Instrucciones: Estudiantes de Nuevo Ingreso

- Entregue una solicitud ya sea en papel o electrónica (www.applytexas.org), **NO AMBAS**. Le recomendamos que haga su solicitud por Internet.
- Lea la página ix y la página 9 antes de iniciar esta solicitud.
- Las carreras profesionales y los códigos están disponibles en el Internet en <http://www.applytexas.org>; y en el Libro de Códigos, disponible en <http://www.collegefortexas.com>, en la oficina de admisiones de los colegios y universidades públicas y en las oficinas de consejería de las preparatorias.

Marque Otoño, Primavera, Verano I o Verano II, y escriba el año que planea iniciar. “Los mini o semestres cortos” puede que no apliquen a todas las universidades.

Marque si está solicitando como estudiante de primer ingreso sin horas acreditadas de universidad o como estudiante de primer ingreso con horas acreditadas de universidad e indique el número de horas acreditadas que tendrá para cuando gradúe de preparatoria. Considere la inscripción “concurrent/dual” como horas acreditadas de universidad, no aplica en cursos de “Advanced Placement/ International Baccalaureate”.

Utilice el código del condado si su dirección permanente está en Texas; si no, no necesita proporcionar un código. Si no tiene acceso a la información de los códigos de los condados, puede dejar este espacio en blanco.

Parte I. Información Biográfica

1. Escriba su número de Seguro Social. El número de Seguro Social es importante para comparar la solicitud con su expediente académico y con los resultados de los exámenes. El número de Seguro Social se requiere para otorgar (asignar) ayuda financiera. **AVISO:** Aunque ninguna autoridad legal específica requiere que proporcione su número de Seguro Social con el propósito de solicitar admisión a la universidad, el no proporcionarlo detendrá cualquier otro proceso como el de ayuda financiera.
2. Escriba su fecha de nacimiento (mes, día, año). No la deje en blanco; esta información es requerida.
3. Escriba su apellido legal, nombre y segundo nombre completo. No use sobrenombres o abreviaciones porque si se inscribe, esta información será utilizada para su archivo oficial. Use su nombre legal completo en todos los documentos enviados a la institución a la que está solicitando.
4. Escriba algún otro nombre(s) que pudo haber sido usado en su boleta de calificaciones u otros documentos.
5. Indique su género: masculino o femenino.
6. Escriba la ciudad, estado y país donde nació.

8. Conteste las preguntas con respecto a su estado de ciudadanía. Asegúrese de incluir, en caso de tenerla, una copia de su tarjeta de residente permanente y/o el aviso de acción del USCIS con su solicitud.
9. Escriba su dirección permanente y número de teléfono. Use los códigos de los condados de Texas y las dos letras de las abreviaciones del estado anotados en el “Libro de Códigos” (refiérase a las “Instrucciones,” en la parte de arriba).
10. Escriba alguna otra dirección a donde se le envíe correspondencia y número de teléfono, sólo si es diferente a la de su dirección permanente. Escriba la fecha cuando esta dirección vaya a expirar.
11. Escriba el nombre y el número de teléfono de una persona a quien se pueda llamar, en caso de emergencia.
12. Escriba su dirección de correo electrónico. El agregar su dirección de correo electrónico permitirá a representantes de instituciones comunicarse con usted con información acerca de su admisión.

14. Indique el nivel más alto de educación de sus padres o tutor legal asignado por los tribunales.

16. Indique el número de personas, incluyéndose usted, que viven en su casa por un periodo largo de tiempo. Incluya hermanos y hermanas que asisten a la universidad.
17. Indique si tiene obligaciones familiares que no le han permitido participar en actividades extracurriculares. Note si la obligación es: (a) trabajar para proveer los ingresos de la familia (b) proporcionar cuidados básicos a un miembro de la familia, u (c) otras obligaciones. Describa el tipo de la(s) obligación(es) familiar(es); ejemplo: la clase de actividad, el tiempo que le requiere, etc.
18. Si piensa solicitar en más de tres instituciones, llene la solicitud, dejando en blanco la pregunta #18, y haga copias. Luego escriba el nombre de cada universidad o colegio a las que está solicitando. Indique su primera y segunda opción de carrera profesional(s) y las abreviaciones de cada uno de los código(s) de la especialidades que este solicitando. Las carreras profesionales y los códigos de las especialidades se pueden encontrar en el Libro de Códigos (refiérase a “las Instrucciones,” en la parte de arriba). **Mande una copia de su solicitud completa a la oficina de admisiones de cada universidad a la que desea solicitar. Mantenga la solicitud original para su archivo personal.** Favor de usar pagina 9 como referencia de ayuda.

19. Escriba el nombre, ciudad, estado y el código de “College Board” o el código de ACT de la preparatoria (hable con el consejero de su preparatoria). Indique si recibió su educación en casa. Marque los años que curso en esa preparatoria y escriba el mes y el año cuando graduó o espera graduar. Mande una boleta de calificaciones oficial a cada universidad a la que usted desea solicitar. Indique si se graduara con diploma de “*International Baccalaureate*” (IB). Indique si usted va a graduarse de una preparatoria pública de Texas con el programa de “Recommended” o “Distinguished”. 23. Escriba su horario de estudiante *Senior*. Para cada curso, indique si es un curso “*Advanced Placement*” (AP), “*International Baccalaureate*” (IB), y los semestres o trimestres en los que el curso fue tomado. Incluya cualquier trabajo de curso de universidad que haya tomado. Por ejemplo:

Cursos de cuarto año	AP/IB	Dual Credit/ Concurrent Inscripción	Semestre o		Trimestre		
			1	2	1	2	3
Inglés		X	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

Historia	AP		<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>

24. Essays

Institutions do not require all four essays. See “General Application Information” on pages ii through iv to determine if you are required to write an essay or essays as part of your application for admission. Unless otherwise specified, your essay(s) should be typed and be no longer than one page (8 1/2” x 11”). Put your name and Social Security number* (see note below) at the top of each page.

Topic A.

Write an essay in which you tell us about someone who has made an impact on your life and explain how and why this person is important to you.

Topic B.

Choose an issue of importance to you – the issue could be personal, school related, local, political, or international in scope – and write an essay in which you explain the significance of that issue to yourself, your family, your community, or your generation.

Topic C.

There may be personal information that you want considered as part of your admissions application. Write an essay describing that information. You might include exceptional hardships, challenges, or opportunities that have shaped or impacted your abilities or academic credentials, personal responsibilities, exceptional achievements or talents, educational goals, or ways in which you might contribute to an institution committed to creating a diverse learning environment.

Topic D.

The essay in this section is specific to certain college majors and is not required by all colleges/universities that accept the ApplyTexas Application (formerly the Texas Common Application). Please see the “General Application Information” in the front of this booklet. If you are not applying for a major in Architecture, Art, Art History, Design, Studio Art, Visual Art Studies/Art Education, you are not required to write this essay.

Personal interaction with objects, images and spaces can be so powerful as to change the way one thinks about particular issues or topics. For your intended area of study (architecture, art history, design, studio art, visual art studies/art education), describe an experience where instruction in that area or your personal interaction with an object, image or space effected type of change in your thinking. What did you do to act upon your new thinking and what have you done to prepare yourself for further study in this area?
