Dear Dr. Gaertner:

Thank you for your letter of December 17, 2007 (received in our offices on January 2, 2008), and the notification of your intent to offer more than 50% of the credits for the following programs online:

Master of Library Science
Master of Education in School Counseling

Since both the degree programs and the delivery medium are approved, we accept the notification, require no additional information from you, and wish you much success in both of them. I extend to you and the campus community my best wishes for the new year.

Best regards,
