.* You may request an uncorrected data adjustment for your most recent cohort of borrowers, used to calculate your most recent official cohort default rate, if in response to your challenge under § 668.185(b), a data manager agreed correctly to change the data, but the changes are not reflected in your official cohort default rate.

(b) *Deadlines for requesting an uncorrected data adjustment.* (1) If the loan record detail report was not included with your official cohort default rate notice, you must request it within 15 days after you receive the notice of your official cohort default rate.

(2) You must send us a request for an uncorrected data adjustment, including all supporting documentation, within 30 days after you receive your loan record detail report from us.

(c) *Determination.* We recalculate your cohort default rate, based on the corrected data, if we determine that—

§ 668.191

34 CFR Ch. VI (7–1–07 Edition)

(1) In response to your challenge under § 668.185(b), a data manager agreed to change the data;

(2) The changes described in paragraph (c)(1) of this section are not reflected in your official cohort default rate; and

(3) We agree that the data are incorrect.

(a) *Eligibility.* You may request a new data adjustment for your most recent cohort of borrowers, used to calculate your most recent official cohort default rate, if—

(1) A comparison of the loan record detail reports that we provide to you for the draft and official cohort default rates shows that the data have been newly included, excluded, or otherwise changed; and

(2) You identify errors in the data described in paragraph (a)(1) of this section that are confirmed by the data manager.

(b) *Deadlines for requesting a new data adjustment.* (1) If the loan record detail report was not included with your official cohort default rate notice, you must request it within 15 days after you receive the notice of your official cohort default rate.

(2) You must send the relevant data manager, or data managers, and us a request for a new data adjustment, including all supporting documentation, within 15 days after you receive your loan record detail report from us.

(3) Within 20 days after receiving your request for a new data adjustment, the data manager must send you and us a response that—

(i) Addresses each of your allegations of error; and

(ii) Includes the documentation used to support the data manager's position.

(4) Within 15 days after receiving a guaranty agency's notice that we hold an FFELP loan about which you are inquiring, you must send us your request for a new data adjustment for that loan. We respond to your request under paragraph (b)(3) of this section.

(5) Within 15 days after receiving incomplete or illegible records or data

from a data manager, you must send a request for replacement records or clarification of data to the data manager and us.

(6) Within 20 days after receiving your request for replacement records or clarification of data, the data manager must—

(i) Replace the missing or illegible records;

(ii) Provide clarifying information; or

(iii) Notify you and us that no clarifying information or additional or improved records are available.

(7) You must send us your completed request for a new data adjustment, including all supporting documentation—

(i) Within 30 days after you receive the final data manager's response to your request or requests; or

(ii) If you are also filing an erroneous data appeal or a loan servicing appeal, by the latest of the filing dates required in paragraph (b)(7)(i) of this section or in § 668.192(b)(6)(i) or § 668.193(c)(10)(i).

§ 668.192 Erroneous data appeals.

(a) *Eligibility.* Except as provided in § 668.189(b), you may appeal the calculation of a cohort default rate upon which a loss of eligibility, under § 668.187, or provisional certification, under § 668.16(m), is based if—

(1) You dispute the accuracy of data that you previously challenged on the basis of incorrect data, under § 668.185(b); or

(2) A comparison of the loan record detail reports that we provide to you for the draft and official cohort default rates shows that the data have been newly included, excluded, or otherwise changed, and you dispute the accuracy of that data.

(b) *Deadlines for submitting an appeal.*

(1) You must send a request for verification of data errors to the relevant data manager, or data managers,

and to us within 15 days after you receive the notice of your loss of eligibility or provisional certification. Your request must include a description of the information in the cohort default rate data that you believe is incorrect and all supporting documentation that demonstrates the error.

(2) Within 20 days after receiving your request for verification of data errors, the data manager must send you and us a response that—

(i) Addresses each of your allegations of error; and

(ii) Includes the documentation used to support the data manager's position.

(3) Within 15 days after receiving a guaranty agency's notice that we hold an FFELP loan about which you are inquiring, you must send us your request for verification of that loan's data errors. Your request must include a description of the information in the cohort default rate data that you believe is incorrect and all supporting documentation that demonstrates the error. We respond to your request under paragraph (b)(2) of this section.

