

DEGREE REQUIREMENTS AND ACADEMIC GUIDELINES

Undergraduate Degree Requirements

A student has the option of meeting the academic requirements for any degree as outlined in the catalog at the time of admission or of meeting those listed in any later catalog provided the requirements are met not later than six years from the effective date of the selected catalog. The student is responsible for knowledge of the detailed requirements of the degree program selected to include any special requirements of the major and/or minor department.

The specific degree requirements will be listed in the student's degree plan. A degree plan outlines academic guidelines for a specific degree. Students are encouraged to use the Student Advising and Mentoring Center (SAM Center) for advice on degree plans. It is the responsibility of the student to originate the degree plan within the major department.

Students may view their degree plan via SamInfo at www.shsu.edu/saminfo/. Prior to filing the Official Declaration of Major/Minor, this degree plan is unofficial.

All degrees contain the following MINIMUM requirements:

Total Hours. A minimum of 120 hours total (developmental courses not included) is required of each degree. Some degree programs may require additional hours above the 120 minimum.

Advanced Hours. (300-400 level courses) 42 semester hours of advanced work must be completed for a degree. Courses taken from a community college do not transfer for advanced credit.

Writing Enhanced Courses. All undergraduate students are required to complete at least six writing enhanced courses accumulating a minimum of 18 semester hours toward the completion of a degree. Of these 18 hours, six hours must come from the student's major field of study.

Minimum Residence. Residency, for the purpose of meeting degree requirements, is defined as courses that require classroom instruction and include:
