

Mission

The mission of the Sam Houston State University Reading Center is to contribute to the SHSU's community growth both personally and academically so that students, faculty, and staff may use their talents more fully to achieve educational and professional goals.

The SHSU Reading Center seeks to promote the acquisition of and use of reading strategies and to promote independent learning which will motivate learners to value literacy throughout their lives.

Services

The SHSU Reading Center is available to all students, faculty, and staff. The primary goal of the instructors is to empower all students with effective reading strategies and the confidence to excel in their classes. The SHSU Reading Center is staffed and equipped to assist students with their expository reading in a variety of learning environments, such as:

- *individual tutoring sessions,*
- *small group tutoring sessions,*
- *computer assisted tutoring sessions.*

In addition to serving undergraduates to develop reading strategies and/or prepare for the THEA, the SHSU Reading Center can also be used by those whose first language is not English to prepare for the TOEFL. Students preparing for post-baccalaureate educational endeavors can use computer-assisted tutorials for the reading/verbal sections of the GRE, GMAT, LSAT, PCAT, or MCAT.

To assist faculty and students, one-session workshops on a variety of reading strategies will be offered throughout the school year. As a resource to faculty, Reading Center instructors are available to make classroom presentations on textbook reading strategies.