(4) Within 15 days after receiving incomplete or illegible records or data, you must send a request for replacement records or clarification of data to the data manager and us.

(5) Within 20 days after receiving your request for replacement records or clarification of data, the data manager must—

(i) Replace the missing or illegible records;

(ii) Provide clarifying information; or

(iii) Notify you and us that no clarifying information or additional or improved records are available.

(6) You must send your completed appeal to us, including all supporting documentation—

(i) Within 30 days after you receive the final data manager's response to your request; or

(ii) If you are also requesting a new data adjustment or filing a loan servicing appeal, by the latest of the filing dates required in paragraph (b)(6)(i) of this section or in § 668.191(b)(7)(i) or § 668.193(c)(10)(i).

§ 668.193 Loan servicing appeals.

(a) *Eligibility.* Except as provided in § 668.189(b), you may appeal, on the basis of improper loan servicing or collection, the calculation of—

(1) Your most recent cohort default rate; or

(2) Any cohort default rate upon which a loss of eligibility under § 668.187 is based.

(b) *Improper loan servicing.* For the purposes of this section, a default is considered to have been due to improper loan servicing or collection only if the borrower did not make a payment on the loan and you prove that the FFEL Program lender or the Direct Loan Servicer, as defined in 34 CFR 685.102, failed to perform one or more of the following activities, if that activity applies to the loan:

(1) Send at least one letter (other than the final demand letter) urging the borrower to make payments on the loan;

(2) Attempt at least one phone call to the borrower;

(3) Send a final demand letter to the borrower;

(4) For a Direct Loan Program loan only, document that skip tracing was performed if the Direct Loan Servicer determined that it did not have the borrower's current address; and

(5) For an FFELP loan only—

(i) Submit a request for preclaims or default aversion assistance to the guaranty agency; and

(ii) Submit a certification or other documentation that skip tracing was performed to the guaranty agency.

(c) *Deadlines for submitting an appeal.*

(1) If the loan record detail report was not included with your official cohort default rate notice, you must request it within 15 days after you receive the notice of your official cohort default rate.

(2) You must send a request for loan servicing records to the relevant data manager, or data managers, and to us within 15 days after you receive your loan record detail report from us. If the data manager is a guaranty agency,

your request must include a copy of the loan record detail report.

(3) Within 20 days after receiving your request for loan servicing records, the data manager must—

(i) Send you and us a list of the borrowers in your representative sample, as described in paragraph (d) of this section (the list must be in social security number order, and it must include the number of defaulted loans included in the cohort for each listed borrower);

(ii) Send you and us a description of how your representative sample was chosen; and

(iii) Either send you copies of the loan servicing records for the borrowers in your representative sample and send us a copy of its cover letter indicating that the records were sent, or send you and us a notice of the amount of its fee for providing copies of the loan servicing records.

(4) The data manager may charge you a reasonable fee for providing copies of loan servicing records, but it may not charge more than \$10 per borrower file. If a data manager charges a fee, it is not required to send the documents to you until it receives your payment of the fee.

(5) If the data manager charges a fee for providing copies of loan servicing records, you must send payment in full to the data manager within 15 days after you receive the notice of the fee.

(6) If the data manager charges a fee for providing copies of loan servicing records, and—

(i) You pay the fee in full and on time, the data manager must send you, within 20 days after it receives your payment, a copy of all loan servicing records for each loan in your representative sample (the copies are provided to you in hard copy format unless the data manager and you agree that another format may be used), and it must send us a copy of its cover letter indicating that the records were sent; or

(ii) You do not pay the fee in full and on time, the data manager must notify you and us of your failure to pay the fee and that you have waived your right to challenge the calculation of your cohort default rate based on the data manager's records. We accept that determination unless you prove that it is incorrect.

(7) Within 15 days after receiving a guaranty agency's notice that we hold an FFELP loan about which you are inquiring, you must send us your request for the loan servicing records for that loan. We respond to your request under paragraph (c)(3) of this section.

(8) Within 15 days after receiving incomplete or illegible records, you must send a request for replacement records to the data manager and us.

(9) Within 20 days after receiving your request for replacement records, the data manager must either—

(i) Replace the missing or illegible records; or

(ii) Notify you and us that no additional or improved copies are available.

