

Mission

Newton Gresham Library faculty and staff envision a library that supports and enhances the development of critically thinking, educated and informed lifelong learners. The Library is integral to the University's learning and research mission and endeavors to create physical and virtual environments that promote discovery of new knowledge and the transfer of existing knowledge. The Library fulfills this mission by providing organized access to a diverse array of quality print, electronic, and other resources and by continuously improving the effectiveness of its bibliographic, instructional, and reference services.