(10) You must send your appeal to us, including all supporting documentation—

(i) Within 30 days after you receive the final data manager's response to your request for loan servicing records; or

(ii) If you are also requesting a new data adjustment or filing an erroneous data appeal, by the latest of the filing dates required in paragraph (c)(10)(i) of this section or in § 668.191(b)(7)(i) or § 668.192(b)(6)(i).

(d) *Representative sample of records.* (1) To select a representative sample of records, the data manager first identifies all of the borrowers for whom it is responsible and who had loans that were considered to be in default in the calculation of the cohort default rate you are appealing.

(2) From the group of borrowers identified under paragraph (d)(1) of this section, the data manager identifies a sample that is large enough to derive an estimate, acceptable at a 95 percent confidence level with a plus or minus 5 percent confidence interval, for use in determining the number of borrowers who should be excluded from the calculation of the cohort default rate due to improper loan servicing or collection.

(e) *Loan servicing records.* Loan servicing records are the collection and payment history records—

(1) Provided to the guaranty agency by the lender and used by the guaranty agency in determining whether to pay a claim on a defaulted loan; or

(2) Maintained by our Direct Loan Servicer that are used in determining your cohort default rate.

(f) *Determination.* (1) We determine the number of loans, included in your representative sample of loan servicing records, that defaulted due to improper loan servicing or collection, as described in paragraph (b) of this section.

(2) Based on our determination, we use a statistically valid methodology to exclude the corresponding percentage of borrowers from both the numerator and denominator of the calculation of your cohort default rate.

§ 668.194 Economically disadvantaged appeals.

(a) *Eligibility.* As described in this section, you may appeal a notice of a loss of eligibility under § 668.187 if an independent auditor's opinion certifies that your low income rate is two-thirds or more and—

(1) You offer an associate, baccalaureate, graduate, or professional degree, and your completion rate is 70 percent or more; or

(2) You do not offer an associate, baccalaureate, graduate, or professional degree, and your placement rate is 44 percent or more.

(b) *Low income rate.* (1) Your low income rate is the percentage of your students, as described in paragraph (b)(2) of this section, who—

(i) For an award year that overlaps the 12-month period selected under paragraph (b)(2) of this section, have an expected family contribution, as defined in 34 CFR 690.2, that is equal to or less than the largest expected family contribution that would allow a student to receive one-half of the maximum Federal Pell Grant award, regardless of the student's enrollment status or cost of attendance; or

(ii) For a calendar year that overlaps the 12-month period selected under paragraph (b)(2) of this section, have an adjusted gross income that, when added to the adjusted gross income of the student's parents (if the student is

a dependent student) or spouse (if the student is a married independent student), is less than the amount listed in the Department of Health and Human Services poverty guidelines for the size of the student's family unit.

(2) The students who are used to determine your low income rate include only students who were enrolled on at least a half-time basis in an eligible program at your institution during any part of a 12-month period that ended during the 6 months immediately preceding the cohort's fiscal year.

(c) *Completion rate.* (1) Your completion rate is the percentage of your students, as described in paragraph (c)(2) of this section, who—

(i) Completed the educational programs in which they were enrolled;

(ii) Transferred from your institution to a higher level educational program;

(iii) Remained enrolled and are making satisfactory progress toward completion of their educational programs at the end of the same 12-month period used to calculate the low income rate; or

(iv) Entered active duty in the Armed Forces of the United States within 1 year after their last date of attendance at your institution.

(2) The students who are used to determine your completion rate include only regular students who were—

(i) Initially enrolled on a full-time basis in an eligible program; and

(ii) Originally scheduled to complete their programs during the same 12-month period used to calculate the low income rate.

(d) *Placement rate.* (1) Except as provided in paragraph (d)(2) of this section, your placement rate is the percentage of your students, as described in paragraphs (d)(3) and (d)(4) of this section, who—

(i) Are employed, in an occupation for which you provided training, on the date following 1 year after their last date of attendance at your institution;

(ii) Were employed for at least 13 weeks, in an occupation for which you provided training, between the date they enrolled at your institution and the first date that is more than a year after their last date of attendance at your institution; or

§ 668.195

34 CFR Ch. VI (7-1-07 Edition)

(iii) Entered active duty in the Armed Forces of the United States within 1 year after their last date of attendance at your institution.

(2) For the purposes of this section, a former student is not considered to have been employed based on any employment by your institution.

(3) The students who are used to determine your placement rate include only former students who—

(i) Were initially enrolled in an eligible program on at least a half-time basis;

(ii) Were originally scheduled, at the time of enrollment, to complete their educational programs during the same 12-month period used to calculate the low income rate; and

(iii) Remained in the program beyond the point at which a student would have received a 100 percent tuition refund from you.

(4) A student is not included in the calculation of your placement rate if that student, on the date that is 1 year after the student's originally scheduled completion date, remains enrolled in the same program and is making satisfactory progress.

(e) *Scheduled to complete.* In calculating a completion or placement rate under this section, the date on which a student is originally scheduled to complete a program is based on—

(1) For a student who is initially enrolled full-time, the amount of time specified in your enrollment contract, catalog, or other materials for completion of the program by a full-time student; or

(2) For a student who is initially enrolled less than full-time, the amount of time that it would take the student to complete the program if the student remained at that level of enrollment throughout the program.

(f) *Deadline for submitting an appeal.* (1) Within 30 days after you receive the notice of your loss of eligibility, you must send us your management's written assertion, as described in the Cohort Default Rate Guide.

(2) Within 60 days after you receive the notice of your loss of eligibility, you must send us the independent auditor's opinion described in paragraph (g) of this section.

(g) *Independent auditor's opinion.* (1) The independent auditor's opinion must state whether your management's written assertion, as you provided it to the auditor and to us, meets the requirements for an economically disadvantaged appeal and is fairly stated in all material respects.

(2) The engagement that forms the basis of the independent auditor's opinion must be an examination-level compliance attestation engagement performed in accordance with—

(i) The American Institute of Certified Public Accountants (AICPA) Statement on Standards for Attestation Engagements, Compliance Attestation (AICPA, Professional Standards, vol. 1, AT sec. 500), as amended (these standards may be obtained by calling the AICPA's order department, at 1-888-777-7077); and

(ii) Government Auditing Standards issued by the Comptroller General of the United States.

(h) *Determination.* You do not lose eligibility under § 668.187 if—

(1) Your independent auditor's opinion agrees that you meet the requirements for an economically disadvantaged appeal; and

(2) We determine that the independent auditor's opinion and your management's written assertion—

(i) Meet the requirements for an economically disadvantaged appeal; and

(ii) Are not contradicted or otherwise proven to be incorrect by information we maintain, to an extent that would render the independent auditor's opinion unacceptable.

§ 668.195 Participation rate index appeals.

(a) *Eligibility.* (1) You may appeal a notice of a loss of eligibility under § 668.187(a)(1), based on one cohort default rate over 40 percent, if your participation rate index for that cohort's fiscal year is equal to or less than 0.06015.

(2) You may appeal a notice of a loss of eligibility under § 668.187(a)(2), based on three cohort default rates of 25 percent or greater, if your participation rate index is equal to or less than 0.0375

for any of those three cohorts' fiscal years.

(b) *Calculating your participation rate index.* (1) Except as provided in paragraph (b)(2) of this section, your participation rate index for a fiscal year is determined by multiplying your cohort default rate for that fiscal year by the percentage that is derived by dividing—

(i) The number of students who received an FFELP or a Direct Loan Program loan to attend your institution during a period of enrollment, as defined in 34 CFR 682.200 or 685.102, that overlaps any part of a 12-month period that ended during the 6 months immediately preceding the cohort's fiscal year, by

(ii) The number of regular students who were enrolled at your institution on at least a half-time basis during any part of the same 12-month period.

(2) If your cohort default rate for a fiscal year is calculated as an average rate under § 668.183(d)(2), you may calculate your participation rate index for that fiscal year using either that average rate or the cohort default rate that would be calculated for the fiscal year alone using the method described in § 668.183(d)(1).

(c) *Deadline for submitting an appeal.* You must send us your appeal under this section, including all supporting documentation, within 30 days after you receive the notice of your loss of eligibility.

(d) *Determination.* (1) You do not lose eligibility under § 668.187 if we determine that you meet the requirements for a participation rate index appeal.

(2) If we determine that your participation rate index for a fiscal year is equal to or less than 0.0375, under paragraph (d)(1) of this section, we also excuse you from any subsequent loss of eligibility under § 668.187(a)(2) that would be based on the official cohort default rate for that fiscal year.

§ 668.196 Average rates appeals.

(a) *Eligibility.* (1) You may appeal a notice of a loss of eligibility under § 668.187(a)(1), based on one cohort de-

fault rate over 40 percent, if that cohort default rate is calculated as an average rate under § 668.183(d)(2).

(2) You may appeal a notice of a loss of eligibility under § 668.187(a)(2), based on three cohort default rates of 25 percent or greater, if at least two of those cohort default rates—

(i) Are calculated as average rates under § 668.183(d)(2); and

(ii) Would be less than 25 percent if calculated for the fiscal year alone using the method described in § 668.183(d)(1).

(b) *Deadline for submitting an appeal.*

(1) Before notifying you of your official cohort default rate, we make an initial determination about whether you qualify for an average rates appeal. If we determine that you qualify, we notify you of that determination at the same time that we notify you of your official cohort default rate.

(2) If you disagree with our initial determination, you must send us your average rates appeal, including all supporting documentation, within 30 days after you receive the notice of your loss of eligibility.

(a) *Eligibility.* You may appeal a notice of a loss of eligibility under § 668.187 if 30 or fewer borrowers, in total, are included in the 3 most recent cohorts of borrowers used to calculate your cohort default rates.

(b) *Deadline for submitting an appeal.*

(1) Before notifying you of your official cohort default rate, we make an initial determination about whether you qualify for a thirty-or-fewer borrowers appeal. If we determine that you qualify, we notify you of that determination at the same time that we notify you of your official cohort default rate.

(2) If you disagree with our initial determination, you must send us your thirty-or-fewer borrowers appeal, including all supporting documentation,

§ 668.198 Relief from the consequences of cohort default rates for special institutions.

(a) *Eligibility.* You are only eligible for relief from the consequences of cohort default rates under this section if you are a—

(1) Historically black college or university as defined in section 322(2) of the HEA;

(2) Tribally controlled community college as defined in section 2(a)(4) of the Tribally Controlled Community College Assistance Act of 1978; or

(3) Navajo community college under the Navajo Community College Act.

(b) *Applicability of requirements.* We may determine that the loss of eligibility provisions in § 668.187 and the prohibition against full certification in § 668.16(m) do not apply to you for each 1-year period beginning on July 1 of 1999 through 2003, if you meet the requirements in paragraph (a) of this section and you send us—

(1) By July 1 of the first 1-year period that begins after you receive our notice of a loss of eligibility under § 668.187—

(i) A default management plan; and

(ii) A certification that you have engaged an independent third party, as described in this section; and

(2) By July 1 of each subsequent 1-year period—

(i) Evidence that you have implemented your default management plan during the preceding 1-year period;

(ii) Evidence that you have made substantial improvement in the preceding 1-year period in your cohort default rate; and

(iii) A certification that you continue to engage an independent third party, as described in this section.

(c) *Default management plan.* (1) Your default management plan must provide reasonable assurance that you will, no later than July 1, 2004, have a cohort default rate that is less than 25 per-

cent. Measures that you must take to provide this assurance include but are not limited to—

(i) Establishing a default management team by engaging your chief executive officer and relevant senior executive officials and enlisting the support of representatives from offices other than the financial aid office;

(ii) Identifying and allocating the personnel, administrative, and financial resources appropriate to implement the default management plan;

(iii) Defining the roles and responsibilities of the independent third party;

(iv) Defining evaluation methods and establishing a data collection system for measuring and verifying relevant default management statistics, including a statistical analysis of the borrowers who default on their loans;

(v) Establishing annual targets for reductions in your cohort default rate; and

(vi) Establishing a process to ensure the accuracy of your cohort default rate.

(2) We will determine whether your default management plan is acceptable, after considering your history, resources, dollars in default, and targets for default reduction in making this determination.

(3) If we determine that your proposed default management plan is unacceptable, you must consult with us to develop a revised plan and submit the revised plan to us within 30 days after you receive our notice that your proposed plan is unacceptable.

(4) If we determine, based on the evidence you submit under paragraph (b)(2) of this section, that your default management plan is no longer acceptable, you must develop a revised plan in consultation with us and submit the revised plan to us within 60 days after you receive our notice that your plan is no longer acceptable.

(5) A sample default management plan is provided in appendix B to this subpart. The sample is included to illustrate components of an acceptable default management plan. Since institutions' family income profiles, student borrowing patterns, histories, resources, dollars in default, and targets for default reduction are different, you

must consider your own, individual circumstances in developing and submitting your plan.

(d) *Independent third party.* (1) An independent third party may be any individual or entity that—

(i) Provides technical assistance in developing and implementing your default management plan; and

(ii) Is not substantially controlled by a person who also exercises substantial control over your institution.

(2) An independent third party need not be paid by you for its services.

(3) The services of a lender, guaranty agency, or secondary market as an independent third party under this section are not considered to be inducements under 34 CFR 682.200 or 682.401(e).

(e) *Substantial improvement.* (1) For the purposes of this section, your substantial improvement is determined based on—

(i) A reduction in your most recent draft or official cohort default rate;

(ii) An increase in the percentage of delinquent borrowers who avoid default by using deferments, forbearances, and job placement assistance;

(iii) An increase in the academic persistence of student borrowers;

(iv) An increase in the percentage of students pursuing graduate or professional study;

(v) An increase in the percentage of borrowers for whom a current address is known;

(vi) An increase in the percentage of delinquent borrowers that you contacted;

(vii) The implementation of alternative financial aid award policies and development of financial resources that reduce the need for student borrowing; or (viii) An increase in the percentage of accurate and timely enrollment status changes that you submitted to the National Student Loan Data System (NSLDS) on the Student Status Confirmation Report (SSCR).

(2) When making a determination of your substantial improvement, we consider your performance in light of—

(i) Your history, resources, dollars in default, and targets for default reduction;

(ii) Your level of effort in meeting the terms of your approved default management plan during the previous 1-year period; and

(iii) Any other mitigating circumstance at your institution during the 1-year period.

(f) *Determination.* (1) If we determine that you are in compliance with this section, the provisions of §§668.187 and 668.16(m) do not apply to you for that 1-year period, beginning on July 1 of 1999 through 2003.

(2) If we determine that you are not in compliance with this section, you are subject to the provisions of §§668.187 and 668.16(m). You lose your eligibility to participate in the FFEL, Direct Loan, and Federal Pell Grant programs on the date you receive our notice of the determination.

APPENDIX A TO SUBPART M OF PART 668—SUMMARIES OF ELIGIBILITY AND SUBMISSION REQUIREMENTS FOR CHALLENGES, ADJUSTMENTS, AND APPEALS

I. Summary of Submission Eligibility

Some types of appeals may be submitted only if you are subject to a loss of eligibility under §668.187 or to provisional certification under §668.16(m). These types of appeals are identified in the following table. Submission deadlines are described in the paragraphs and sections that are cited in the table. For example, although you may submit an uncorrected data adjustment, new data adjustment, or loan servicing appeal if you are subject to provisional certification, the deadlines for those submissions are based on the date you receive your cohort default rate, not the date you receive the notice of your provisional certification.

	May you submit this type of challenge, adjustment, or appeal...	... if you are subject to...		
		No sanction?	Loss of eligibility?	Provisional certification?
Draft Cohort Default Rate	Incorrect Data Challenges (§668.185(b))	Yes	<i>Sanctions are never based on draft cohort default rates.</i>	
	Participation Rate Index Challenges (§668.185(c))	Yes		
Official Cohort Default Rate	Uncorrected Data Adjustments (§668.190)	Yes	Yes	Yes
	New Data Adjustments (§668.191)	Yes	Yes	Yes
	Erroneous Data Appeals (§668.192)	No	Yes	Yes
	Loan Servicing Appeals (§668.193)	Yes	Yes	Yes
	Economically Disadvantaged Appeals (§668.194)	No	Yes	No
	Participation Rate Index Appeals (§668.195)	No	Yes	No
	Average Rates Appeals (§668.196)	No	Yes	No
Thirty-or-Fewer Borrowers Appeals (§668.197)	No	Yes	No	

II. Summary of Submission Deadlines

1. *General.* The deadlines you must meet when submitting a challenge, a request for adjustment, or an appeal are summarized in the following table. The full, official requirements for these deadlines are in §668.189 and in the sections and paragraphs cited in the table.

2. *Timeframes.* The timeframes provided in the table (“30 Days”, “15 Days”, etc.) identify the number of calendar days within which that action must be performed. Timeframes begin on the date that the previous action (connected to that timeframe with an arrowed line) is completed:

(i) For *your first action* (and for both actions, during an economically disadvantaged appeal), the timeframe begins on the date that you receive your draft cohort default rate, official cohort default rate, notice of loss of eligibility, or notice of provisional certification.

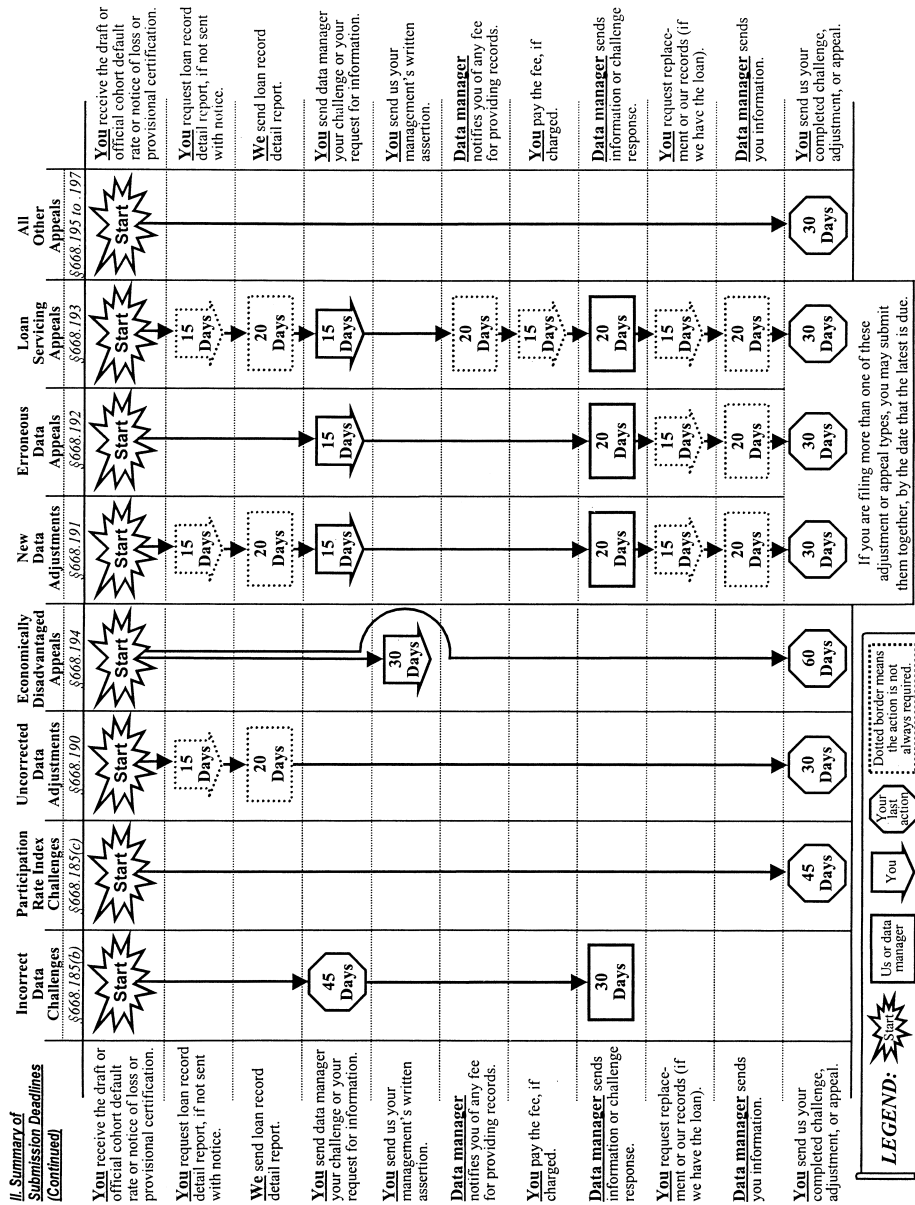

(ii) For *all other actions*, the timeframe begins on the date you receive the response to

your pending request. If you are waiting for responses from more than one data manager, the timeframe begins on the date that you receive the final response from the last data manager.

3. *Dotted borders.* Some actions identified in the table are required only in certain circumstances. For example, if we don’t send you a loan record detail report, because your cohort default rate is less than 10 percent, you must request one before you can request an adjustment or appeal. Timeframes for actions that aren’t always required are identified in the table by dotted borders:

(i) If you *are* required to perform that action, the timeframes begin on the same dates that they would if the timeframe borders were not dotted.

(ii) If you *are not* required to perform that action, the timeframe for your next required action is determined as if the timeframes with the dotted borders were not there. The timeframe for your next required action begins on the date that the last required action was completed.

APPENDIX B TO SUBPART M OF PART 668—SAMPLE DEFAULT MANAGEMENT PLAN FOR SPECIAL INSTITUTIONS TO USE WHEN COMPLYING WITH § 668.198

This appendix is provided as a sample plan for those institutions developing a default management plan in accordance with § 668.198. It describes some measures you may find helpful in reducing the number of students that default on federally funded loans. These are not the only measures you could implement when developing a default management plan. In developing a default management plan, you must consider your history, resources, dollars in default, and targets for default reduction to determine which activities will result in the most benefit to your students and to you.

I. Core Default Reduction Strategies (From § 668.198(c)(1))

1. Establish a default management team by engaging your chief executive officer and relevant senior executive officials and enlisting the support of representatives from offices other than the financial aid office.
2. Identify and allocate the personnel, administrative, and financial resources appropriate to implement the default management plan.
3. Define the roles and responsibilities of the independent third party.
4. Define evaluation methods and establish a data collection system for measuring and verifying relevant default management statistics, including a statistical analysis of the borrowers who default on their loans.
5. Establish annual targets for reductions in your rate.
6. Establish a process to ensure the accuracy of your rate.

II. Additional Default Reduction Strategies

1. Enhance the borrower's understanding of his or her loan repayment responsibilities through counseling and debt management activities.
2. Enhance the enrollment retention and academic persistence of borrowers through counseling and academic assistance.
3. Maintain contact with the borrower after he or she leaves your institution by using activities such as skip tracing to locate the borrower.
4. Track the borrower's delinquency status by obtaining reports from data managers and FFEL Program lenders.
5. Enhance student loan repayments through counseling the borrower on loan repayment options and facilitating contact between the borrower and the data manager or FFEL Program lender.
6. Assist a borrower who is experiencing difficulty in finding employment through ca-

reer counseling, job placement assistance, and facilitating unemployment deferments.

7. Identify and implement alternative financial aid award policies and develop alternative financial resources that will reduce the need for student borrowing in the first 2 years of academic study.
8. Familiarize the parent, or other adult relative or guardian, with the student's debt profile, repayment obligations, and loan status by increasing, whenever possible, the communication and contact with the parent or adult relative or guardian.

III. Defining the Roles and Responsibilities of Independent Third Party

1. Specifically define the role of the independent third party.
2. Specify the scope of work to be performed by the independent third party.
3. Tie the receipt of payments, if required, to the performance of specific tasks.
4. Assure that all the required work is satisfactorily completed.

IV. Statistics for Measuring Progress

1. The number of students enrolled at your institution during each fiscal year.
2. The average amount borrowed by a student each fiscal year.
3. The number of borrowers scheduled to enter repayment each fiscal year.
4. The number of enrolled borrowers who received default prevention counseling services each fiscal year.
5. The average number of contacts that you or your agent had with a borrower who was in deferment or forbearance or in repayment status during each fiscal year.
6. The number of borrowers at least 60 days delinquent each fiscal year.
7. The number of borrowers who defaulted in each fiscal year.
8. The type, frequency, and results of activities performed in accordance with the default management plan.
